Just click on the links to see the step-by-step instructions! This book is an introduction to pipe cleaner art in fun and exciting step-by-step full-color pictures for each step of the directions.

It's healthy to experience emotions, but sometimes they get jumbled together and make us confused. This book helps us identify and manage our emotions.

Thomas the Tank Engine. Hot Wheels. Mike Mulligan and His Steam Shovel. Richard Scarry's Cars and Trucks and Things That Go. Kids' fascination with vehicles is insatiable. In Project Kid: Crafts That Go!, that excitement is translated into more than 60 inventive craft projects for parents to make with and for their children. The book is organized into seven chapters: City, Rails, Sky, Space, Water, Country, and Dirt. There are police cars and ice cream trucks; circus trains and submarines; helicopters, rocket ships, cement mixers, and school buses. And because the car-obsessed kid doesn't just want a new vehicle to play with—he wants a racetrack, his very own driver's license, maybe even a child-sized gas station—each chapter includes not only toys but also thematic clothing, decor, accessories, and more. Projects feature clear instructions and step-by-step photographs wherever they are needed, easy for both kids and non-crafty adults to understand.

Fictional story that gives information about "house" geckos and sights of a Hawaiian night.

50 seasonal projects to make with kids Highlighting the best of each month of the year, Make and Takes for Kids offers 50 projects to make with kids, each centered around an upcoming holiday or season. The ideas are unique and simple to produce, and each project is thoughtfully constructed and designed to create an ideal environment and setting for crafting. Each craft requires little preparation, few supplies, and almost everything can be readily found at home or at a local craft supply store. Crafting isn't just playtime; there's a purpose to all the gluing, cutting, and coloring. Children are learning hand-eye coordination, fine motor skills, problem solving, math, teamwork, and individual expression. They are exercising creativity and building their imaginations. Make and Takes for Kids highlights the learning objectives and skills that children will attain as they complete each craft. Parents learn the benefits of spending time to create and craft with their children, and see the growth and creativity that children can experience while crafting. 50 projects to make crafts and food with kids, from a Marshmallow Graham Cracker Snowman and Flower Garden Cupcakes to an Egg Carton Octopus and Rainbow Ring Bottle Toss Ten activities are included that can be crafted with recycled materials, making the crafts easy to produce as well as budget-friendly Projects demonstrate that you don't have to buy expensive supplies or make elaborate activities to have fun crafting and creating If you're a mom, teacher, or caregiver looking to enhance the time and quality spent with young children, Make and Takes For Kids makes it easy to have fun crafting with kids.

Provides simple step-by-step directions for ten craft projects that utilize empty toilet paper rolls.

Who knew handwriting could be so much fun? Noted author Rachelle Doorley, the creative force behind Tinkerlab, presents 22 fun step-by-step projects that guide kids in cursive creativity using an array of different materials—pipe cleaners, yarn, aluminum foil, polymer clay, icing, and more. As many educators will attest, writing in cursive provides cognitive benefits in spelling, memory, reading comprehension, language skills, and overall academic confidence. Practicing cursive carries similar benefits when drawing; once you learn the basic shapes, you can play with it by creating your own personal style. Creative Adventures in Cursive shows you how to use cursive as a wonderful means of self-expression with these and more photo-illustrated projects: Create your own bullet journal Embroider initials on a cloth napkin Paint inspiring messages on rocks Write your name in 3-D with yarn and pipe cleaners Craft a foil doorplate with repousse (pushed up) letters Make a pop-up greeting card Cursive is fun, and the adventure begins here.

With step-by-step illustrated instructions, readers will learn how to build a simple motorcycle robot.

Ages 4-8. A heartwarming story about finding home. Mira is a wandering sea dragon (a fish related to seahorses) who is beautiful in the most unique of ways, but she just can't seem to find where she belongs. She roams the ocean, encountering many places and creatures - reefs and fish, rocks and eels, but none of these places feel quite right. Where will Mira find the place that she belongs? Where will Mira find her home?

Get out the pipe cleaners and the googly eyes, because kids will have a blast making these adorable pipe cleaner animals! This craft is perfect for a rainy day. Encourage kids to make a whole zoo under the sea! Great fun making sea creatures like seahorses, crab, fish, and octopuses. Fun for the whole family and great for dioramas. Introduction to pipe cleaner art in fun and exciting step-by-step full-color pictures for each step of the directions. Great way to spend time with kids exploring art, imagination, crafts, and design. Can be used in teaching methods in schools and classrooms to help in projects. Once completed the art can be used for science projects or as displays. Also great for little token gifts or as a topper for a present or card.

Offers illustrated instructions for making frame or solid panel screens to provide privacy or divide the space in a room, using such decorative techniques as decoupage, mosaics, verdigris, faux marbeling, and upholstering.

In a rhythmic alphabet chant, all the letters race one another up the coconut tree.

Easy, Fun and Imaginative Crafts You Can Eat Arena Blake, founder of the blog The Nerd's Wife, shares exciting crafts that are made out of your favorite things to eat. Never before has it been more fun to play with your food! Bring out your inner sculptor with Marshmallow Playdough, and engage your artistic side with Coloring Book Cookies or Painted Rainbow Toast. Are you planning a party? Why not make Edible Taffy Balloons to decorate with, or party hats that are fun to wear and tasty to snack on? You can even transform your favorite snacks and treats into zebras, lions, giraffes and more. Each project has a difficulty rating and lets you know if you will need a grownup to help you, making it easy for you to find the perfect project to spark your creativity using safe, nontoxic (and delicious) ingredients. So whether you want to build an edible terrace, blast off into outer space or make a cool wizard wand, Awesome Edible Kids Crafts shows you just how fun it can be to combine crafting and cooking.

A collection of craft ideas for kids that create a minimum of mess.

Have a ball with Dr. Seuss and the Cat in the Hat in this classic picture book...but don't forget to clean up your mess! A dreary day turns into a wild romp when this beloved story introduces readers to the Cat in the Hat and his troublemaking friends, Thing 1 and Thing 2. A favorite among kids, parents and teachers, this story uses simple words and basic rhyme to encourage and delight beginning readers. Then he said "That is that." And then he was gone With a tip of his hat. Originally created by Dr. Seuss himself, Beginner Books are fun, funny, and easy to read. These unjacketed hardcover early readers encourage children to read all on their own, using simple words and illustrations. Smaller than the classic large format Seuss picture books like The Lorax and Oh, The Places You'll Go!, these portable packages are perfect for practicing readers ages 3-7, and lucky parents too!

Shows how pipe cleaners can be used to make small animal sculptures, jewelry, and more.
