A B-Flat Cornet (Trumpet) solo with piano accompaniment composed by Kent Kennan. In The Complete Book of 1960s Broadway Musicals, Dan Dietz examines every musical and revue that opened on Broadway during the 1960s. In addition to providing details on every hit and flop, Dietz includes revivals and one-man and one-woman shows that centered on stars like Jack Benny, Maurice Chevalier, Marlene Dietrich, Danny Kaye, Yves Montand, and Lena Horne. In addition to entries for each production, the book offers numerous appendixes: a discography, film and television versions, published scripts, Gilbert and Sullivan operettas, and lists of productions by the New York City Center Light Opera Company, the New York City Opera Company, and the Music Theatre of Lincoln Center.

In the first major book devoted to the trumpet in more than two decades, John Wallace and Alexander McGrattan trace the surprising evolution and colorful performance history of one of the world's oldest instruments. They chart the introduction of the trumpet and its family into art

music, and its rise to prominence as a solo instrument, from the Baroque "golden age," through the advent of valved brass instruments in the nineteenth century, and the trumpet's renaissance in the jazz age. The authors offer abundant insights into the trumpet's repertoire, with detailed analyses of works by Haydn, Handel, and Bach, and fresh material on the importance of jazz and influential jazz trumpeters for the reemergence of the trumpet as a solo instrument in classical music today. Wallace and McGrattan draw on deep research, lifetimes of experience in performing and teaching the trumpet in its various forms, and numerous interviews to illuminate the trumpet's history, music, and players. Copiously illustrated with photographs, facsimiles, and music examples throughout, *The Trumpet* will enlighten and fascinate all performers and enthusiasts [Publisher description].

A Level III Brass Ensemble by Leroy Anderson, Arranged by David Baldwin.

Ragtime, the jaunty, toe-tapping music that captivated American society from the 1890s through World War I, forms the roots of America's popular musical expression. But the understanding of ragtime and its era has been clouded by a history of murky impressions, half-truths, and inventive fictions. *Ragtime: A Musical and Cultural History* cuts through the murkiness. A methodical survey of thousands of rags along with an examination of then-contemporary opinions in magazines and newspapers demonstrate how the music evolved, and how America responded to it.

In this expanded and updated edition, *The Piano in Chamber Ensemble: An Annotated Guide* features over 3200 compositions, from duos to octets, by more than 1600 composers. Maurice Hinson and Wesley Roberts catalog published works for piano with two or more instruments with information on performance level, length, individual movements, overall style, and publisher. Divided into sections according to the number and types of instruments involved, *The Piano in Chamber Ensemble* then subdivides entries according to the actual scoring.

Keyboard, string, woodwind, brass, and percussion players and teachers will find a wealth of chamber works from all periods in this invaluable guide.

Unlike the violin, which has flourished largely unchanged for close to four centuries, the trumpet has endured numerous changes in design and social status from the battlefield to the bandstand and ultimately to the concert hall. This colorful past is reflected in the arsenal of instruments a classical trumpeter employs during a performance, sometimes using no fewer than five in different keys and configurations to accurately reproduce music from the past. With the rise in historically inspired performances comes the necessity for trumpeters to know more about their instrument's heritage, its repertoire, and different performance practices for old music on new and period-specific instruments. More than just a history of the trumpet, this essential reference book is a comprehensive guide for musicians who bring that musical history to life.
