Each song is given in two different keys (C and G), with capo information to help you find your best key for singing. .... This is a wonderful treasury of old-time Christian music perfect for session musicians or anyone wanting to learn more of this beautiful music. .... From the author: "In choosing what songs to include, I primarily selected ones I remember from my own childhood, growing up in Baptist and Pentecostal congregations in northern Ohio. I have also included the more hymn-like Christmas carols in this collection, since the hymnals I grew up with did so. My hope is that this book will help you along your own musical journey, and will also help to keep these wonderful traditional Christian hymns and spirituals alive for generations to come. Music revivals come and go, and music is always evolving and changing, but some classics stand the test of time. This book is my effort to help ensure these songs will endure. Happy strumming!"

But what is true worship? What does the Bible teach about the right—and the wrong—ways to worship God? In this book, pastors Brian Croft and Jason Adkins unpack a biblical theology of worship, discuss the practical matters of planning a worship service, and offer suggestions and insights on the best way to lead a worship service that honors the Lord. In a weaving together of contradictory realms—past and present, rustbelt city and rural/urban South, old-world Catholicism and backwoods Protestantism—Joseph Bathanti draws readers into the 1970s as protagonist George Dolce faces major upheaval in *The Life of the World to Come*. George aspires to leave his blue collar, Catholic neighborhood of East Liberty in Pittsburgh. He is on the cusp of graduation from college and headed for law school when he becomes entangled in a local gambling ring. After his father gets laid off at the steel mill, George dramatically increases his wagering to help his parents with finances. What's more, he allows his boss at his real job and love interest's father, a pharmacist named Phil Rosechild, to place bets through him with the gambling ring's volatile kingpin. As his parents' financial situation deteriorates, George delves deeper into gambling, and he even goes so far as to set up Phil by using the pharmacist's unschooled and ever-growing betting practices to his own end—cheating the father of the woman he loves. When Phil welves on a large bet that George has placed for him, George finds himself in life-threatening trouble and must abandon his law school dreams. He robs the pharmacy, steals the delivery car, and flees south. After his stolen car breaks down in Queen, North Carolina, he meets a young, mysterious woman known as Crow. The two form a bond and eventually take to the road in an attempt to reconcile their harrowing, often surreal destiny and to escape George's inevitable punishment.
