Film plays a vital role in the celebration of Christmas. For decades, it has taught audiences about what the celebration of the season looks like – from the decorations to the costumes and to the expected snowy weather – as well as mirrors our own festivities back to us. Films like *It's a Wonderful Life* and *Home Alone* have come to play key roles in real-life domestic celebrations: watching such titles has become, for many families, every bit as important as tree-trimming and leaving cookies out for Santa. These films have exported the American take on the holiday far and wide and helped us conjure an image of the perfect holiday. Rather than settling the 'what is a Christmas film?' debate – indeed, *Die Hard* and *Lethal Weapon* are discussed within – *Analyzing Christmas in Film: Santa to the Supernatural* focuses on the how Christmas is presented on the deluge of occasions when it appears. While most Christmas films are secular, religion makes many cameos, appearing through Nativity references, storylines involving spiritual rebirth, the framing of Santa as a Christ-like figure and the all-importance of family, be it the Holy family or just those gathered around the dining table. Also explored are popular narratives involving battles with stress and melancholy, single parents and Christmas martyrs, visits from ghosts and angels, big cities and small towns, break-ups and make-ups and the ticking clock of mortality. Nearly 1000 films are analyzed in this volume to determine what the portrayal of Christmas reveals about culture, society and faith as well as sex roles, consumerism, aesthetics and aspiration.

This is a major new assessment of the American movie industry in the 1990's, focusing on the development of new communication technologies such as cable and home video and

examining their impact on the production and distribution of motion pictures.

The main driver of inequality—returns on capital that exceed the rate of economic growth—is again threatening to generate extreme discontent and undermine democratic values. Thomas Piketty’s findings in this ambitious, original, rigorous work will transform debate and set the agenda for the next generation of thought about wealth and inequality.

“Annabel Dodd has cogently untangled the wires and switches and technobabble of the telecommunications revolution and explained how the introduction of the word ‘digital’ into our legislative and regulatory lexicon will affect consumers, companies and society into the next millennium.” – United States Senator Edward J. Markey of Massachusetts; Member, U.S. Senate Subcommittee on Communications, Technology, Innovation, and the Internet “Annabel Dodd has a unique knack for explaining complex technologies in understandable ways. This latest revision of her book covers the rapid changes in the fields of broadband, cellular, and streaming technologies; newly developing 5G networks; and the constant changes happening in both wired and wireless networks. This book is a must-read for anyone who wants to understand the rapidly evolving world of telecommunications in the 21st century!” – David Mash, Retired Senior Vice President for Innovation, Strategy, and Technology, Berklee College of Music Completely updated for current trends and technologies, *The Essential Guide to Telecommunications*, Sixth Edition, is the world’s top-selling, accessible guide to the fast-changing global telecommunications industry. Writing in easy-to-understand language, Dodd demystifies today’s most significant technologies, standards, architectures, and trends. She introduces leading providers worldwide, explains where they fit in the marketplace, and reveals their key strategies. New topics covered in this edition include: LTE Advanced and 5G

90s nostalgia is entering full bloom. Indeed, one of 2021's biggest tours is poised to be Alanis Morissette with openers Garbage and Liz Phair. This is the music Generation X came of age listening to--the songs that millennials cut their teeth on. In *Lived Through This*, seasoned photographer and music enthusiast Mike Hipple shares personal and engaging photographic portraits of dozens of the 90s' greatest artists. Each portrait is paired with an interview that reveals the details of each musician's time in the limelight and where their lives have taken them. Their words and images are open, honest, inspiring, and revealing, offering profound and humorous memories and gems of wisdom that will resonate with fans and music lovers alike. From Nirvana's Krist Novoselic to Magnapop's Ruthie Morris and Linda Hopper to Arrested Development's Speech, the portraits and stories featured in *Lived Through This* cover a wide range of rock, rap, and indie stars. Whether they were chart toppers or underground sensations, the artists in Hipple's epic collection tell the story and reawaken the songs of a pivotal generation of musicians.

The Essential Guide to Telecommunications Prentice Hall

The host of a national weekly television talk show Las Vegas tonight writes about the stories of spiritual journeys of people living in Las Vegas.

The creator and host of Wingshooting USA offers advice to hunters of pheasants, grouse and quail to help better train their hunting dogs to improve their efficiency in the sport through respect, communication and maximizing the canines' natural abilities.

