NALI By Esther Henry In an era of darkness, mystery, tropical jungles and cannibalism, Nali tries to buck the ancient traditions, only to find herself deeply entrenched in them. As a young girl full of dreams, she is given to a tribal elder in marriage and quickly learns that her girlhood dreams could be shattered overnight. The rain forest held a secret refuge that only Nali knew, where she took her dreams and her delusions. Will she be forced to succumb to a subservient role the rest of her life, or can she overcome the hopelessness that comes with isolation, ignorance and tradition? Deep in the heart of New Guinea lies the village of Mendoka, beautifully camouflaged from the rest of the world. Although the village has yet to be discovered, the outside world would soon have an influence on their lives. An interruption to their peaceful simplicity would both terrify them and cause them to search for answers. Readers will be able to follow the lives of those who lived in a much simpler time and become immersed in the culture that controlled their everyday existence.

Make it personal by using a handful of constellation blocks unique to your family to create a mix-and-match quilt in multiple sizes. Want to make the perfect personalized gift? Highlight a single block to make one of the other six distinctive smaller projects—like a trendy jacket, a beguiling divination cloth, a charming table runner or a conversation-starting tea towel. Whichever projects you choose, Corcoran's and Jennings' constellations are destined to spark the imagination.
