

Cafe In Berlin

A classic of 20th-century fiction, *The Berlin Stories* inspired the Broadway musical and Oscar-winning film *Cabaret*. First published in the 1930s, *The Berlin Stories* contains two astonishing related novels, *The Last of Mr. Norris* and *Goodbye to Berlin*, which are recognized today as classics of modern fiction. Isherwood magnificently captures 1931 Berlin: charming, with its avenues and cafés; marvelously grotesque, with its nightlife and dreamers; dangerous, with its vice and intrigue; powerful and seedy, with its mobs and millionaires—this is the period when Hitler was beginning his move to power. *The Berlin Stories* is inhabited by a wealth of characters: the unforgettable Sally Bowles, whose misadventures in the demimonde were popularized on the American stage and screen by Julie Harris in *I Am A Camera* and Liza Minnelli in *Cabaret*; Mr. Norris, the improbable old debauchee mysteriously caught between the Nazis and the Communists; plump Fräulein Schroeder, who thinks an operation to reduce the scale of her Büste might relieve her heart palpitations; and the distinguished and doomed Jewish family, the Landauers.

Finalist, 2018 National Jewish Book Award for Modern Jewish Thought and Experience, presented by the Jewish Book Council A fascinating glimpse into the world of the coffeehouse and its role in shaping modern Jewish culture Unlike the synagogue, the house of study, the community center, or the Jewish deli, the café is rarely considered a Jewish space. Yet, coffeehouses

Download Free Cafe In Berlin

profoundly influenced the creation of modern Jewish culture from the mid-nineteenth to mid-twentieth centuries. With roots stemming from the Ottoman Empire, the coffeehouse and its drinks gained increasing popularity in Europe. The “otherness,” and the mix of the national and transnational characteristics of the coffeehouse perhaps explains why many of these cafés were owned by Jews, why Jews became their most devoted habitués, and how cafés acquired associations with Jewishness. Examining the convergence of cafés, their urban milieu, and Jewish creativity, Shachar M. Pinsker argues that cafés anchored a silk road of modern Jewish culture. He uncovers a network of interconnected cafés that were central to the modern Jewish experience in a time of migration and urbanization, from Odessa, Warsaw, Vienna, and Berlin to New York City and Tel Aviv. *A Rich Brew* explores the Jewish culture created in these social spaces, drawing on a vivid collection of newspaper articles, memoirs, archival documents, photographs, caricatures, and artwork, as well as stories, novels, and poems in many languages set in cafés. Pinsker shows how Jewish modernity was born in the café, nourished, and sent out into the world by way of print, politics, literature, art, and theater. What was experienced and created in the space of the coffeehouse touched thousands who read, saw, and imbibed a modern culture that redefined what it meant to be a Jew in the world.

Polymer physics is one of the key courses not only in polymer science but also in material science. In his textbook Strobl presents the elements of polymer

Download Free Cafe In Berlin

physics to the necessary extent in a very didactical way. His main focus is on the concepts and major phenomena of polymer physics, not just on mere physical methods. He has written the book in a personal style evaluating the concepts he is dealing with. Every student in polymer and materials science will be happy to have it on his shelf.

This was the collection with which Durcan broke through to the huge and appreciative audience he enjoys today. In the first part are poems of great satirical comedy and also of great passion and indignation, and in the second part, poems about the break-up of a marriage so intense they would hurt if they weren't also possessed of the healing gifts of truthfulness and humour. In *The Berlin Wall Café* Durcan has located that space between the walls and barriers societies and individuals erect - a no-man's-land of the free imagination where we meet as the vulnerable and comical human beings we are. It contains some of his very best work.

An intellectual tour of present-day Berlin explores its vibrant, heterogeneous culture and includes coverage of its thriving artistic communities, rapidly evolving metropolis and disparate Eastern and Western views on work, food and love. By the author of *The Wall Jumper*. (This book was previously listed in *Forecast*.)

A guide to the local haunts, historic sites, rich culture and renowned entertainments of Germany's capital city.