Robert's Rules of Order Newly Revised, commonly referred to as Robert's Rules of Order, RONR, or simply Robert's Rules, is the most widely used manual of parliamentary procedure in the United States. It governs the meetings of a diverse range of organizations-including church groups, county commissions, homeowners associations, nonprofit associations, professional societies, school boards, and trade unions-that have adopted it as their parliamentary authority. The manual was first published in 1876 by .US Army officer Henry Martyn Robert, who adapted the rules and practice of Congress to the needs of non-legislative societies. Ten subsequent editions have been published, including major revisions in 1915 and 1970. The copyright to Robert's Rules of Order Newly Revised is owned by the Robert's Rules Association, which selects by contract an authorship team to continue the task of revising and updating the book. The 11th and current edition was published in 2011. In 2005, the Robert's Rules Association published an official concise guide, titled Robert's Rules of Order Newly Revised In Brief. A second edition of the brief book was published in 2011.

Are you settling for half the story? Highlighting connections that have been hidden from non-Jewish eyes, Rabbi Jason Sobel will connect the dots between the Old and New Testament, helping you see the Bible with clarity as God intended. Most people—even people of faith—do not understand how the Bible fits together. Too many Christians accept half an inheritance, content to embrace merely the New Testament, while Jewish people may often experience the same by embracing only the Old Testament. But God has an intricate plan and purpose for both the Old and the New. In *Mysteries of the Messiah*, Rabbi Jason Sobel reveals the many connections in Scripture hidden in plain sight. Known for his emphatic declaration “but there’s more!” he guides us in seeing the passion and purpose of the Messiah. *Mysteries of the Messiah: Uncovers connections between the Old and New Testaments* Connects the dots for readers with details about Jesus, the Torah, and biblical characters Written with the unique perspective of a rabbi with an evangelical theological degree No matter how many times you have read the Bible, *Mysteries of the Messiah* will bring fresh perspective and insight. God’s Word, written by many people over thousands of years, is not a random selection of people and stories. Rabbi Jason Sobel connects the dots and helps us see with clarity what God intended.

Television audio engineering is like any other business—you learn on the job—but more and more the industry is relying on a freelance economy. The mentor is becoming a thing of the past. **A PRACTICAL GUIDE TO TELEVISION SOUND ENGINEERING** is a

cross training reference guide to industry technicians and engineers of all levels. Packed with photographs, case studies, and experience from an Emmy-winning author, this book is a must-have industry tool.

In 1988, FIFA decreed that the 1994 World Cup would be played in the United States †“ with the condition that the U.S. would start a new professional league. The North American Soccer League had failed just four years prior, and the prospects of launching a new league for Americans, who didn’t share the rest of the world’s love for soccer, were both exciting and daunting. The United States of Soccer is the engaging history of MLS’s bootstrap origins prior to its 1996 launch, its near-demise in the early 2000s, its surprising resilience and growth in the following years, and its continued rise in respectability and recognition from soccer fans around the world. The book also explores the origin of a number of MLS’s best-known supporters groups †“ the superfans responsible for setting the tone within MLS stadiums and defining what it is to be a North American soccer fan. The book looks at how MLS helped develop the massive American audiences for the most recent men’s and women’s World Cups †“ peaking at 27 million for the 2015 Women’s World Cup finals †“ even as it looks to expand its number of franchises and grow its audience in a sports-saturated world. Phil West chronicles those fans’ voices †“ intermingled with league officials, former players and coaches, journalists, and newspaper accounts †“ to detail MLS’s remarkable journey for those new to the U.S.’s top-tier league, as well as those who think they

know the full MLS story.

Country music star and bestselling cookbook author Trisha Yearwood, host of Food Network's Trisha's Southern Kitchen, is back with an encore of recipes that once again share her family traditions and warm home-grown cooking style. In her debut cookbook, *Georgia Cooking in an Oklahoma Kitchen*, Trisha proved that there's much more to her than an award-winning country music career, as she welcomed us into her kitchen and served up a feast of flavorful meals and heartwarming personal anecdotes. Now, in *Cooking for Family and Friends*, Trisha opens her life and her kitchen once more with a trove of recipes from a lifetime of potlucks and colorful gatherings. Trisha has that southern hospitality gene and she's a big believer that cooking for someone else is an act of love. From breakfasts in bed to hearty casseroles and festive holiday meals, Trisha's delicious recipes are dedicated to her loved ones, including her husband Garth Brooks (who's her number one cooking fan and the contributor of a few knockout recipes of his own). Trisha knows how good it feels to bring something to the table. It brings everyone closer together if they've had a hand in preparing a meal. These recipes all come with memories attached—of potlucks with good friends, church suppers, family fish fries, and beach picnics, Mother's Day, and Christmas gatherings. Many are handed down from her mother, her aunts and

