#1 NEW YORK TIMES BESTSELLING PHENOMENON

More than 6 million copies sold A Reese Witherspoon x Hello Sunshine Book Club Pick A Business Insider Defining Book of the Decade "I can't even express how much I love this book! I didn't want this story to end!"--Reese Witherspoon "Painfully beautiful."--The New York Times Book Review For years, rumors of the "Marsh Girl" have haunted Barkley Cove, a quiet town on the North Carolina coast. So in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the so-called Marsh Girl. But Kya is not what they say. Sensitive and intelligent, she has survived for years alone in the marsh that she calls home, finding friends in the gulls and lessons in the sand. Then the time comes when she yearns to be touched and loved. When two young men from town become intrigued by her wild beauty, Kya opens herself to a new life--until the unthinkable happens. *Where the Crawdads Sing* is at once an exquisite ode to the natural world, a heartbreaking coming-of-age story, and a surprising tale of possible murder. Owens reminds us that we are forever shaped by the children we once were, and that we are all subject to the beautiful and violent secrets that nature keeps.

Placing the tiaras upon their heads, they transform from regular girls into Super Duper Princess Heroes! Their new powers, however, come with strings attached: to keep the magic going, the girls need to help others, work together as a team, and always be humble about their abilities. Can these awesome girls rise to the challenge and help save the world? Through fun and adventure, the story of the Super Duper Princess Heroes conveys positive messages to young girls about independence, strength, teamwork, and responsibility, demonstrating how some princesses might have higher aspirations than wearing fancy gowns and glittering jewelry.

NEW YORK TIMES BESTSELLER • From two survivors of the Parkland, Florida, shooting comes a declaration for our times, and an in-depth look at the making of the #NeverAgain movement. On February 14, 2018, seventeen-year-old David Hogg and his fourteen-year-old sister, Lauren, went to school at Marjory Stoneman Douglas High School, like any normal Wednesday. That day, of course, the world changed. By the next morning, with seventeen classmates and faculty dead, they had joined the leadership of a movement to save their own lives, and the lives of all other young people in America. It's a leadership position they did not seek, and did not want--but events gave them no choice. The morning after the massacre, David Hogg told CNN: "We're children. You guys are the adults. You need to take some action and play a role. Work together. Get over your politics and get something done." This book is a manifesto for the movement begun that day, one that has already changed America--with voices of a new generation that are speaking truth to power, and are determined to succeed where their elders have failed. With moral force and clarity, a new generation has made it clear that problems previously deemed unsolvable due to powerful lobbies and political cowardice will be theirs to solve. Born just after Columbine and raised amid seemingly endless war and routine active shooter drills, this generation now says, Enough. This book is their statement of purpose, and the story of their lives. It is the essential guide to the #NeverAgain movement.

Then get your copy!” —Allison Janney, award-winning actress from Mom and I, Tonya “Great for kids this holiday season!” —Jessie Tyler Ferguson, award-winning actor from Modern Family From Will & Grace star Sean Hayes and composer Scott Icenogle comes a modern classic inspired by The Nutcracker about how the Sugar Plum Fairy got her wings. Plum will not stay glum. For as long as she can remember, Plum has lived at the Mary Fitzgerald Orphanage, wishing and hoping for a family. When a sudden snowfall threatens a delivery of presents on Christmas Eve, Plum is determined to save Christmas—even for the kids who laugh at her. Plum’s pure heart grants her an unexpected reward. When she eats a cake left behind by a mysterious magician, she is transported into the Land of Sweets. But Christmas here is threatened, too—by a sourness that is spreading from the center of the land. Plum’s determined to help, and in doing so, she might just find the family she’s always dreamed of, thanks to a good heart—and Christmas magic! Set in the charming town of Peachtree Bluff, “a compelling, beautifully drawn tale of love, hope, and small-town secrets” (Mary Alice Monroe, New York Times bestselling author) following a trio of sisters and their mother as they discover a truth that will change not only the way they see themselves but also how they fit together as a family. Sloane’s world crumbles after receiving the news that her military husband is missing in action. She can barely climb out of bed, much less summon the strength to be the parent her children deserve. Her mother, Ansley, provides a much-needed respite as she puts her personal life on hold to help Sloane and her grandchildren wade through their new grief-stricken lives. But between caring for her own aging mother, her daughters, and her grandchildren, Ansley’s private worry is that secrets from her past will come to light. But when Sloane’s sisters,

Taking a cue from her middle daughter, Ansley takes her own leap of faith and realizes that, after all this time, she might finally be able to have it all. Lyrical, warm-hearted, and charming, “Kristy Woodson Harvey has delivered another masterpiece with the second book in her beautifully Southern, evocative Peachtree Bluff series” (Kristin Harmel, author of *The Winemaker’s Wife*).

Academy award–winning actress, producer and entrepreneur Reese Witherspoon invites you into her world, where she infuses the southern style, parties and traditions she loves with contemporary flair and charm. Reese Witherspoon’s grandmother Dorothea always said that a combination of beauty and strength made southern women 'whiskey in a teacup'. We may be delicate and ornamental on the outside, she said, but inside we’re strong and fiery. Reese’s southern heritage informs her whole life, and she loves sharing the joys of southern living with practically everyone she meets. She takes the South wherever she goes with bluegrass, big holiday parties, and plenty of Dorothea’s fried chicken. It’s reflected in how she entertains, decorates her home, and makes holidays special for her kids - not to mention how she talks, dances and does her hair (in these pages, you will learn Reese’s fail-proof, only slightly insane hot-roller technique). Reese loves sharing Dorothea’s most delicious recipes as well as her favourite southern traditions, from midnight barn parties to backyard bridal showers, magical Christmas mornings to rollicking honky-tonks. It’s easy to bring a little bit of Reese’s world into your home, no matter where you live. After all, there’s a southern side to every place in the world, right?
