key questions.

In *Take the Journey*, author, historian, and educator James Percoco invites you and your students to the places where many events in American history happened. The Journey Through Hallowed Ground is a 180-mile National Heritage area encompassing such historic sites as the Gettysburg battlefield and Thomas Jefferson's home, Monticello. Though it might prove difficult to visit these particular sites with your students, Percoco argues that every community has a story that can be connected to larger themes in American history and that place-based history education can be made a part of every classroom, from Nevada to Washington to Pennsylvania. Filled with students' voices and an enthusiasm for American history, *Take the Journey* offers the following:

- Practical and easy-to-implement lessons
- Classroom-tested materials
- Specific directions for employing place-based best practices in the classroom
- Ways to meet state standards without sacrificing teacher creativity or hands-on learning
- Lists of resources and primary source materials

So bring your students along and let them discover the twists and turns offered by history and the Journey Through Hallowed Ground. We've asked dozens of people the following questions: "Could another civil war ever happen in the US?" and "What series comes after Marvels Civil War?". Here are the top answers. These answers were picked as being the most inspiring and

Asks and answers twenty questions about the Civil War.

Battles, Blood, Honor, and Heroism The nation's highest-casualty, bloodiest war is still discussed, studied, and acted out. It continues to affect the political boundaries of today. From the economic, political, and social forces behind the conflict, through the first shots fired at Fort Sumter, the military strategies, battles, and people, and from Lee's surrender at Appomattox to the Southern reconstruction and modern aftermath, The Handy Civil War Answer Book is a captivating, concise, and convenient history of America's defining conflict. The complex, turbulent, and difficult events leading to the war are explained. The genius and folly of Union and Confederate generals, major battles, and the experiences of lesser-known soldiers and civilians are examined.

Blending historical review with a little surprising trivia into an engaging question-and-answer format, it is perfect for browsing and answers more than 900 questions, including ... • How did the Mexican–American War influence 1850s America? • What was Robert E. Lee's connection to George Washington? • What was so important about the Homestead Act? • Would North and South have been reconciled if Lincoln had not been assassinated? • What became of Generals Grant and Lee after the war? How Did Texas Survive The Civil War? More specifically, how did Texas manage to repulse invading Union armies? And why were there no major battles like Antietam, Shiloh or Gettysburg fought in Texas? Answers include that Texas was too far, too

large and that Texans (over 80,000 fought in that terrible struggle) were too feisty. The Civil War in Texas and the Southwest answers the above while shedding new light on Texan audacity, bravery and just plain luck. Part one of the book provides a chronology of the tragically unsuccessful 1861-1862 invading expedition of Confederate General Sibley's Texas volunteers into New Mexico and Arizona. Sibley grandiously called his brigade the Confederate Army of New Mexico. Of the 3,700 Texans who left San Antonio on this campaign, only 2,000 stumbled back the next year. Part two contains little-known stories about failed Union efforts to conquer southern and eastern Texas between 1863-1865. For example, Galveston was occupied by Union forces in 1862, then recaptured during a six hour battle on New Years Day 1863. Further up the Texas coast at Sabine Pass, a Union flotilla of four warships, twenty-two troop transports loaded with 5,000 invasion troops was defeated by a young red-headed Irish Texan lieutenant and his 40 immigrant cannoneers from Eire. And who knows that 300 Texans repulsed 500 better-armed and provisioned Union troops at Palmito ranch in the southern tip of Texas? Palmito was the last battle of the war and was actually fought after Lees surrender. Author Sullivans previous, acclaimed book, *Scattered Graves: The Civil War Campaigns of Confederate General and Cherokee Chief Stand Watie*, depicts Waties leadership and hit-and-run tactics. He was the only Indian to be promoted to general on either side and was also the last Confederate general to surrender. Both books are available through Authorhouse.

Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included.

