New York Times bestselling author and Duck Dynasty star Phil Robertson exposes the destructive nature of American politics and calls on Christians to actively participate in advancing the Kingdom of heaven on earth. We live in an ever-dividing country, a country in which identity politics, creeping socialist policies, and the vast partisan divide threaten the very fabric of America. After decades of political decay and of losing sight of our first principles, the American people are suffering from runaway debt, increased rates of depression, broken families, moral decay, and more. In Jesus Politics, Phil Robertson provides an alternate path: a radical call for Christians to use their freedoms to advance the agenda of the King and win back the soul of America. Exploring the problems facing our country and how Jesus would respond to each, Robertson offers a manifesto, showing us how to do good by King Jesus, bringing the kingdom of heaven to our homes, neighborhoods, churches, communities, and country. Jesus Politics charges readers to use their time, talents, resources, influence, and votes to protect and advance the policies of King Jesus. Together, Robertson declares that we can win back the soul of America, becoming a nation that proclaims, "In the King we trust."

When Willie and John Luke find a strange outhouse in the Duck Commander warehouse which turns out to be a time machine, they go traveling through time and space, but they have to get back home in time for Korie's birthday party.

More than 30 years after its cinematic debut, Slap Shot remains one of the most popular sports movies of all time, and this book is actor Dave Hanson's firsthand account of its making. Starring the legendary Paul Newman, the movie was based on the hilarious and outrageous antics of the fictitious Charlestown Chiefs, a tough-as-nails minor league hockey team in the early 1970s. In financial trouble and due to fold at the end of the season, they bring in the Hanson Brothers—three of the toughest hockey players around—in a desperate bid to sell tickets. What ensues is pure comic genius. Here, Dave Hanson—who played ringleader Jack Hanson in the film—not only opens the vault and dishes the dirt on the making of the movie, from the bench-clearing brawls and the practical jokes on set to the legendary partying that went on during filming, but also explores how the movie changed his and many of the cast and crew's lives forever.

Pick up where the best-selling book one left off. The Chosen Book Two features forty brand-new devotions that contain a Scripture, a unique look into a Gospel story, suggestions for prayer, and questions that lead you further in your relationship with Christ. Foreword by Alex Kendrick.

Alan and Lisa Robertson, members of America's favorite back woods family and the Duck Commander Clan, take on the topic of relationships as they share the secrets that saved their marriage. Infidelity, deceit, distrust, and shame. Unfortunately, these are recurring themes in many of today's marriages in America—even in the family-values-promoting, Christian-based Robertson family. With a romance that began in junior high, the couple got off to a rocky start but soon settled into married life and had two baby girls. Alan became a pastor in the church where his family had been members for years. Then, when Lisa had an affair, the heartache and the tension was very public. But this is not a book about a marriage gone wrong. It is a candid story of rescued love and renewed commitment. After nearly getting divorced, Alan and Lisa came to terms with what went wrong in their marriage and both began the hard work of making it right. Now married for twenty-nine years, Alan and Lisa counsel couples in trouble and speak across the country—openly sharing their hardships, their journey to renewed commitment, and a thriving marriage. Exploring the most-loved parables of Jesus, the stars of the top rated TV show Duck Dynasty, with their trademark humor and a whole bunch of fun, share the five faith-based values that have shaped their family.

A Moving Story of Redemption and Second Chances Jep Robertson, the youngest son of Duck Commander Phil Robertson, and his wife, Jessica, open up about their personal trials, their early years together, and the challenges that might have destroyed them both had the grace of God not intervened. Jep describes being molested as a child and his reluctance to tell anyone until only a few years ago, his downward spiral into drug and alcohol abuse, and the eventual intervention of his family. Jessica shares about the difficult failure of her first marriage while still a teenager and the hurt that came along with it, much of it from the church. Her insecurities spun out of control as she wondered whether she would ever be good enough or pretty enough. This book is their love story but, more importantly, their love story for God. "We are desperate to let people know that no matter what you've done; no matter what you've lived through, you can come out of it. You can be washed clean. You are redeemed."

