"The Christmas Books" contains five Christmas novels by Charles Dickens, including: "A Christmas Carol", "The Chimes", "The Cricket on the Hearth", "The Battle of Life", and "The Haunted Man and the Ghost's Bargain". Dickens's Christmas novels perfectly enraptured the spirit of the Victorian Christmas revival and even inspired a number of traditional aspects of the holiday, including seasonal food and drink, family gatherings, dancing, and more. Charles John Huffam Dickens (1812–1870) was an English writer and social critic famous for having created some of the world's most well-known fictional characters. His works became unprecedentedly popular during his life, and today he is commonly regarded as the greatest Victorian-era novelist. Although perhaps better known for such works as "Oliver Twist" or "A Christmas Carol", Dickens first gained success with the 1836 serial publication of "The Pickwick Papers", which turned him almost overnight into an international literary celebrity thanks to his humour, satire, and astute observations concerning society and character. This classic work is being republished now in a new edition complete with an introductory chapter from "Appreciations and Criticisms of the Works of Charles Dickens" by G. K. Chesterton.

Provides readers with the methods, algorithms, and means to perform text mining tasks This book is devoted to the fundamentals of text mining using Perl, an open-source programming tool that is freely available via the Internet (www.perl.org). It covers mining ideas from several perspectives--statistics, data mining, linguistics, and information retrieval--and provides readers with the means to successfully complete text mining tasks on their own. The book begins with an introduction to regular expressions, a text pattern methodology, and quantitative text summaries, all of which are fundamental tools of analyzing text. Then, it builds upon this foundation to explore: Probability and texts, including the bag-of-words model Information retrieval techniques such as the TF-IDF similarity measure Concordance lines and corpus linguistics Multivariate techniques such as correlation, principal components analysis, and clustering Perl modules, German, and permutation tests Each chapter is devoted to a single key topic, and the author carefully and thoughtfully introduces mathematical concepts as they arise, allowing readers to learn as they go without having to refer to additional books. The inclusion of numerous exercises and worked-out examples further complements the book's student-friendly format. Practical Text Mining with Perl is ideal as a textbook for undergraduate and graduate courses in text mining and as a reference for a variety of professionals who are interested in extracting information from text documents.

A Christmas Carol in Prose, Being a Ghost Story of Christmas, usually known just as A Christmas Carol is a fairy-tale novel by a British classic Charles Dickens, that was published in 1843. It consists of five chapters, or staves as the author named them. Among all the stories from Christmas Books by Dickens this one became the most popular story about Christmas in Great Britain and outside the country. The main character is an old gloomy miser Ebenezer Scrooge, who doesn't love anyone or anything except his money. He doesn't understand why everybody is so happy about Christmas and with disgust, refuses the invitation from his kind nephew to celebrate this holiday together with his family. On Christmas Eve, the ghost of his former business partner Jacob Marley appeared in front of Scrooge, and it changed him drastically...

"An extraordinary, often hilarious novel." --The New York Times A revelatory tale of love gained and lost, from a master of contemporary American fiction. Gerard sits, fully clothed, in his empty bathtub and pines for Benna. Neighbors in the same apartment building, they share a wall and Gerard listens for the sound of her toilet flushing. Gerard loves Benna. And then Benna loves Gerard. She listens to him play piano, she teaches poetry and sings at nightclubs. As their relationships ebbs and flows, through reality and imagination, Lorrie Moore paints a captivating, innovative portrait of men and women in love and not in love. Blackline masters written by a working primary teacher who appreciates the need for Christmas activities which are great fun, easily administered and also worthwhile and relevant within the curriculum. Many of the sheets are language and maths based. Others deal with religious education, art and design, and other areas of the curriculum.
