## File Type PDF Camera Collectable Price Guide

is the only collectible-camera guide that can be easily carried. Contains more than 1,000 photographs, with a price and rarity code under each photo.

The Blue Book has always tried to encompass every possible camera, however esoteric. The new edition aims to include the cameras you are likely to come across in your search to expand your collection, or to help you start a progressive interest in collecting. The book covers "new collectables", most manufactured in the period from 1945 up to the commencement of the autofocus era. This is the type of camera you are most likely to find at an affordable price, a camera both usable and collectable and part of the fast development in the post-war era, from the mechanical to the electronic period. The early period and the important period prior to WWII have been retained and expanded.

The only comprehensive pocket-sized, annual price guide for collectibles and antiques. In addition to providing the most accurate descriptions and prices for over 50,000 items each year, Warman's is the first source for historical information, references, collector's clubs, and reproduction information on over 500 major collecting categories.