“An extremely good writer, [Ayers] is well worth reading . . . on the South and Southern history.”—Stephen Sears, *Boston Globe* The Southern past has proven to be fertile ground for great works of history. Peculiarities of tragic proportions—a system of slavery flourishing in a land of freedom, secession and Civil War tearing at a federal Union, deep poverty persisting in a nation of fast-paced development—have fed the imaginations of some of our most accomplished historians. Foremost in their ranks today is Edward L. Ayers, author of the award-winning and ongoing study of the Civil War in the heart of America, the Valley of the Shadow Project. In wide-ranging essays on the Civil War, the New South, and the twentieth-century South, Ayers turns over the

rich soil of Southern life to explore the sources of the nation's and his own history. The title essay, original here, distills his vast research and offers a fresh perspective on the nation's central historical event.

Describes one hundred important leaders, battles, and events that shaped the course of the Civil War, including the Battle of Antietam, Robert E. Lee, the Emancipation Proclamation, and the Missouri Compromise.

War is one of the most complex of all subjects for readers to understand, and the American Civil War in particular remains the subject of controversy nearly 150 years after the Confederate surrender at Appomattox Court House. This series answers some of the most important questions from this time in U.S. history: What were the real causes of the war? Was the South really defeated? Could foreign support have saved the Confederacy? Readers are given a broad introduction to the conflict, from the action on the battlefields to the economic and political background and the war's impact on civilian life. Each book considers a particular aspect of the war, providing reliable, accurate information that reflects the most current research. A framework of insightful boxed insets helps readers interpret the information on each page, sometimes explaining difficult words or concepts, sometimes asking open questions that prompt the reader to think about an individual's motives or the consequences of a particular decision. Each

chapter concludes with a Right Answer inset, which asks a question based on the chapter and explores the possible answers in a series of brief pro and con points. Combining both solid historical facts and opportunities for critical thinking and logical argument, this series is a must for any collection.

This richly illustrated packet vividly details African Americans' quest for freedom and civil rights in America. Students will learn about the Civil War, the Emancipation Proclamation and the amendments that followed it, "black code" legislation, Reconstruction, the Ku Klux Klan, and much more. Lively portraits of key cultural and political figures make clear the enormous contributions of blacks in America. Tests, answer key, and bibliography are included.

In September 1864, at a gathering in Macon, Georgia, Confederate President Jefferson Davis admitted that two-thirds of his troops were absent, most without leave. Some had opposed secession to begin with. Others came to see the conflict as a "rich man's war." But it was hardship and hunger among their families that drew most soldiers back home. For more than a century and a half, historians have often ignored the Confederacy's home front difficulties, which had so much to do with desertion and defeat. Anyone with even a passing knowledge of the Civil War knows that Confederate armies were outnumbered two to one. In a presumptive way, the manpower disparity is usually attributed to the North's

## Download Free Civil War Answers

larger population. Lost in that simplistic view is the impact that desertion had on sapping the Confederacy's fighting strength. And this is but one of the many critical issues historians too often brush aside. Why were Southerners divided on secession? How were the foundations for those divisions laid in the Antebellum South? Why did Confederate leaders impose a draft? Why did so many Southerners call the conflict a rich man's war? What impact did resistance by enslaved people have on the war effort? What was the impact of women's attitudes and actions? Why was the Confederacy unable to feed itself adequately? And, finally, what impact did all this have on the war's course and outcome? Only by looking behind the battle lines, as Georgia's Civil War does, can we find answers to these frequently overlooked questions.

Students, history and Civil War buffs can have answers lickety split at their fingertips. This timeline in 6 laminated pages includes the critical people and events that played a part in this heroic and tragic turning point that fortified American pride. Suggested uses: \* Students - Review before relevant history tests, support class lessons and textbook, impress your teachers & professors \* Teachers/Professors - fact bank to build tests & quizzes, lesson plan support, reference for documentary film viewing, supplement to the textbook \* Reenactors - Indestructible reference during muddy Civil War reenactments reenactments