## Access Free Centurylink Tv Channel Guide

cousins, or longtime friends, while others are her own contemporary improvisations on classic southern fare. Each one—whether a main dish, a tasty side, or a decadent dessert—comes with a heartwarming story from Trisha's life that may remind you of some of your own favorite family foods, or inspire you to create new traditions. You don't have to be a southerner to enjoy Yearwood family specialties such as: • Hot Corn Dip • Cornbread Salad with French Dressing • Baked Bean Casserole • Jambalaya • Pumpkin Roll • Old Fashioned Strawberry Shortcake Plus, Trisha (and her sister and mother) offer up loads of practical advice, on everything from easily icing a cake to cutting a slice of pie, time-saving tips; and ingredient substitutions. With full-color photographs taken at Trisha's home, this soulful and sincere testament to a southern life well-lived will delight both country music fans and home cooks everywhere.

A show by show analysis of the Adult Swim Sunday night nonaction lineup including "Aqua Teen Hunger Force," "The Brak Show," "The Oblongs," "Space Ghost Coast to Coast," "Home Movies," "Tome Goes to the Mayor," "Harvey Birdman, Attorney at Law," "Family Guy," "Robot Chicken," "Mission Hill," "American Dad," a eulogy for "Sealab 2021" and more.

NOW THE HALLMARK MOVIES & MYSTERIES ORIGINAL TIME FOR ME TO COME HOME FOR CHRISTMAS! The fireplace is lit, the snow is falling, and

## Access Free Centurylink Tv Channel Guide

sleigh bells echo in the distance—it's Christmas, and it's time to come home in this charming holiday novel based on Dorothy Shackelford and Blake Shelton's hit song. Thirty-five-year-old Heath Sawyer has finally made it to the big-time as a country music star. After a year full of the kind of success he could only dream of, it's December 23, and he's headlining a sold-out show at Madison Square Garden. It's only as the lights on the stage go down and the Christmas lights outside come on that Heath realizes there's just one place he wants to be for the holidays: back home in Okmulgee, Oklahoma. But journeying anywhere on Christmas Eve is never easy, and with flight delays, inclement weather, and the unexpected company of a feisty young woman who's about to become his traveling companion, Heath will need a Christmas miracle to make his way home in time to open presents. Filled with touching anecdotes inspired by the real holiday memories of Blake Shelton and Dorothy Shackelford, *Time for Me to Come Home* is a sweet and funny story that celebrates the spirit of Christmas and the true meaning of finding your way back home. "It's funny how going back can get you back to where you belong. It's the difference between just a melody and my favorite Christmas song."

Broken Promises is the third book in a trilogy spanning 18 years. Bruce Kushnick, author, senior telecom analyst and industry insider, lays out, in all of the gory details, how America paid over \$400 billion to be the first fully fiber optic-based nation yet ended up 27th in the world for high-speed Internet (40th in upload speeds). But this is only a part of this story. With over four million people filing with the FCC to 'Free the Net', one thing is abundantly clear -- customers know something is terribly wrong. Every time you pay your bills you notice that the price of your services keeps going up, you don't have a serious choice for

## Access Free Centurylink Tv Channel Guide

Internet (ISP), broadband or cable service, much less competitors fighting for your business, or maybe you can't even get very fast broadband service. Worse, over the last few years, America's ISPs and cable companies have been rated "the most hated companies in America". While Net Neutrality concerns (detailed in Broken Promises) are important, the actions are only a first step and will most likely be tied up in court for the next few years. More importantly, it does not resolve most of the customer issues and there is nothing else on the horizon that will fix what's broken. Broken Promises documents the massive overcharging and failure to properly upgrade the networks, the deceptive billing practices, the harms caused from a lack of competition, the gaming and manipulating of the regulatory system, from the states to the FCC, and exposes the companies' primary strategy: How much can we get away with? There has been little, if any, regard for the customers they serve.--From

<http://newnetworks.com/bookbrokenpromises/> --(viewed on June 12, 2015).

