This book uses a powerful mnemonic technique, the keyword method, to lock 1413 SAT and GRE words into the reader's memory quickly and easily. Dramatic improvements can be made in vocabulary size, reading comprehension, and scores on verbal exams. Since standard intelligence tests have significant verbal components, a major increase in vocabulary such as can be facilitated by this book should increase IQ scores. Here's how it works: Take the word DEFENESTRATE, which means to throw out of a window. This word is too limited in use to be in the book, but we want to demonstrate the method by having you actually learn a new word. The next time you encounter DEFENESTRATE, think DEFEND THE STREET. That's called the "key." Now, to "link" the key to the definition, imagine your town invaded by enemy troops, and citizens defending the streets by throwing objects out of the windows at them. So, in the format of Build Your Vocabulary Skills!, we have the following:DEFENESTRATE (duh FEN es trate) to throw out of a windowKEY: DEFEND THE STREETLINK SENTENCE: The townfolk defended their streets against the enemy invaders by throwing things out of the windows at them.Now, answer the following without looking at the above:DEFENESTRATEWhat is the KEY?What is the LINK SENTENCE?So, what does DEFENESTRATE mean?Drill yourself on this a couple of times and you'll never forget it. We have no suggestions as to how you could work this word into a conversation, but Build Your Vocabulary Skills! has over 1400 more useful words, each with pronunciation, definition, key and links, so don't defenestrate this book on that account.

Put your vocabulary skills to the test with this witty and engaging book. Improve Your Word Power is primarily a collection of multiple-choice challenges in which the reader is asked to decide which definition of a given word is correct. But it's actually so much more than that. Each topic is themed - from words borrowed from French to words about colours; words from Shakespeare to words that sound alike - and the answers are wonderfully informative and accessible, each giving readers the chance to say 'Gosh! I didn't know that!' even with quite familiar words. Interspersed throughout are boxes that feature odd definitions, confusable words and fun facts that make the language come to life. Written by Sunday Times bestselling author Caroline Taggart, this is a book that is aimed at readers who want to improve their vocabulary for the sheer enjoyment of it - and have fun doing so.
