But as a single father battling demons of his own, Noel can't do it alone. Fortunately, he has a competent, caring network of friends, family and neighbors: Lisa, his unlucky-in-love classmate, who moves in with him to help him care for little Frankie around the clock; his American cousin, Emily, always there with a pep talk; the newly retired Dr. Hat, with more time on his hands than he knows what to do with; Dr. Declan and Fiona and their baby son, Frankie's first friend; and many eager babysitters, including old friends Signora and Aidan and Frankie's doting grandparents, Josie and Charles. But not everyone is pleased with the unconventional arrangement, especially a nosy social worker, Moira, who is convinced that Frankie would be better off in a foster home. Now it's up to Noel to persuade her that everyone in town has something special to offer when it comes to minding Frankie. "Joyful, quintessential Binchy." —O, The Oprah Magazine

Maeve Binchy imagined a street in Dublin with many characters coming and going, and every once in a while she would write about one of these people. She would then put it in a drawer; "for the future," she would say. The future is now. Across town from St. Jarlath's Crescent, featured in *Minding Frankie*, is Chestnut Street, where neighbors come and go. Behind their closed doors we encounter very different people with different life circumstances, occupations, and sensibilities. Some of the unforgettable characters lovingly brought to life by Binchy are Bucket Maguire, the window cleaner, who must do more than he bargained for to protect his son; Nessa Byrne, whose aunt visits from America every summer and turns the house—and Nessa's world—upside down; Lilian, the generous girl with the big heart and a fiancé whom no one approves of; Melly, whose gossip about the neighbors helps Madame Magic, a self-styled fortune-teller, get everyone on the right track; Dolly, who discovers more about her perfect mother than she ever wanted to know; and Molly, who learns the cure for sleeplessness from her pen pal from Chicago . . . Chestnut Street is written with the humor and understanding that are earmarks of Maeve Binchy's extraordinary work and, once again, she warms our hearts with her storytelling. This eBook edition includes a Reading Group Guide.

From the *New York Times* bestselling author of *Circle of Friends* and *The Glass Lake* comes *This Year It Will Be Different*, a stunning new work that brings us the magic and spirit of Christmas in fifteen stories filled with Maeve Binchy's trademark wit, charm, and sheer storytelling genius. Instead of nostalgia, Binchy evokes contemporary life; instead of Christmas

homilies, she offers truth; and instead of sugarplums, she brings us the nourishment of holidays that precipitate change, growth, and new beginnings. In "A Typical Irish Christmas," a grieving New York widower heads for a holiday in Ireland and finds an unexpected destination not just for himself, but for a father and daughter at odds. The title story "This Year It Will Be Different" also delves into the emotions of a person at mid-life--a woman with a complacent husband and grown children who are entering a season that can forever alter her life, and theirs. In "Pulling Together," a teacher not yet out of her twenties sees her affair with a married man at a turning point as Christmas Eve approaches--and she may be off on a new direction with some unusual friends. And in the delightful tale "The Hard Core," the four most recalcitrant residents of a nursing home are left alone at Christmas with the owner's daughter in charge: the result is sure to be disaster--or the kind of life-affirming renewal that only the spirit of the season can bring. The stories in *This Year It Will Be Different* powerfully evoke many lives--step-families grappling with ex's, long-married couples faced with in-law problems, a wandering husband choosing between "the other woman" and his wife, a child caught in grown-up tugs-of-war--during the one holiday when feelings cannot be easily hidden. The time of year may be magical, imbued with meaning. But the situations are universal. And Maeve Binchy makes us care about them all. As the Philadelphia Inquirer noted, "Maeve Binchy's people come to life fully. They make you laugh and cry and disturb your sleep." They do precisely that in this extraordinary collection, on the night before Christmas when we are snug in our beds, or anywhere, any time of the year.
