A powerful and heartfelt coming-of-age novel that follows Martin Kelso as he grows up in 1980s New York and faces the magic of first experiences, as well as the heartbreak of hard-won life lessons. Martin Kelso's comfortable world starts to change at the age of eleven. Girls get under his skin in ways he never noticed before. His cousin Evie, who used to be Marty's closest confidante--the one who taught him the right way to eat a pizza and how to catch tadpoles--has grown up into a stranger, mysterious and unpredictable. Marty and his best friends once inhabited fantasy worlds of their own making, full of cowboys and cops and robbers, where the heroes always won the day. But now, as neighborhood kids are attacked on their walk to school, they find themselves wanting to play a new game that better prepares them for real life. As life changes quickly and Marty feels less secure with himself, the difference between games and reality, friend and foe, and right from wrong becomes much more difficult to distinguish. At the same time, this new world offers possibilities as exciting as they are frightening. This poignant debut perfectly captures the intense emotion, humor, and earnestness of young adulthood as Marty, age eleven to seventeen, navigates a series of life-changing firsts: first kiss, first enemy, first loss, and, ultimately, his first awareness that the world is not as simple a place as he had once imagined.

In this authoritative and lively book, Doug Schmidt traces bowling's roots from a German religious rite centuries ago to the sport that made Milwaukee famous. From the taverns and saloons that housed recreational games to the sell-out crowds and million-dollar beer

A Washington, DC newspaper reporter, Max Mallard, is sent to investigate the town of Wise. Rumor has it that the town has decided to call of Christmas. Is this a hoax or the truth? To his surprise, Mallard finds Wise, a small town nestled up in the Appalachian Mountains, truly canceling the holiday celebrations, including the New Year. The people simply cannot afford it. The entire town went bust virtually overnight. It would be reckless to celebrate such a holiday that is certain to be costly. Adding to the town's problems, their mayor, Howard Peel, quite abruptly fled Wise and his family a year earlier. He had not been heard from since. No one else volunteered to take on the mayoral responsibility of running a town with a ruined economy. As the disheartened people of Wise are just about to cast their votes to officially cancel Christmas, a mysterious visitor shows up announcing he has a remarkable Christmas story to tell. The town's people show no interest in the stranger nor his 'tale.' They are eager to cast their votes until he stops them cold with the promise of a fantastic story involving their missing mayor, Howard Peel.

Eccentric, world-famous Santa Fe artist Adelaide Moran, recently arrived in heaven, is obsessed with not having finished painting the masterpiece that she feels will be so different from all others that it will forever ensure her legacy in the history of art. Invading the dreams of her earthly assistant, Ramon Herrera, she elicits his help—and that of a Taos shaman and a psychic—to steal the soul of talented young New York painter Angelina Bonelli. Whisked to New Mexico and held prisoner as she is guided by Moran's ghostly hand painting on the masterpiece, Angelina struggles against dark, seemingly immovable forces to find her way back to the reclamation of her soul as an artist and woman. Her best friend, jazz singer Gabriella Burke, and a handsome Santa Fe photographer, Troy Lundberg, join forces in a race against time to rescue Angelina. Bonelli

Legacy: Phoenix and the Dark Star is a continuation of the story from Legacy: The Mark of Merlin. In Savannah, Georgia, on Halloween night, the benevolent sorceress Ellen Anderson learns from Andie Cornell (a fifteen-year-old medium) that she had drawn the attention of a sinister wizard from New Orleans who practices an elite type of magic—a type of magic that Ellen has never heard of before. As Ellen puts a plan into motion to defend herself, she meets several individuals who will stand with her when she faces the sinister wizard. Among Ellen's new allies is the eighteen-year-old Seminole shaman and vampire hunter Winona (Winnie) Rivers. Winona and her crew (Riley and Brad) had been sent to Savannah, Georgia to capture and execute two vampires. The two vampires don't feed on humans though; however, Winona has never met a vampire that didn't. When Winona's group, Ellen's group and the two vampires come face to face with one another, Ellen demands irrefutable proof that the two vampires are

in fact feeding on humans before she will allow Winona's group to execute them. As a compromise, Winona agrees to let Ellen's group cast the 'Memory Talebearer' spell-a spell that transfers memories from an individual to anyone within range of the spell-on the vampires, and so the two vampires were taken to a secluded location in order to do so. Once there, Winona shares her story about how she had become a vampire hunter. About the Author Gerald Pruett was born and raised in St. Louis. Combine the thought-provoking time travel of *When You Reach Me* with the humorous storytelling of Lemony Snicket, and you get a wholly original journey through time, space, and the depths of the human heart. This is a story of things that are not possible. It's not possible for Amy to see spirits. (She does.) It's not possible that Amy and Moo can communicate using only their minds. (They do.) It's not possible to time-travel. (Yet.) And it's definitely not possible that witches exist. (Seriously?) None of these things are possible. (Until now . . .)

