Experiences of hearing the voice of God (or angels, demons, or other spiritual beings) have generally been understood either as religious experiences or else as a feature of mental illness. Some critics of traditional religious faith have dismissed the visions and voices attributed to biblical characters and saints as evidence of mental disorder. However, it is now known that many ordinary people, with no other evidence of mental disorder, also hear voices and that these voices not infrequently include spiritual or religious content. Psychological and interdisciplinary research has shed a revealing light on these experiences in recent years, so that we now know much more about the phenomenon of "hearing voices" than ever before. The present work considers biblical, historical, and scientific accounts of spiritual and mystical experiences of voice hearing in the Christian tradition in

order to explore how some voices may be understood theologically as revelatory. It is proposed that in the incarnation, Christian faith finds both an understanding of what it is to be fully human (a theological anthropology), and God's perfect self-disclosure (revelation). Within such an understanding, revelatory voices represent a key point of interpersonal encounter between human beings and God.

Addressing such myths as faith can fix anything, forgiving means forgetting, and a godly home guarantees good kids, Osborne explores the greater truths they obscure.

This book presents a new and accessible translation of a well-known yet enigmatic text: the 'Epitaph for Arsenius' by the monk and scholar Paschasius Radbertus (Radbert) of Corbie. This monastic dialogue, with the author in the role of narrator, plunges the reader directly into the turmoil of ninth-century religion and politics. 'Arsenius' was the nickname of Wala, a member of the Carolingian family who in the 830s became involved in the rebellions against Louis the Pious. Exiled from the court, Wala/Arsenius died in Italy in 836. Casting both Wala and himself in the role of the prophet Jeremiah, Radbert chose the medium of the epitaph (funeral oration) to deliver a

Leading Prophetic Voice Reveals New Insight on Defeating an Ancient Evil According to leading prophetic voice Jennifer LeClaire, the subversive Jezebel spirit continues to deceive many. She shows, with keen biblical insight, that Jezebel does much more than most believers thought--and that it's time to expose the deceit and defeat the spirit's insidious work. By pulling back the curtain on this seducing principality, LeClaire picks up where other books on Jezebel leave off. She also gives spiritual warriors the real-world strategies needed for defeating this dark spirit in the lives of God's people.

God has a divine plan to release his people from the curse of desolation and barrenness. Satan also has a strategy, however, which is to lock us to our past. He uses a threefold cord of the demonic spirits of Jezebel, Athaliah, and Delilah--strongholds that seek to destroy not only us but also generations to follow--to block us from victorious Christian living. But by exposing the plans of the enemy, God's people can be released from barrenness and launched into expansion, growth, and multiplication. Sandie Freed takes readers through a close study of each of these demonic forces in order to prepare them to break the threefold demonic cord. Conducting a biblical exploration of the everyday tactics of each spirit, Freed lays bare their strategies and helps readers defeat them through prayer. When you talk to God, do you ever feel as if you are not getting through? You're not alone. At some point, most believers find themselves grappling with difficult questions like Would God really talk to me personally? and How do I know it's truly God talking, and not my own thoughts? But here's the good news: Hearing God is simpler than you think. It's possible to have a relationship with God that involves both speaking and listening. In fact, it's God's desire; He wants to talk to you. In this revised and expanded edition of a classic work, author and teacher Steve Sampson shows you how to pray not just wishing you'd hear God's voice--but expecting to hear it. Sampson's uncomplicated, practical perspective will help you cultivate the two-way conversation with God you've always longed for. Before long, you'll hear Him speaking into your circumstances and relationships, expressing His love for you and showing you the next steps to take in your life. Don't settle for a one-sided conversation with God. Break through this barrier and develop a sensitive heart that hears--and responds to--God's still, small voice. "With clarity and humor,

Steve takes you on a journey to the place of profound simplicity in Christ where hearing Him is as natural as breathing."--Bishop Mark J. Chironna, M.A., Ph.D., Church on the Living Edge, Orlando, Florida

Is your life characterized by continual setbacks and misfortune? Does it appear as though no matter what you do, you cannot seem to obtain the blessings of the Lord? You could be living under a curse. Unfortunately, there are still many believers living under curses even though they have been legally redeemed. Just as a believer may have to fight a good fight of faith for healing, he or she may also have to fight a good fight of faith against curses. Satan may not have a legal right to enforce a curse against you, but he is an outlaw and will attempt to do so anyway. Therefore, curses oftentimes have to be broken, and you must learn how to stand in faith against those curses, keeping them from operating in your life. The promises God gives us in the Bible are not automatic. They must be believed and often fought for. You don't have to fight God for His promises; He is not keeping them back from you. But you must contend with the Adversary who is trying to prevent you from receiving and walking in God's promises. Written in the style of Prayers That Rout Demons, this second book in the series contains information about curses and sentence declaratory prayers to break the power of curses from your life.
