A fascinating investigation of a beloved comic strip The internet is home to impassioned debates on just about everything, but there's one thing that's universally beloved: Bill Watterson's comic strip Calvin and Hobbes. Until its retirement in 1995 after a ten-year run, the strip won numerous awards and drew tens of millions of readers from all around the world. The story of a boy and his best friend — a stuffed tiger — was a pitch-perfect distillation of the joys and horrors of childhood, and a celebration of imagination in its purest form. In Let's Go Exploring, Michael Hingston mines the strip and traces the story of Calvin's reclusive creator to demonstrate how imagination — its possibilities, its opportunities, and ultimately its limitations — helped make Calvin and Hobbes North America's last great comic strip.

Excerpt: Calvin and Hobbes is a syndicated daily comic strip that was written and illustrated by American cartoonist Bill Watterson, and syndicated from November 18, 1985, to December 31, 1995. It follows the humorous antics of Calvin, a precocious and adventurous six-year-old boy, and Hobbes, his sardonic stuffed tiger. The pair are named after John Calvin, a 16th-century French Reformation theologian, and Thomas Hobbes, a 17th-century English political philosopher. At the height of its popularity, Calvin and Hobbes was featured in over 2,400 newspapers worldwide; as of January 2010, reruns of the strip still appear in more than 50 countries. Nearly 45 million copies of the 18 Calvin and Hobbes books have been sold. Calvin and Hobbes is set in the contemporary United States in an unspecified suburban area. The strip depicts Calvin's flights of fantasy and his friendship with Hobbes, and also examines Calvin's relationships with family and classmates. Hobbes' dual nature is a defining motif for the strip: to Calvin, Hobbes is a live anthropomorphic tiger; all the other characters see him as an inanimate stuffed toy. Though the series does not mention specific political figures or current events, it does explore broad issues like environmentalism, public education, and the flaws of opinion polls. Calvin and Hobbes was conceived when Bill Watterson, working in an advertising job he detested, began devoting his spare time to cartooning, his true love. He explored various strip ideas but all were rejected by the syndicates. United Feature Syndicate finally responded positively to one strip, which featured