An unprecedented examination of the ways in which the uninhibited urban sexuality, sexual experimentation, and medical advances of pre-Weimar Berlin created and molded our modern understanding of sexual orientation

Download Free Cafe In Berlin

and gay identity. Known already in the 1850s for the friendly company of its “warm brothers” (German slang for men who love other men), Berlin, before the turn of the twentieth century, became a place where scholars, activists, and medical professionals could explore and begin to educate both themselves and Europe about new and emerging sexual identities. From Karl Heinrich Ulrichs, a German activist described by some as the first openly gay man, to the world of Berlin’s vast homosexual subcultures, to a major sex scandal that enraptured the daily newspapers and shook the court of Emperor William II—and on through some of the very first sex reassignment surgeries—Robert Beachy uncovers the long-forgotten events and characters that continue to shape and influence the way we think of sexuality today. Chapter by chapter Beachy’s scholarship illuminates forgotten firsts, including the life and work of Dr. Magnus Hirschfeld, first to claim (in 1896) that same-sex desire is an immutable, biologically determined characteristic, and founder of the Institute for Sexual Science. Though raided and closed down by the Nazis in 1933, the institute served as, among other things, “a veritable incubator for the science of tran-sexuality,” scene of one of the world’s first sex reassignment surgeries. Fascinating, surprising, and informative—Gay Berlin is certain to be counted as a foundational cultural examination of human sexuality. From the Hardcover edition.

“The new Julie & Julia! . . . You’ll finish a chapter and find yourself in the kitchen.” –Marie Claire The Wednesday Chef (and author of Classic German Baking) finds her

Download Free Cafe In Berlin

way home—a story of love, life, and the search for the perfect ragú It takes courage to turn your life upside down, especially when everyone is telling you how lucky you are. But sometimes what seems right can feel deeply wrong. My Berlin Kitchen tells the story of how one thoroughly confused, kitchen-mad romantic found her way to a new life, a new man, and a new home in Berlin. Luisa Weiss was working in New York and about to get engaged when she decided to bake, roast, and stew her way through her huge collection of recipes. She started a blog to document her adventures. The Wednesday Chef was an instant sensation, bewitching readers who fell in love with Luisa and cheered her growing confidence. My Berlin Kitchen chronicles Luisa’s decision to give up the life she had built and move across the ocean in search of happiness—only to find love waiting where she least expected it. “A poignant memoir with charm, heartbreak, family history, and recipes galore.” –Elle “Luisa has a way of telling a story that’s nothing short of entrancing.” –Deb Perelman, author of *The Smitten Kitchen Cookbook* “Beautiful and inspiring. . . a remarkable and delicious tale of the romance of a lifetime.” –Kathleen Flinn, author of *The Sharper Your Knife, the Less You Cry* “For anyone who’s ever moved away from home, only to find that nowhere in the world is quite as special, My Berlin Kitchen is a lovely (and delicious-recipe-filled) read.” —Serious Eats

From a master of popular history, the lively, immersive story of the race to seize Berlin in the aftermath of World War II as it’s never been told

before BERLIN'S FATE WAS SEALED AT THE 1945 YALTA CONFERENCE: the city, along with the rest of Germany, was to be carved up among the victorious powers—the United States, Britain, France, and the Soviet Union. On paper, it seemed a pragmatic solution. In reality, once the four powers were no longer united by the common purpose of defeating Germany, they wasted little time reverting to their prewar hostility toward—and suspicion of—one another. The veneer of civility between the Western allies and the Soviets was to break down in spectacular fashion in Berlin. Rival systems, rival ideologies, and rival personalities ensured that the German capital became an explosive battleground. The warring leaders who ran Berlin's four sectors were charismatic, mercurial men, and Giles Milton brings them all to rich and thrilling life here. We meet unforgettable individuals like America's explosive Frank "Howlin' Mad" Howley, a brusque sharp-tongued colonel with a relish for mischief and a loathing for all Russians. Appointed commandant of the city's American sector, Howley fought an intensely personal battle against his wily nemesis, General Alexander Kotikov, commandant of the Soviet sector. Kotikov oozed charm as he proposed vodka toasts at his alcohol-fueled parties, but Howley correctly suspected his Soviet rival was Stalin's agent, appointed to evict the Western allies from Berlin and ultimately from Germany as well.

Download Free Cafe In Berlin

Throughout, *Checkmate in Berlin* recounts the first battle of the Cold War as we've never before seen it. An exhilarating tale of intense rivalry and raw power, it is above all a story of flawed individuals who were determined to win, and Milton does a masterful job of weaving between all the key players' motivations and thinking at every turn. A story of unprecedented human drama, it's one that had a profound, and often underestimated, shaping force on the modern world – one that's still felt today.

