Angrboda's story begins where most witch's tales end: with a burning. A punishment from Odin for refusing to give him knowledge of the future, the fire leaves Angrboda injured and powerless, and she flees into a remote forest. There she is found by a man Loki, and her initial distrust grows into a deep and abiding love. Their union produces three unusual children, each with a secret destiny, who she is keen to raise at the hidden from Odin's all-seeing eye. But as Angrboda slowly recovers her prophetic powers, she learns that her blissful life - and possibly all of existence - is in danger.

Find the sticker, peel the sticker, place the sticker. And sticker by sticker, a koala appears! Or an elephant, frog, red panda, puffin, peacock, snake, giraffe, tiger, or gorilla. (And no mess to clean up!) Designed for children ages 5 and up, Paint by Sticker Kids: Zoo Animals uses low-poly art—a computer style that renders 3-D images out of polygon shapes—and removable color stickers so that kids can create 10 vibrant works of art. The stickers are larger, as befits the younger audience, and the card stock pages are perforated for easy removal, making them suitable for displaying.
