What if Life Wasn't About 50 Years of Wage-Slavery, Paying Bills and then Dying? Tired of sleepwalking through a mediocre life bribed by mindless video-gaming, redemptive weekends, and a scant paycheck from a soul-suffocating job? Welcome to the SCRIPTED club— where membership is neither perceived or consented. The fact is, ever since you've been old enough to sit obediently in a classroom, you have been culturally engineered for servitude, unwittingly enslaved into a Machiavellian system where illusionary rules go unchallenged, sanctified traditions go unquestioned, and lifelong dreams go unfulfilled. As a result, your life is hijacked and marginalised into debt, despair, and dependence. Life's death sentence becomes the daily curse of the trivial and mundane. Fun fades. Dreams die. Don't let life's consolation prize become a car and a weekend. Recapture what is yours and make a revolutionary repossession of life-and-liberty through the pursuit of entrepreneurship. A paradigm shift isn't needed—the damn paradigm needs to be thrown-out altogether. The truth is, if you blindly follow conventional wisdom pushed by conventional people living conventional lives, can you expect to be anything but conventional? Rewrite life's script: ditch the job, give Wall Street the bird, and escape the insanity of trading your life away for a paycheck and an elderly promise called retirement. UNSCRIPT today and start leading life— instead of life leading you.

Master the art of what to say in your funnels to convert your online visitors into lifelong customers in this updated edition from the \$100M entrepreneur and co-founder of

the software company ClickFunnels. Your business is a calling. You've been called to serve a group of people with the products, services, and offers that you've created. People come into your funnels looking for a solution to their problems. By positioning yourself as an expert and learning how to tell your story in a way that gets people to move, you are able to guide people through your value ladder, giving them the results they are looking for. This is how you change the lives of your customers, and this is how you grow your company. Most people who put their products up for sale don't understand that their expertise is the key to actually selling the product. Your story, why you created this offer, and why you started your movement are what initially get people to convert and then continue to stay with you over time. Your message has the ability to change someone's life. The impact that the right message can have on someone at the right time in their life is immeasurable. Your message could help to save marriages, repair families, change someone's health, grow a company, or more . . . But only if you know how to get it into the hands of the people whose lives you have been called to change. Expert Secrets will help you find your voice and give you the confidence to become a leader . . . Expert Secrets will show you how to build a movement of people whose lives you can change . . . Expert Secrets will teach you how to make this calling a career.

Barely one in a hundred businesspeople knows these facts about creating powerful advertising. Do You? FACT! Sixty percent of people read only headlines. Your headline must stop them or your advertising will likely fail. FACT! Captions under photos get 200 percent greater readership than non-headline copy. FACT! Ads with sale prices draw 20 percent more attention. FACT! Half-page ads pull about 70 percent of full-page ads; quarter-page ads pull about 50 percent of full-page ads. FACT! Four-color ads are up to 45 percent more effective than black and white. New York's biggest ad agencies use dozens of these little-known secrets every day to influence people to buy. And now—thanks to Cashvertising—you can, too. And it won't matter one bit whether you're a corporate giant or a mom-and-pop pizza shop. These techniques are based on human psychology. They work no matter where you're located, no matter what kind of product or service you sell, and no matter where you advertise. In fact, most don't cost a penny to use. Like a wild roller-coaster ride through the streets of Madison Avenue, Cashvertising teaches you the tips, tricks, and strategies that New York's top gun copywriters and designers use to persuade people to buy like crazy. No matter what you sell—or how you sell it, this practical, fast-paced book will teach you: How to create powerful ads, brochures, sales letters, Websites, and more How to make people believe what you say “Sneaky” ways to persuade people to respond Effective

inner workings of America's ad agencies, and the minds of those who never cease to astound us with both their creative genius and profound stupidity. After just one reading, you'll never see advertising the same way again." —Drew Eric Whitman, bestselling author of *Cashvertising* How can the ad industry even exist when almost all of the products that it produces fall on a continuum from flawed to failed? What is it about this industry and the process of creating, selling, and producing ads that causes so much advertising to be so bad? These are the questions answered in *Badvertising*. A provocative, truth-to-power exposé of ad agencies' flaws, foibles, and failings—and why they matter to the consumer and to those in the business. Morris, an advertising legend known as "Tagline Jim," surveys myriad advertising "agents of stupidity." edition from the \$100M entrepreneur and co-founder of the software company ClickFunnels. DotCom Secrets is not just another "how-to" book on internet marketing. This book is not about getting more traffic to your website--yet the secrets you'll learn will help you to get exponentially more traffic than ever before. This book is not about increasing your conversions--yet these secrets will increase your conversions more than any headline tweak or split test you could ever hope to make. Low traffic or low conversion rates are symptoms of a much greater problem that's a little harder to see (that's the bad news), but a lot easier to fix (that's the good news). What most businesses really have is a "funnel" problem. Your funnel is the online process that you take your potential customers through to turn them into actual customers. Everyone has a funnel (even if they don't realize it), and yours is either bringing more customers to you, or repelling them. In this updated edition, Russell Brunson, CEO and co-founder of the multimillion-dollar software company ClickFunnels, reveals his greatest secrets to generating leads and selling products and services after running tens of thousands of his own split tests. Stop repelling potential customers. Implement these processes, funnels, frameworks, and scripts now so you can fix your funnel, turn it into the most profitable member of your team, and grow your company online.

