The Hindu Samskaras give expression to aspirations and ideals of the Hindus. They aim at securing the welfare of the performer and developing his personality. They go back to a hoary antiquity. The Vedas, the Brahmanas, the Grhyasutras, the Dharmasutras, the Smritis and other treatises describe the rites, ceremonies and customs here and there but they do not present them in their historical evolution. The present work is a systematic study of all the Samskaras enjoined to be performed at the various epochs in the life of an individual from conception to crematorium. The author has cited parallels in other religions to show that they are universal and have a recognised place in ancient cultures and are still represented within the limits of modern religion. He has also shown that the sacramental beliefs and practices, far from being an irrational priestcraft, are consistent and logical and have practical utility and intention. This work discusses the source, meaning, number, purpose and the constituents of Samskaras grouped under five heads: prenatal, natal, educational, nuptial and funeral. Besides being a landmark in Hindu culture, it presents patterns of life based on high ethical, spiritual and humanistic values.

Sujata Bhatt's first book of poems, the award-winning *Brunizem*, appeared in 1988. In a very short time she has gained recognition as one of the distinct and reckonable new voices. She has things to say about her native India and her native tongue (Gujarati), about America and Britain, and about Germany where she now lives. She is, the *New Statesman* declared, 'one of the finest poets alive', and alive in a unique way to language, to issues of politics and gender, to place and history. Hers is a remarkable complete imagination, generous and at the same time unsparingly severe in its quest for the difficult truths of experience.

This is a new edition of an existing textbook, with updated content for the 2006 syllabus. It is designed to be a student main text, and contains all you need to pass the IGCSE Extended exam.