A “constantly captivating...well-researched and often moving” (*The Wall Street Journal*) history of Checkpoint Charlie, the famous military gate on the border of East and West Berlin where the United States confronted the USSR during the Cold War. In the early 1960s, East Germany committed a billion dollars to the creation of the Berlin Wall, an eleven-foot-high barrier that consisted of seventy-nine miles of fencing, 300 watchtowers, 250 guard dog runs, twenty bunkers, and was operated around the clock by guards who shot to kill. Over the next twenty-eight years, at least five thousand people attempt to smash through it, swim across it, tunnel under it, or fly over it. In 1989, the East German leadership buckled in the face of a civil revolt that culminated in half a million East Berliners demanding an end to the ban on free movement. The world's media flocked to capture the moment which, perhaps more than

any other, signaled the end of the Cold War. Checkpoint Charlie had been the epicenter of global conflict for nearly three decades. Now, “in capturing the essence of the old Cold War [MacGregor] may just have helped us to understand a bit more about the new one” (The Times, London)—the mistrust, oppression, paranoia, and fear that gripped the world throughout this period. Checkpoint Charlie is about the nerve-wracking confrontation between the West and USSR, highlighting such important global figures as Eisenhower, Stalin, JFK, Nikita Khrushchev, Mao Zedong, Nixon, Reagan, and other politicians of the period. He also includes never-before-heard interviews with the men who built and dismantled the Wall; children who crossed it; relatives and friends who lost loved ones trying to escape over it; military policemen and soldiers who guarded the checkpoints; CIA, MI6, and Stasi operatives who oversaw operations across its borders; politicians whose ambitions shaped it; journalists who recorded its story; and many more whose living memories contributed to the full story of Checkpoint Charlie. Learn to speak and write German like a pro! Need a quick introduction to the German language? Whether you're planning a vacation, adding a valuable second language to your resume, or simply brushing up on your skills, The Everything Essential German Book is your perfect guide for learning to speak and write in German. important basics, including: The German alphabet and translation Greetings and conversation starters Common questions and answers Verb tenses and sentence structure With step-by-step instructions, pronunciation guides, and practical exercises, you'll find learning German can be easy and fun! You'll be speaking--and understanding--German in no time! The best-selling author of *Devil in the White City* documents the efforts of first American ambassador to Hitler's Germany William E. Dodd to acclimate to a residence in an increasingly violent city where he is forced to associate with the Nazis while his daughter pursues a relationship with Gestapo chief Rudolf Diels.

Diskette contains: (1) NCLEX-style review questions plus (2) a data base of the 200 most commonly used drugs, from which students can generate their own drug card. Information on the diskette comes from Saunders nursing drug handbook.

Learning German Has Never Been Easier! Whether you are studying the language in school, planning a trip to Germany or Austria, or trying to learn the basics of the language closest to English, *German Made Simple* is the perfect book for any self-learner. Void of all nonessentials and refreshingly easy to understand, *German Made Simple* includes:

- Basics of German grammar
- Modern German vocabulary
- German pronunciation guide
- German reading exercises
- German economic information

Common German expressions • Review exercises • Complete answer key • German-English dictionary

An exhilarating journey through the subcultures, occupied squats, and late-night scenes in the anarchic first few years of Berlin after the fall of the wall *Berlin Calling* is a gripping account of the 1989 "peaceful revolution" in East Germany that upended communism and the tumultuous years of artistic ferment, political improvisation, and pirate utopias that followed. It's the story of a newly undivided Berlin when protest and punk rock, bohemia and direct democracy, techno and free theater were the order of the day. In a story stocked with fascinating characters from Berlin's highly politicized undergrounds—including playwright Heiner Müller, cult figure Blixa Bargeld of the industrial band *Einstürzende Neubauten*, the internationally known French Wall artist Thierry Noir, the American multimedia artist Danielle de Picciotto (founder of *Love Parade*), and David Bowie during his Ziggy Stardust incarnation—Hockenos argues that the DIY energy and raw urban vibe of the early 1990s shaped the new Berlin and still pulses through the city today. Just as Mike Davis captured Los Angeles in his *City of Quartz*, *Berlin Calling* is a unique account of how Berlin became hip, and of why it continues to attract creative types from the world over.