An intimate and profound reckoning with the changes buffeting the \$2 trillion global advertising and marketing business from the perspective of its most powerful players, by the bestselling author of Googled Advertising and marketing touches on every corner of our lives, and the industry is the invisible fuel powering almost all media. Complain about it though we might, without it the world would be a darker place. But of all the industries wracked by change in the digital age, few have been turned on their heads as dramatically as this one. Mad Men are turning into Math Men (and women--though too few), an instinctual art is transforming into a science, and we are a long way from the days of Don Draper. Frenemies is Ken Auletta's reckoning with an industry under existential assault. He enters the rooms of the ad world's most important players, meeting the old guard as well as new powers and power brokers, investigating their perspectives. It's essential reading, not simply because of what it reveals about this world, but because of the potential consequences: the survival of media as we know it depends on the money generated by advertising and

marketing--revenue that is in peril in the face of technological changes and the fraying trust between the industry's key players.

Obvious Adams: The Story of a Successful Business Man, originally published in the Saturday Evening Post in 1916, is a classic story of a business man in the field of advertising and his journey to business success. It is a story which has lead individuals with business ideas to garner great success in the world of business and in their professions. This Robert Updegraff classic is often used in business schools and by individuals studying entrepreneurship, advertising, and business.

A series of letters by history's greatest copywriter Gary C. Halbert, explaining insider tactics and sage wisdom to his youngest son Bond. Once only available as part of a paid monthly premium, The Boron Letters are unique in the marketing universe and now they are a bona fide cult classic among direct response marketers and copywriters around the world. The letters inside are written from a father to a son, in a loving way that goes far beyond a mere sales book or fancy "boardroom" advertising advice...It's more than a Master's Degree in selling & persuasion...it's hands-down the best SPECIFIC and ACTIONABLE training on how to convince people to buy your products or services than I have ever read. The Boron Letters contain knowledge well beyond selling. The letters also explain how to navigate life's hurdles. This marketing classic is personal and easily digestible. Plus... immediately after reading the first chapters, you can go out and make money and a real, noticeable difference in your marketplace. There

are very few successful direct response marketers (online or off) who don't owe something to Gary Halbert...and for many of them, The Boron Letters is the crown jewel in their collection. Copywriters and marketers read and re-read The Boron Letters over and over again for a reason. These strategies, secrets and tips are going to be relevant 5, 10, even 100 years from now because they deal honestly with the part of human psychology which never changes, how to convince and convert folks into buyers. Bottom line? Read the first chapter. Get into the flow of Gary's mind. Then read the second. I dare you to NOT finish the entire darn thing. After you put a few of the lessons into practice, you too will find yourself reading The Boron Letters again and again like so many of today's top marketers. If you don't already have your copy get it now. I promise you won't regret it. My best, Lawton Chiles

In *The 4 Day Week*, entrepreneur and business innovator Andrew Barnes makes the case for the four-day week as the answer to many of the ills of the 21st-century global economy. Barnes conducted an experiment in his own business, the New Zealand trust company Perpetual Guardian, and asked his staff to design a four-day week that would permit them to meet their existing productivity requirements on the same salary but with a 20% cut in work hours.

The outcomes of this trial, which no business leader had previously attempted on these terms, were stunning. People were happier and healthier, more engaged in their personal lives, and more focused and productive in the office. The world of work has seen a dramatic shift in recent times: the former security and benefits associated with permanent employment are being displaced by the less stable gig economy. Barnes explains the dangers of a focus on flexibility at the expense of hard-won worker protections, and argues that with the four-day week, we can have the best of all worlds: optimal productivity, work-life balance, worker benefits and, at long last, a solution to pervasive economic inequities such as the gender pay gap and lack of diversity in business and governance. The 4 Day Week is a practical, how-to guide for business leaders and employees alike that is applicable to nearly every industry. Using qualitative and quantitative data from research gathered through the Perpetual Guardian trial and other sources by the University of Auckland and Auckland University of Technology, the book presents a step-by-step approach to preparing businesses for productivity-focused flexibility, from the necessary cultural conditions to the often complex legislative considerations. The story of Perpetual Guardian's unprecedented work experiment has made headlines around the world and stormed social

Is the financial plan of mediocrity -- a dream-stealing,

soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there

is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

Identifying "action" as the most important virtue in measuring success, the author offers a humorous collection of anecdotes that are designed to encourage readers to take action in the moment and approach life with a "carpe diem" attitude.
