Perfect for fans of the NYT bestseller *Sold* on a Monday, this Southern historical novel based on the true story of a boy's mysterious disappearance examines despair, loyalty, and the nature of truth. In 1913, on a summer's day at Half Moon Lake, Louisiana, four-year-old Sonny Davenport walks into the woods and never returns. The boy's mysterious disappearance from the family's lake house makes front-page news in their home town of Opelousas. John Henry and Mary Davenport are wealthy and influential, and will do anything to find their son. For two years, the Davenports search across the South, offer increasingly large rewards and struggle not to give in to despair. Then, at the moment when all hope seems lost, the boy is found in the company of a tramp. But is he truly Sonny Davenport? The circumstances of his discovery raise more questions than answers. And when Grace Mill, an unwed farm worker, travels from Alabama to lay claim to the child, newspapers, townsfolk, even the Davenports' own friends, take sides. As the tramp's kidnapping trial begins, and two desperate mothers fight for ownership of the boy, the people of Opelousas discover that truth is more complicated than they'd ever dreamed.

"On an island lives a boy called Peter and his band of merry lost boys, young

forever. That is, unless they get sick or killed by pirates or eaten by crocodiles or unless--inexplicably--they grow old. For some of them do grow old, and nobody knows why. One of these boys is called Jamie, and he was the first boy that Peter ever brought to the island. Jamie's lived there for longer than he can remember, and it's not all fun and games. Peter thinks the boys are replaceable, that if one dies or grows up, he can swap in another from the Other Place, the place where he collects new playmates. Jamie looks out for the boys and takes care of them. He does everything Peter does not. Jamie tries to keep them alive because, to him, they matter. When Peter steals a boy who is too young, Jamie takes the boy under his wing. But Peter won't have that, for nobody will ever take Jamie from him. Ever"--

In the polygamous Fundamentalist Church of Jesus Christ of Latter-day Saints (FLDS), girls can become valuable property as plural wives, but boys are expendable, even a liability. In this powerful and heartbreaking account, former FLDS member Brent Jeffs

reveals both the terror and the love he experienced growing up on his prophet's compound—and the harsh exile existence that so many boys face once they have been expelled by the sect. Brent Jeffs is the nephew of Warren Jeffs, the imprisoned leader of the FLDS. The son of a prominent family in the church, Brent could have grown up to have multiple wives of his own and significant power in the 10,000-strong community. But he knew that behind the group's pious public image—women in chaste dresses carrying babies on their hips—lay a much darker reality. So he walked away, and was the first to file a sexual-abuse lawsuit against his uncle. Now Brent shares his courageous story and that of many other young men who have become “lost boys” when they leave the FLDS, either by choice or by expulsion. Brent experienced firsthand the absolute power that church leaders wield—the kind of power that corrupts and perverts those who will do anything to maintain it. Once young men no longer belong to the church, they are cast out into a world for which they are utterly unprepared. More often than not, they succumb to the temptations of alcohol and other drugs. Tragically, Brent lost two of his brothers in this struggle, one to suicide, the other to overdose. In this book he shows that lost boys can triumph and that abuse and trauma can be overcome, and he hopes that readers will be inspired to help former FLDS members find their way in the world.

One of thousands of children who fled strife in southern Sudan, John Bul Dau survived hunger, exhaustion, and violence. His wife, Martha, endured similar hardships. As a boy living in the Dinka tribe in what is now South Sudan, the youngest country in the world, Ayik Chut Deng was a member of the Sudanese People's Liberation Army (SPLA). During his time as a child soldier, he witnessed unspeakable violence and was regularly tortured by older boys. At age nineteen, he and his family escaped the conflict in Sudan and resettled in Toowoomba, Australia. But adjusting to his new life in small-town Queensland was more difficult than he anticipated. He was suffering from post-traumatic stress disorder that was misdiagnosed as schizophrenia, leading to years of erratic behaviour on the wrong medication. He struggled with drugs and alcohol, fought with his family and found himself in trouble with the law before he came to the painful realisation that his behaviour was putting his life, as well as the lives of his loved ones, at risk. As an adult now living in Brisbane, Ayik is a father, working as an actor and volunteering at his local youth centre. Overcoming a childhood filled with torture and war was a process of lifelong learning, choices and challenges that included a remarkable chance encounter with a figure from his past, and an appearance on national television. *The Lost Boy* is an honest and revealing account of the complexities of trauma, and one man's story of how he got to where he is today. From the national bestselling author of *Alice* comes a postapocalyptic take on the

perennial classic "Little Red Riding Hood"...about a woman who isn't as defenseless as she seems. It's not safe for anyone alone in the woods. There are predators that come out at night: critters and coyotes, snakes and wolves. But the woman in the red jacket has no choice. Not since the Crisis came, decimated the population, and sent those who survived fleeing into quarantine camps that serve as breeding grounds for death, destruction, and disease. She is just a woman trying not to get killed in a world that doesn't look anything like the one she grew up in, the one that was perfectly sane and normal and boring until three months ago. There are worse threats in the woods than the things that stalk their prey at night. Sometimes, there are men. Men with dark desires, weak wills, and evil intents. Men in uniform with classified information, deadly secrets, and unforgiving orders. And sometimes, just sometimes, there's something worse than all of the horrible people and vicious beasts combined. Red doesn't like to think of herself as a killer, but she isn't about to let herself get eaten up just because she is a woman alone in the woods....