For several months, prior to publication, some people were asking that we should write this book and that it be entitled, "The Message Of The Cross". • I believed then and now that their request was from the Lord. Consequently, this book is the result of that need. • This Message, "The Message Of The Cross" is the single most important Message of the Word in any language. The Salvation of the soul

## Access Free Centurylink Tv Channel Guide

and how we live for God is important beyond comprehension. • I feel every Believer will be greatly strengthened in the Word if they will avail themselves of this publication.

Jenny runs away from home because her mother and sister are too busy for her, but being independent is only fun for a little while.

Your days of feeling enslaved, discouraged, and overwhelmed by your financial problems are over! From struggling financially all the way up to building a successful worldwide ministry and enjoying financial freedom, author Gary Keesee shares his journey and his proven successful principles so you can control your finances. You will learn the spiritual laws of God's Kingdom and exactly how to apply each principle discussed. Also clearly and expertly explained is how to: Find lost money. Put a plan in place to be out of debt in less than 7 years (including your mortgage!). Save in every area of life. See that the financial laws of the Kingdom can intersect with the natural realm to bring you freedom from worry and fear. From pitfalls to avoid to proactive steps to take, the path to financial freedom is clearly illuminated. Fixing the Money Thing is not a book of boring numbers and budgets—it is an inspirational book that will change your life in many positive and lucrative ways.

First and only comprehensive analysis of the infamous Groveland, Florida rape case

## Access Free Centurylink Tv Channel Guide

based on first-person interviews and extensive research. The true story (finally!) of a tragedy that began when a poor white girl accused four black men of rape.

WINNER OF THE 2021 JOYCE CAROL OATES PRIZE NAMED A BEST BOOK OF 2020 BY O MAGAZINE, THE NEW YORKER, THE WASHINGTON POST, REAL SIMPLE, THE GUARDIAN, AND MORE FINALIST FOR: THE STORY PRIZE, THE L.A. TIMES BOOK PRIZE, THE ASPEN WORDS LITERARY PRIZE, THE CHAUTAUQUA PRIZE “Sublime short stories of race, grief, and belonging . . . an extraordinary new collection . . .” —The New Yorker “Evans’s new stories present rich plots reflecting on race relations, grief, and love . . .” —The New York Times Book Review, Editor’s Choice “Danielle Evans demonstrates, once again, that she is the finest short story writer working today.” —Roxane Gay, The New York Times—bestselling author of *Difficult Women* and *Bad Feminist* The award-winning author of *Before You Suffocate Your Own Fool Self* brings her signature voice and insight to the subjects of race, grief, apology, and American history. Danielle Evans is widely acclaimed for her blisteringly smart voice and X-ray insights into complex human relationships. With *The Office of Historical Corrections*, Evans zooms in on particular moments and relationships in her characters’ lives in a way that allows them to speak to larger issues of race, culture, and history. She introduces us to Black and multiracial characters who are experiencing the universal confusions of lust and love, and getting walloped by grief—all while exploring how history haunts us, personally and collectively. Ultimately,

## Access Free Centurylink Tv Channel Guide

she provokes us to think about the truths of American history—about who gets to tell them, and the cost of setting the record straight. In “Boys Go to Jupiter,” a white college student tries to reinvent herself after a photo of her in a Confederate-flag bikini goes viral. In “Richard of York Gave Battle in Vain,” a photojournalist is forced to confront her own losses while attending an old friend’s unexpectedly dramatic wedding. And in the eye-opening title novella, a black scholar from Washington, DC, is drawn into a complex historical mystery that spans generations and puts her job, her love life, and her oldest friendship at risk.

Many teens today who use the Internet are actively involved in participatory cultures—joining online communities (Facebook, message boards, game clans), producing creative work in new forms (digital sampling, modding, fan videomaking, fan fiction), working in teams to complete tasks and develop new knowledge (as in Wikipedia), and shaping the flow of media (as in blogging or podcasting). A growing body of scholarship suggests potential benefits of these activities, including opportunities for peer-to-peer learning, development of skills useful in the modern workplace, and a more empowered conception of citizenship. Some argue that young people pick up these key skills and competencies on their own by interacting with popular culture; but the problems of unequal access, lack of media transparency, and the breakdown of traditional forms of socialization and professional training suggest a role for policy and pedagogical intervention. This report aims to shift the conversation