When asked; "where do great ideas come from?" the author replied: "from the future!" A significant, timely, and ambitious endeavor, *Bowling with a Crystal Ball* by Dr. Yoram Solomon, is relevant to developers, strategists, marketers, venture capitalists and academia alike. The book examines the impact of state-of-the-art technologies on consumer-driven markets. A follower of disruptive technologies with an insider's track, the author shares tools and techniques to teach readers how to tap into future trends. In three parts, delivered in a very personal manner, the author teaches the art of accurately forecasting fast-moving technology trends, creating value-add market disruptions, and navigating them through the industry maze to success. Originally published in 2007, it served as a textbook for a technology and industry forecasting class at the Institute for Innovation and Entrepreneurship at the University of Texas at Dallas. This 2015 edition adds the story behind the creation of USB 3, as well as an introduction to the author's third book, *un-kill creativity*, demonstrating how established companies can out-innovate startups without having to acquire them.

one last test, and the room around him disappears, replaced by the interior of an old theater. There, Joey meets the washed-up magician, Redondo the Magnificent, and makes a shocking discovery...magic is real, but sadly, there isn't much left in the world. It may be too late to save what little remains, but for the first time in his life Joey wants to try—really try—to do something big. Soon he's swept up into a centuries-old conflict between two rival societies of magicians—the Order of the Majestic, that fights to keep magic alive and free for all, and the dark magicians of the Invisible Hand, who hoard magic for their own evil ends. The endless battle for control of magic itself has reached a tipping point. For Redondo and the Order to survive, Joey must inherit the lost legacy of Harry Houdini. Will he prove himself worthy, or will the Invisible Hand strike him down? The answer will depend on Joey's ability to believe, not just in magic, but in himself.

**Emerald City: The New Adventures of Dorothy and the Wizard of Oz** by Arnold Schildkret is a new take on the Oz tales that L. Frank Baum invented. Unlike so many of Baum's followers who have through the years written imitations of the Oz books, Schildkret invents anew the main characters and the landscape of Oz. His conception of the Deadly Desert is especially different from that in other Oz books, as are his conceptions of Dorothy, Ozma, Roquat and most of all Uncle Henry. In addition, his book tells an exciting tale of adventure and conflict, including dangerous threats to the Land of Oz and even war. -Richard Tuerk, Professor

Emeritus of Literature and Languages, Texas A&M University, Commerce, Texas. Author of Oz in Perspective: Magic and Myth in the L. Frank Baum Books The New Adventures of Dorothy and the Wizard of Oz The Story – The Author’s View Emerald City is a modern sequel to the Wizard of Oz novel and film. It is an original story based on the characters of the novels of Frank Baum. Emerald City is a story of the bond of loyalty and friendship in the Land of Oz. Post 9/11/2001, we can all relate to a story of a utopian city where everyone loves each other and in which good triumphs over evil. The World of Oz has been changed by the loss of the Love Magnet. With its loss comes the immanent danger of the loss of the city, destruction of its way of life, and destruction of all of its magical creatures and inhabitants. Other events seem to conspire to ensure the Kingdom will be lost to Roquat, the evil Nome King. It is the humanity and foibles of all of the characters, even the evil ones, which will stir you and tug on your emotions. Humor and sadness, love and hate, good and evil, loss and redemption are mixed in a potpourri of fantasy and reality. Recurrent themes throughout are understanding our differences, loving each other, giving strangers the benefit of the doubt, and standing together in the face of evil. The story plays on four levels, as a fairy tale for children, as science fiction, and social and political satire for teenagers and adults.

With the help of a mood ring, a Magic 8 Ball, and some old-fashioned intuition, Judy Moody is convinced that she can foretell the future in a new episode that's funnier than ever. Judy Moody ate one, two, three bowls of cereal. No prize. She poured four, five, six bowls of cereal. Nothing. Seven. Out fell the Mystery Prize. . . . Judy definitely has a mood for every occasion. And now she has a mood ring to prove it! The mood ring's Extra Special Powers have put Judy in a predicting mood, and her outrageous predictions have everyone wondering if Judy really is psychic. According to "Madame M" (for Moody), the Toad Pee Club's long-lost mascot will reappear, Judy will earn the coveted Thomas Jefferson tricorn-hat sticker for Great Job, Good Thinking--and love may be the real reason behind her teacher's new eyeglasses. Will Judy's latest adventures put kids in a very Judy Moody mood? (Signs point to yes!)

During your lifetime you will be meeting a lot of people in your extended journey and travels. The third entry in the heartfelt, madcap Janie Chronicles has Janie O'Connelly wishing she missed the boat. When Benny proposes to kooky Aunt Marble, it's required that Janie, her newly designated Spirit Daughter, be in attendance. Janie is honored (kind of) to be included, until she learns the wedding is taking place off the coast of Mexico... on a ship. Adding to Janie's boat and ocean phobias is the revelation of Barry's feelings for her. Through choppy waters, Janie must examine her growing feelings for heartthrob Cecil while imagining the possibilities offered by Barry (who just happens to be her lifelong crush). The heart wants what the heart wants... But who will that be?
