In *Beauty by the Book* she bares her heart to readers, laying out the Scriptures, promises, and truths women need to know to find their true value. Her liberating reflections will help you see yourself as God sees you -- worthy, lovable, and beautiful. "Mirror, Mirror, on the Wall..." What do you see when you look in the mirror? Do you see a unique individual created in the image of Beauty itself—one chosen, Cherished, and valued in the eyes of God? If not, you may be looking in the wrong mirror—one distorted by emotional wounds, lies from

your past, or the unrealistic standards of our culture. “Everyone has beauty and worth,” says Nancy Stafford, “but not everyone sees it. I want you to see it.” Nancy shares her own poignant story and holds up the true mirror of God’s Word—inviting you to see yourself as God sees you, to absorb His truth, and to know beyond a shadow of a doubt that the King is enthralled by your beauty!

Cosmetology Exam Practice Questions are the simplest way to prepare for the Cosmetology test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. If someone has never taken a practice test, then they are unprepared for the types of questions and answer choices that they will encounter on the official test. There is a tremendous advantage to someone taking the test that is already familiar with the questions and answer choices. Another advantage of taking practice tests is that you can assess your performance and see if you need to study and practice more, or if you're already prepared enough to achieve success on your test day. If you do well on the practice test, then you know you're prepared. If you struggle on the practice test, then you know you may still have more work to do to get prepared. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our Cosmetology Exam Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our Cosmetology Exam Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.

Provides questions and answers similar to what is found on state licensing exams in cosmetology.