## Access Free Centurylink Tv Channel Guide

about the "digital divide" from questions about access to technology to questions about access to opportunities for involvement in participatory culture and how to provide all young people with the chance to develop the cultural competencies and social skills needed. Fostering these skills, the authors argue, requires a systemic approach to media education; schools, afterschool programs, and parents all have distinctive roles to play. The John D. and Catherine T. MacArthur Foundation Reports on Digital Media and Learning

The Five Elements brings the wisdom of an ancient healing system to modern readers, helping them understand themselves--why they do what they do--better. Dondi Dahlin shows us that we are all born with individual rhythms that go beyond the influence of our genes and upbringing. The five elements originated in ancient Chinese medicine over 2,000 years ago--when scholars theorized that the universe is composed of five forces: water, wood, fire, earth, and metal. Understanding these elements helps us stay in balance physically, mentally, spiritually, and emotionally. By explaining the efficacy of wood, the depth of water, the joy of fire, the compassion of earth, and the wisdom of metal, this book helps people understand themselves and form lasting connections to others, answering the age-old question of why we do what we do.

“Annabel Dodd is a maestro when it comes to demystifying even the most complex telecommunications policies. She takes on the range of issues in the telecom world that shape how we learn, share information, conduct business, and enjoy entertainment.

Because Zenon creates trouble at her space station home somewhere in the Milky Way, her parents send her to her grandparent's farm on Earth to work for the summer. Fueled by seed money from their son and grandson as a Christmas gift, Sharon & Tom made plans for a trip "out west". They had a goal to drive their 89 yr. old Model A Ford to all the lower 48 states. They lacked only eight. Those states were probably the hardest to get to because of their mountainous terrains, Utah, Idaho, Oregon, Washington, California, Nevada, Arizona and New Mexico. Still grieving from the sudden death of their daughter in May and feeling numb, will they be able to leave on the trip? Will the 89 ear old car be able to drive thousands of miles without breaking down? Will Sharon and Tom be able to make the trip? They were only 10 years younger than the car. At the Four Corners. euphoria reigned! Constantly throughout the trip they felt the protection of God. They were amazed and grateful for the help that befell them without asking. What is the next challenge for Tom and Sharon? Driving Abigail for 300,000 miles. Sharon and Tom are retired from their professional careers of

## Access Free Centurylink Tv Channel Guide

nursing and floor coverings sales/management. When Sharon is not riding shot-gun for Tom, she enjoys visiting with her two therapy dogs, flower gardening and dollhouses. Tom says, 'If you own a Model A, you always have something to do'. So that takes care of his spare time besides being number one handyman at home. They both hail from Wisconsin and now reside in northeastern Indiana with their two rough Collies, Francis and Patches and kitty, Montana.

**NEW YORK TIMES BESTSELLER** • A story-driven collection of essays on the twelve powerful phrases we use to sustain our relationships, from the bestselling author of *Glitter and Glue* and *The Middle Place* “Kelly Corrigan takes on all the big, difficult questions here, with great warmth and courage.”—Glennon Doyle **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY REAL SIMPLE AND BUSTLE** It’s a crazy idea: trying to name the phrases that make love and connection possible. But that’s just what Kelly Corrigan has set out to do here. In her New York Times bestselling memoirs, Corrigan distilled our core relationships to their essences, showcasing a warm, easy storytelling style. Now, in *Tell Me More*, she’s back with a deeply personal, unfailingly honest, and often hilarious examination of the essential phrases that turn the wheel of life. In “I Don’t Know,” Corrigan wrestles to make peace with uncertainty, whether it’s over invitations that never came or a friend’s agonizing infertility. In “No,” she admires her mother’s ability to set boundaries and her liberating willingness to be unpopular. In “Tell Me More,” a facialist named Tish teaches her something important about

## Access Free Centurylink Tv Channel Guide

listening. And in “I Was Wrong,” she comes clean about her disastrous role in a family fight—and explains why saying sorry may not be enough. With refreshing candor, a deep well of empathy, and her signature desire to understand “the thing behind the thing,” Corrigan swings between meditations on life with a preoccupied husband and two mercurial teenage daughters to profound observations on love and loss. With the streetwise, ever-relatable voice that defines Corrigan’s work, *Tell Me More* is a moving and meaningful take on the power of the right words at the right moment to change everything. Praise for *Tell Me More* “It is such a comfort just knowing that Kelly Corrigan exists: she is somehow both wise and self-deprecating; funny but unafraid of pain; frank but gentle. She is the sister/mother/best friend we all wish we could have—and because of this big-hearted book, we all get to.”—Ariel Levy, author of *The Rules Do Not Apply* “With full-bodied humor and radical sensitivity, Kelly Corrigan transforms the mundane pain of life into a necessary spiritual text of sorts, one that reminds us that we have the right to grieve but the obligation to be grateful. This book will remind you that you are human—and of the fragile loveliness of being so.”—Lena Dunham