"Before Billy Wilder (1906-2002) left Europe for the

Download Free Cafe In Berlin

United States in 1934 and became a filmmaker, he worked as a newspaper reporter, first in Vienna and then in Weimar Berlin. This book, edited and introduced by Noah Isenberg and translated by Shelley Frisch, collects about 65 articles Wilder published in Austrian and German newspapers in the 1920s. The collection includes reported pieces on urban life, from a first-person account of Wilder's stint as a taxi dancer to an article about street sweepers; profiles of writers, movie stars and poker players; and dispatches from the international film scene, from reviews to interviews with such figures as Charlie Chaplin and Erich von Stroheim. Isenberg provides an introduction that gives biographical details and places the writings in context, emphasizing their historical moment and their connections to Wilder's later career"--

If you're learning German and enjoy reading, this is the book you need to rekindle your passion for the language and take your German to the next level!

Loosely based on the Odyssey, this landmark of modern literature follows ordinary Dubliners through an entire day in 1904. Captivating experimental techniques range from interior monologues to exuberant wordplay and earthy humor.

"Berlin emerged from the First World War as a multicultural European capital of immigration from the former Russian Empire, and while many Russian emigres moved to France and other countries in the 1920s, a thriving east European Jewish community remained. Yiddish-speaking intellectuals and activists participated vigorously in German cultural and political debate. Multilingual Jewish journalists, writers, actors and artists, invigorated by the creative atmosphere of the city, formed an environment which facilitated exchange between the main centres of Yiddish culture: eastern Europe, North America and Soviet Russia. All this came to an end with the Nazi rise to power in 1933, but Berlin remained a vital presence in Jewish cultural memory, as is testified by the works of Sholem Asch, Israel Joshua Singer, Zalman Shneour, Moyshe Kulbak, Uri Zvi Grinberg and Meir Wiener. This volume includes contributions by an international team of leading scholars dealing with various aspects of history, arts and literature, which tell the dramatic story of Yiddish cultural life in Weimar Berlin as a case study in the modern European culture."

The first English translation of a lost classic that reinvents the flaneur in Berlin. Franz Hessel (1880–1941), a German-born writer, grew up in Berlin, studied in Munich, and then lived in Paris, where he moved in artistic and literary circles. His

Download Free Cafe In Berlin

relationship with the fashion journalist Helen Grund was the inspiration for Henri-Pierre Roche's novel *Jules et Jim* (made into a celebrated 1962 film by Francois Truffaut). In collaboration with Walter Benjamin, Hessel reinvented the Parisian figure of the flaneur. This 1929 book—here in its first English translation—offers Hessel's version of a flaneur in Berlin. In *Walking in Berlin*, Hessel captures the rhythm of Weimar-era Berlin, recording the seismic shifts in German culture. Nearly all of the essays take the form of a walk or outing, focusing on either a theme or part of the city, and many end at a theater, cinema, or club. Hessel deftly weaves the past with the present, walking through the city's history as well as its neighborhoods. Even today, his walks in the city, from the Alexanderplatz to Kreuzberg, can guide would-be flaneurs. *Walking in Berlin* is a lost classic, known mainly because of Hessel's connection to Benjamin but now introduced to readers of English. *Walking in Berlin* was a central model for Benjamin's *Arcades Project* and remains a classic of “walking literature” that ranges from Surrealist perambulation to Situationist “psychogeography.” This MIT Press edition includes the complete text in translation as well as Benjamin's essay on *Walking in Berlin*, originally written as a review of the book's original edition. “An absolutely epic book, a walking remembrance.” —Walter Benjamin

Since becoming the capital of reunited Germany, Berlin has had a dose of global money and international style added to its already impressive cultural veneer. Once home to emperors and dictators, peddlers and spies, it is now a fashion showplace that attracts the young and hip. This gripping history follows Berlin chic through a host of historical eras and events, including the Nazi eradication of the primarily Jewish ready-to-wear industry, the confusion surrounding the split and reunification of the East and West, an unsuccessful effort to launch a fashion museum, and the

Download Free Cafe In Berlin

debut of Berlin Fashion Week in 2007. There are many fabulous stories to tell about Berlin fashion and Berliner Chic tells them all with verve and considerable expertise.

Collects the stories of Marianne Kohn and Sophie Mandel, following their journey from Germany on the Kindertransport to England, and their new lives there.

Enriched with a collection of photographs, letters, mementos, and other artifacts, an inspirational story of the Holocaust describes how Lotte Meyerhoff's three best friends, none of whom were Jewish, risked their lives under the Nazis to preserve her family legacy and to send them to her after the war, after Lotte, the sole survivor of her family, escaped an internment camp to seek refuge in the U.S.

