beautifully illustrated book captures the essence of Carl Barks, the man who brought Donald Duck into the hearts of a generation of Americans. Only Michael Barrier, who is uniquely familiar with both Bark's life and works, could assemble this definitive introduction to Barks' creations. Barrier traces Barks' life as a young cartoonist who eventually joined the Walt Disney Studios during the depression. Upon joining the Western Publishing Company in 1942, Barks produced vivid tales which captured comic book readers' imaginations for the following two decades. Barks brought to life such unforgettable characters as Uncle Scrooge, the Beagle Boys, and the other zany inhabitants of Duckburg. Although Barks' art was readily accessible to children, his stories contained satire aimed at the foibles of a nation immersed in the Cold War and new-found material success. In addition to chronicling Barks' life, this book provides a definitive bibliography of Barks' works. The bibliography is enhanced by quotations from Barks on specific works as well as comments from Kim Weston. Cost \$90.00 plus shipping and handling.