A cookbook and backyard gardening and homesteading guide for women who want to grow food efficiently, cook seasonal recipes, or even try foraging, camping, and living off the land. Self-sufficiency is the ultimate girl power Georgia Pellegrini, outdoor adventurer and chef, helps you roll up your sleeves and tap

## Access Free Centurylink Tv Channel Guide

into your pioneer spirit. Grow a small-space garden and preserve a little deliciousness for the cold months; assemble the makings of a self-sufficient pantry; learn to navigate without a compass for your next camping trip; or even forage for plants that give you energy. Whether you're a full-time homesteader, a weekend farmer's market devoté, or anyone looking to do more by hand, this overflowing resource will help you hone new skills in the kitchen, garden, and great outdoors. It includes:

- More than 100 recipes for garden-to-table dishes, preserves, and cured foods

smoking with tea and hay—try it with fresh mozzarella. Here are recipes and full-color photos for dishes from Smoked Nachos to Chinatown Spareribs, Smoked Salmon to Smoked Bacon-Bourbon Apple Crisp. USA Today says, “Where there’s smoke, there’s Steven Raichlen.” Steven Raichlen says, “Where there’s brisket, ribs, pork belly, salmon, turkey, even cocktails and dessert, there will be smoke.” And Aaron Franklin of Franklin Barbecue says, “Nothin’ but great techniques and recipes. I am especially excited about the smoked cheesecake.” Time to go forth and smoke. “If your version of heaven has smoked meats waiting beyond the pearly gates, then PROJECT SMOKE is your bible.” —Tom Colicchio, author, chef/owner of Crafted Hospitality, and host of Top Chef “Steven Raichlen really nails everything you need to know. Even I found new ground covered in this smart, accessible book.” —Myron Mixon, author and host of BBQ Pitmasters, Smoked, and BBQ Rules

Offers advice on the most effective tools for tracking down family members, friends, and loved ones.

Ten years ago, the United States stood at the forefront of the Internet revolution. With some of the fastest speeds and lowest prices in the world for high-speed Internet access, the nation was poised to be the global leader in the new knowledge-based economy. Today that global competitive advantage has all but

vanished because of a series of government decisions and resulting monopolies that have allowed dozens of countries, including Japan and South Korea, to pass us in both speed and price of broadband. This steady slide backward not only deprives consumers of vital services needed in a competitive employment and business market—it also threatens the economic future of the nation. This important book by leading telecommunications policy expert Susan Crawford explores why Americans are now paying much more but getting much less when it comes to high-speed Internet access. Using the 2011 merger between Comcast and NBC Universal as a lens, Crawford examines how we have created the biggest monopoly since the breakup of Standard Oil a century ago. In the clearest terms, this book explores how telecommunications monopolies have affected the daily lives of consumers and America's global economic standing.

**INSTANT NEW YORK TIMES BESTSELLER** The first explosive book about Javanka and their infamous rise to power Jared Kushner and Ivanka Trump are the self-styled Prince and Princess of America. Their swift, gilded rise to extraordinary power in Donald Trump's White House is unprecedented and dangerous. In *Kushner, Inc.*, investigative journalist Vicky Ward digs beneath the myth the couple has created, depicting themselves as the voices of reason in an otherwise crazy presidency, and reveals that Jared and Ivanka are not just the

President's chief enablers: they, like him, appear disdainful of rules, of laws, and of ethics. They are entitled inheritors of the worst kind; their combination of ignorance, arrogance, and an insatiable lust for power has caused havoc all over the world, and may threaten the democracy of the United States. Ward follows their trajectory from New Jersey and New York City to the White House, where the couple's many forays into policy-making and national security have mocked long-standing U.S. policy and protocol. They have pursued an agenda that could increase their wealth while their actions have mostly gone unchecked. In Kushner, Inc., Ward holds Jared Kushner and Ivanka Trump accountable: she unveils the couple's self-serving transactional motivations and how those have propelled them into the highest levels of the US government where no one, the President included, has been able to stop them.