In this illuminating and deeply moving memoir, a former American military intelligence officer goes beyond traditional Cold War espionage tales to tell the true story of her family—of five women separated by the Iron Curtain for more than forty years, and their miraculous reunion after the fall of the Berlin Wall. *Forty Autumns* makes visceral the pain and longing of one family forced to live apart in a world divided by two. At twenty, Hanna escaped from East to West Germany. But the price of freedom—leaving behind her parents, eight siblings, and family home—was heartbreaking. Uprooted, Hanna eventually moved to America, where she settled down with her husband and had children of her own. Growing up near Washington, D.C., Hanna's daughter, Nina Willner became the first female Army Intelligence Officer to lead sensitive intelligence operations in East Berlin at the height of the Cold War. Though only a few miles separated American Nina and her German relatives—grandmother Oma, Aunt Heidi, and cousin, Cordula, a member of the East German Olympic training team—a bitter political war kept them apart. In *Forty Autumns*, Nina recounts her family's story—five ordinary lives buffeted by circumstances beyond their control. She takes us

Download Free Cafe In Berlin

deep into the tumultuous and terrifying world of East Germany under Communist rule, revealing both the cruel reality her relatives endured and her own experiences as an intelligence officer, running secret operations behind the Berlin Wall that put her life at risk. A personal look at a tenuous era that divided a city and a nation, and continues to haunt us, *Forty Autumns* is an intimate and beautifully written story of courage, resilience, and love—of five women whose spirits could not be broken, and who fought to preserve what matters most: family. *Forty Autumns* is illustrated with dozens of black-and-white and color photographs.

1936, Nazi-ruled Berlin. A heartbreaking and stunningly powerful novel of friendship, courage and betrayal, about two girls whose lives collide in war-torn Berlin, and whose friendship is the only thing that might get them out alive. They sat together on the roof, watching Berlin burn, as traces of smoke and cloud floated through the air. “I just want to be free,” Rosa said quietly, “Even if only for a few minutes. It might be the last chance I have.” From her beautiful new home in Berlin, a young woman named Liesel Scholz barely notices the changes to the city around her. Her life is one of privilege and safety thanks to her father’s job working for the new government. But a chance encounter with Rosa, the daughter of their Jewish housekeeper, confirms Liesel’s fears that something isn’t right. That the Nazi government’s brutal rules are cruel and dangerous, and that others aren’t as safe as she is. When Rosa begs Liesel to help—pressing her grandfather’s gold pocket watch into Liesel’s hand—Liesel recklessly agrees. She will help hide Rosa and her loved ones—in the dusty, unused rooms at the top of their house—even if it means

Download Free Cafe In Berlin

putting everyone she loves in danger. Even if it means risking her own life. Frankfurt, 1946: An idealistic American captain, Sam Houghton, arrives in Germany to interrogate prominent Nazis on trial and to help rebuild a battered country. When he hires an enigmatic, damaged interpreter named Anna, he doesn't expect sparks to fly between them. Perhaps there is a chance of love for both of them. But then the question of what happened to Anna in the war raises its head. Because Anna has secrets—ones that link her to Berlin, the Nazi party, and the story of one gold pocket watch and two young women who became friends, even when they were told it was impossible... A compelling and haunting story about courage, love and betrayal set in war-torn Berlin. Fans of *The Alice Network*, *All the Light We Cannot See* and *The Nightingale* will be not be able to put this down. Readers are loving *The Girl from Berlin*: “Beautiful, strong and absorbing... I confess to shedding tears... This is a powerhouse of emotions, activity and full of heart... An absorbing read, intelligently written, pacey and a real page turner. It gripped me from the very beginning.”

Reviewing Recommended Reads, ????? “I was utterly engrossed from the start... so haunting and raw, it hits you deep into your very core... A heartbreaking and yet powerful novel... utterly amazing... I devoured it and felt so upset when I finished it... I cannot praise it enough... [A] raw and heart wrenching novel that pulls at your heart strings but it's hard not to adore it for its power.”

