The instant New York Times bestseller! Hot on the heels of The Twin, the undisputed queen of YA thrillers is back with a scary and suspenseful read about a summer camp filled with dark secrets. Esme and Kayla once were campers at Camp Pine Lake. They're excited to be back this year as CITs (counselors in training). Esme loves the little girls in her cabin and thinks it's funny how scared they are of everything--spiders, the surly head counselor, the dark, boys . . . even swimming in the lake! It reminds her a little of how she and Kayla used to be, once. Before . . . it happened. Because Esme and Kayla did something bad when they were campers. Afterwards, the girls agreed to keep it secret. They've moved on--or so they say--and this summer is going to be great. Two months of sun, s'mores, and flirting with the cute boy counselors. But then they get a note. THE LAKE NEVER FORGETS. And the secret they've kept buried for so many years is about to resurface.

Door into the Dark, Seamus Heaney's second collection of poems, first appeared in 1969. Already his widely celebrated gifts of precision, thoughtfulness, and musicality were everywhere apparent.

Clary Fray just wishes that her life would go back to normal. But what's normal when you're a demon-slaying Shadowhunter, your mother is in a magically induced coma, and you can suddenly see Downworlders like werewolves, vampires, and faeries? If Clary left the world of the Shadowhunters behind, it would mean more time with her best friend, Simon, who's becoming more than a friend. But the Shadowhunting world isn't ready to let her go -- especially her handsome, infuriating, newfound brother, Jace. And Clary's only chance to help her mother is to track down rogue Shadowhunter Valentine, who is probably insane, certainly evil—and also her father. To complicate matters, someone in New York City is murdering Downworlder children. Is Valentine behind the killings—and if he is, what is he trying to do? When the second of the Mortal Instruments, the Soul-Sword, is stolen, the terrifying Inquisitor arrives to investigate and zooms right in on Jace. How can Clary stop Valentine if Jace is willing to betray everything he believes in to help their father? In this breathtaking sequel to City of Bones, Cassandra Clare lures her readers back into the dark grip of New York City's Downworld, where love is never safe and power becomes the deadliest temptation.

One of Jane Austen's most charming youthful "novels"-in-miniature—presented in a deluxe illustrated edition that will delight all Austen fans Most people think Jane Austen wrote only six novels. Fortunately for us, she wrote several others, though very short ones, while still a young girl. Austen was only twelve or thirteen when she wrote The Beautifull Cassandra, an irreverent and humorous little masterpiece. Weighing in at 465 occasionally misspelled words, it is a complete and perfect novel-in-miniature, made up of a dedication to her older sister Cassandra and twelve chapters, each consisting of a sentence or two. Narrating the slightly criminal adventures of the sixteen-year-old title character, The Beautifull Cassandra gives us Austen's most irrepressible heroine, who, after stealing a hat, leaves her mother's shop to flounce around London, eating ice cream (without paying), taking coach rides (without paying), and encountering handsome young ladies and gentlemen (without speaking)—all to return home hours later with whispered joy: "This is a day well spent." This charming edition features elegant and edgy watercolor drawings by Leon Steinmetz and is edited by leading Austen scholar Claudia L. Johnson. In her illuminating afterword, Johnson calls The Beautifull Cassandra "among the most brilliant and polished" of Austen's youthful writings—a precocious work written for the amusement of her family but already anticipating her mature irony, sense of the absurd, gift for parody, and, above all, stylistic mastery. The result is a marvelous edition of a literary treasure that is sure to delight.