This no-holds-barred autobiography chronicles the remarkable life of Phil Robertson, the original Duck Commander and Duck Dynasty® star, from early childhood through the founding of a family business. LIVING THE DREAM Duck calls—though the source of his livelihood—are not what makes Phil Robertson the man he is today. When asked what matters in his life, he's quick to say, "Faith, family, ducks—in that order." It isn't often that a person can live a dream, but Phil Robertson, aka The Duck Commander, has proven that it is possible with vision, hard work, helping hands, and an unshakable faith in the Almighty. Phil's is the

remarkable story of one man who followed the call he received from God and soon after invented a duck call that would begin an incredible journey to the life he had always dreamed of for himself and his family. In the love of his country, his family, and his maker, Phil has finally found the ingredients to the “good life” he always wanted. If you ever wind up sitting face-to-face with Phil, you’ll see that his enthusiasm and passion for duck hunting and the Lord is no act—it is truly who he is. If you’ve watched the exceedingly popular A&E® program Duck Dynasty®, you already know the famed Phil Robertson. As patriarch of the Robertson clan and creator of Duck Commander duck calls, he fearlessly leads his family in a responsible work ethic and an active faith. But what you don’t know is his life before the show. In the pages of this book, you’ll learn of Phil’s colorful past and his wild road to the “happy, happy, happy” life he leads today. Before the “happy,” Phil’s passion for the outdoors and wild living led him down some shady paths. As a young husband and father, he became the proprietor of a rough bar and lived a life, as he says, of “romping, stomping, and ripping” for a number of years. He even left his wife and young boys for a short period of time. Through it all, Phil Robertson has lived his life as a “called” man. Called to live off the land, called to leave a starring role in Louisiana Tech football (playing ahead of Terry Bradshaw) for duck hunting, called to wild living, called to create a new kind of duck call—and finally, called to follow God and lead a life of faith. In this eye-opening and rousing book, you’ll find stories that will shock you, as well as those that will inspire you. You’ll get to know the man behind the legend, and you’ll come away better for it.

It’s time to take back what the devil has stolen and put God back into our culture. Phil Robertson, patriarch of A&E’s Duck Dynasty and one of the most recognized voices of conservative Christianity in America, believes that little by little, generation by generation, America has allowed the lines of morality, decency, and virtue to be erased. Our values have disappeared as we began to believe lies—such as that God is dead, truth is relative, and unity is impossible—that have brought discord, division and protest. But Phil also believes that things can change. Writing with captivating storytelling and unflinching honesty, Phil shows how to make America a God-honoring nation once more: by dropping the ten central lies that rule our day and taking up the ten truths that will bring peace of mind, harmony, and prosperity back to our country. *The Theft of America’s Soul* is a prophetic wake-up call for all who desire to see our nation thrive. And it is also an invitation to experience the life-giving, peace-filling, wholly-transforming love of God.

Sadie Robertson, bestselling author and star of *Dancing with the Stars*, has an important message for her generation: you don’t have to be held back by fear, anxiety, or loneliness anymore. In *Live Fearless*, Sadie takes you on a thrilling personal journey toward power, passion, and purpose as you live at the center of who God created you to be! Dear friends, I don’t know about you, but I’m pretty tired of the struggle. You know which one I mean—fear, loneliness, not knowing who I am or what I’m meant to do. . . . Sound familiar? I struggled with insecurity, comparison, and isolation for too many years, from thigh gaps to eyebrows to the lifestyles I felt I had to live up to. I was so afraid of being “found out,” that everyone in my life would somehow figure out that I was fearful and small and that I struggled to make my faith a reality and to be secure in who I am. It took a major perspective shift from staring at comments on a screen to really digging into the pages of my Bible to see what God actually says about overcoming fear.

Setting aside the fear, anxiety, and comparison to become the joy-filled person God created you to be is exactly what God is inviting you into. To really be seen and known. To be an agent of change by choosing compassion, connection, and acceptance for everyone you come in contact with. Inside this book are ways to find your power, passion, and purpose—and reach for your dreams. Plus, there are places to jot down notes, fun lists, practical ways to make changes, and thoughts on how living fearless can change everything. Are you tired of the awful comparison game? Are you exhausted from trying to keep up, from feeling small and afraid that people will find the real you and be disappointed? There is so much more for you. No matter who you are, where you come from, or what your fears are, freedom is available to you. It's just a matter of saying yes. You in? Hope you'll join me on this wild adventure as we learn to Live Fearless together. Love, Sadie

A star of the hit A&E show "Duck Dynasty" brings together his best tall tales, crazy exploits, and quirky one-liners in a single collection.

The wives of the Robertsons all came into the family the same way: they fell in love with one of the Robertson boys. In the Duck Dynasty TV series, the women often come into their own when the whole family gathers around the table together to eat dinner, and fans of the show get a good glimpse into their lives, but that is hardly the whole story, which is why they decided to write this book... In *The Women of Duck Commander*, the wives show how they have worked together to help one another and to support the family in all its work and its happiness. They are committed to timeless values, and in the book they share the insights, stories, and experiences that have made them who they are. The appeal of the Duck Dynasty comes, not because they are showing us anything new, but they are reminding us of the values our culture is in danger of losing.

In *Live*, Sadie Robertson encourages and inspires you to make the critical choice to truly live passionate, courageous lives instead of being carried away by the world's value system.