A New York Review Books Original In 1905 the young Swiss writer Robert Walser arrived in Berlin to join his older brother Karl, already an important stage-set designer, and immediately threw himself into the vibrant social and cultural life of the city. Berlin Stories collects his alternately celebratory, droll, and satirical observations on every aspect of the bustling German capital, from its theaters, cabarets, painters' galleries, and literary salons, to the metropolitan street, markets, the Tiergarten, rapid-service restaurants, and the electric tram. Originally appearing in literary magazines as well as the feuilleton sections of newspapers, the early stories are characterized by a joyous urgency and the generosity of an unconventional guide. Later pieces take the form of more personal reflections on the writing

Download Free Cafe In Berlin

process, memories, and character studies. All are full of counter-intuitive images and vignettes of startling clarity, showcasing a unique talent for whom no detail was trivial, at grips with a city diving headlong into modernity. Humic Substances color all waters more or less brown. Their concentrations exceed all carbon of living organisms by at least one order of magnitude. Opposite to former paradigms, they participate in almost any metabolic pathway. They protect against UV-irradiation, enable indirect photolysis and, thus, purify hazardous chemicals, they provide inorganic and organic nutrients, may form cryptic genes with DNA and dampen metabolic fluctuations. More recently they can increase adverse effects of hazardous chemicals and they can directly interfere with organisms. The book tries to relate effects to structural features.

A fascinating historical novel about Hilde, a former orphan, who experiences Berlin on the cusp of WWII and discovers her own voice and sexuality and finds a family when she gets a job at a cabaret, by award-winning author Kip Wilson.

Learning German may seem like a difficult task. Especially when it comes to the nature of the German language. The good news is that's just a false presumption. Every language can be learned if you know the right technique and the right information. It is proven that the easiest way to learn a language is to hear it in action. Hearing a natural

german conversation is the best thing you can do, it's like listening to a story. Natural is the keyword in that sentence. A natural approach to learning the language is the fastest and simplest approach to do it. Why do you think you hear people learning a language extremely fast when they move to another country? Because they hear it naturally, every day. Learn German with stories . Maybe the easiest language learning system ever created. How does that sound to you? People listen to other people's stories. The human mind is programmed to like stories because that's what our life is. A story. And because of this very reason, I've crafted stories that will easily cut you months of struggling to learn German. There will no longer be a "struggle". Moving to Germany just to learn German is not a solution . That's why my book "brings" Germany to you. It brings stories to you. Learning German with my stories will grab your mind into believing that you will actually "live" into German conversations. When you're reading a story, you feel like you're there. The same concept applies to learning German with stories. About my learning German with stories book : It contains 150 short stories about everyday situations Every story is followed by questions and key vocabulary The more you read, the easier your brain will automatically get used to the German language (isn't that easily beautiful?) It includes more than 900 digital flashcards for those not able to

Download Free Cafe In Berlin

understand the book completely from the beginning
It uses psychologically inserted KEY PATTERNS to make your brain automatically easily learn sentences and words (this is key) The book uses a read-word-repeat writing system along the stories for natural, fluid learning (heavy repetition = higher retention rate) The Benefits of using my book: Easily learn German with stories Feel at ease when reading & learning with the flow of the stories No struggle forcing to learn words/phrases Learn at your own pace Feel confident in your German language skills after a few weeks ONLY Once you learn, you NEVER forget Learn German with my stories (the easy way)

In the years between Germany's defeat in World War I and the reign of the Nazis, the underground clubs and cabarets of Berlin pulsed with the frenetic energy of rebellion. Suspended on the precipice of global catastrophe, a young counterculture emerged in the Weimar capital, where—if only for a moment—races and religions mixed, jazz music resounded, and liquor flowed in abundance. In Harold Nebenzal's daring, suspenseful novel *Café Berlin*, this high-flying scene forms the backdrop for a thrilling tale of love and the universal human yearning to be free, even under the yoke of totalitarianism. Daniel Saporta is a young Jewish immigrant from Damascus, who comes to Berlin in search of fame, fortune, or at least a good party. He

Download Free Cafe In Berlin

begins a tumultuous love affair with Samira, an exotic dancer secretly under the employ of British Intelligence. When Samira uncovers a conspiracy involving Adolf Hitler and the Grand Mufti of Jerusalem, Daniel is drawn inexorably into an underground world of espionage, sex, and dire political stakes. Presented as a series of diary entries written years later, while Daniel is in hiding during the war, Café Berlin recounts his fleeting memory of the club and the German society now laid waste by the war. First published by Overlook to great acclaim in 1991, Café Berlin is available once again, offering an incredible story of decadence and defiance during Nazi Germany's rise to power. Tells the story of Sophie Scholl, a young German college student who challenges the Nazi regime during World War II as part of the White Rose, a non-violent resistance group.
