"This is a great text. It is comprehensive and easy to understand. The illustrations will enable students to learn and remember the information. This is the first research methods text I have read that is actually fun to read." —Tina L. Freiburger, University of Wisconsin-Milwaukee
 Research Methods in Criminal Justice and Criminology connects key concepts to real field research and practices using contemporary examples and recurring case studies that demonstrate how concepts relate to students' lives. Authors Callie M. Rennison and Timothy C. Hart introduce practical research strategies used in criminal justice to show students how a research question can become a policy that changes or influences criminal justice practices. The book's student-driven approach addresses both the why and the how as it covers the research process and focuses on the practical application of data collection and analysis. By demonstrating the variety of ways research can be used and reinforcing the need to discern quality research, the book prepares students to become critical consumers and ethical producers of research.

Concise and career focused, with cutting-edge topic coverage, the exciting new CRIMINAL JUSTICE IN ACTION: THE CORE, 9th Edition, delivers an accessible, applied, and real-world introduction to the field. Gripping photos and an engaging magazine-like layout make this succinct text ideal for a fast-paced course and visual learners. The text presents topics and cases straight from today's headlines, putting students in the center of the action with vivid, relatable examples that demonstrate the core principles of the American justice system at work. Reflecting reviewer feedback, the text combines just the right depth of coverage with innovative media resources and a wealth of learning tools that appeal to a variety of learning styles. This edition features extensive ethics coverage, practical career guidance (including how to research professions on LinkedIn), and thought-provoking new material on controversial social issues and criminal justice policies. What's more, the MindTap that accompanies this text helps students practice and master techniques and key concepts while engaging them with video cases, career-based decision-making scenarios, visual summaries, and more. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Jack Reacher takes aim at the White House in the sixth novel in Lee Child's New York Times bestselling series. Skilled, cautious, and anonymous, Jack Reacher is perfect for the job: to assassinate the vice president of the United States. Theoretically, of course. A female Secret Service agent wants Reacher to find the holes in her system, and fast—because a covert group already has the vice president in their sights. They've planned well. There's just one thing they didn't plan on: Reacher.

Crime and Justice: a Guide to Criminology has been for many years a leading Australian textbook for undergraduate and postgraduate students approaching this subject for the first time. The contributors are well known research active academics in Australia who contribute to the criminological debate at national and international level. Fully revised and updated, this 5th edition offers a comprehensive guide in criminal justice and criminology that is well suited to a dual-semester approach. It covers a wide range of topics including: different forms of crimes .. from street crime to state crime and international crimes; who commits crimes and who are the victims of crimes; and how society responds to crime. This book offers a balance between critical and administrative criminological traditions to add to the discourse of crime and justice in the twenty-first century.

Bringing criminal law to life. Criminal Law Today, Fifth Edition, brings criminal law to life by relating it to real stories from today's headlines. The text's approach is strongly influenced by the belief that the law has always been, and remains, a vital policy-making tool. As a topic for study and discussion, the nature and life of the law is more important today than ever before. The text highlights the challenges that face the law as it continues to adapt to the needs of a complex and rapidly changing society and features a balanced text/casebook approach that provides a lively introduction to criminal law. Effective in-text learning tools give students the resources they need to master the material presented in the text. MyCJLab was designed to meet the needs of today's instructors and students. MyCJLab provides instructors with a rich and flexible set of course materials, along with course management tools that make it easy to deliver all or a portion of your course online. MyCJLab provides students with a personalized interactive learning environment, where they can learn at their own pace and measure their progress.

Relied on by students, professors, and practitioners, Erwin Chemerinsky's popular treatise clearly states the law and identifies the underlying policy issues in each area of constitutional law. Thorough coverage of the topic makes it appropriate for both beginning and advanced courses. New to the Sixth Edition: New discussion of the Preamble to the Constitution in Ch. 1 Discussion of many new cases throughout the book. Major new decisions include: Masterpiece Cakeshop v. Colorado Civil Rights Commission; Gill v. Whitford; Zivotofsky v. Kerry; Lucia v. SEC; South Dakota v. Wayfair; Fisher v. University of Texas, Austin; Obergefell v. Hodges; Whole Women's Health v. Hellerstedt; Matal v. Tam; Williams-Yulee v. Florida State Bar; National Institute of Family and Life Advocates v. Becerra; Janus v. American Federation; Town of Greece v. Galloway; and Trinity Lutheran Church of Columbia v. Comer New materials on presidential power, immigration, and travel bans under the Trump administration, including IRAP v. Trump and Hawaii v. Trump Professors and students will benefit from: Renowned authorship Examination of black-letter law and all the myriad issues of constitutional interpretation with unrivaled thoroughness and lucidity Excellent historical overview of the creation and ratification of the Constitution, examining the existential question of why we have a constitution

This is a comprehensive, introductory criminal law textbook that expands upon traditional concepts and cases by coverage of the most contemporary topics and issues. Contemporary material, including terrorism, computer crimes, and hate crimes, serves to illuminate the ever-evolving relationship between criminal law, society and the criminal justice system's role in balancing competing interests. The case method is used throughout the book as an effective and creative learning tool. Features include: vignettes, core concepts, 'Cases and Concepts',

'You Decides, excerpts from state statutes, 'legal equations' and Crime in the News boxes" fully developed end-of-chapter pedagogy includes review questions, legal terminology and 'Criminal Law on the Web' resources" instructor resources (including PowerPoint slides, a computerized testbank and classroom activities) and a Student Study Site accompany this text

As riveting and current as today's headlines--and filled with cutting-edge material that addresses the exploding number of careers available in the field--CRIMINAL JUSTICE IN ACTION, Seventh Edition, is designed with today's busy students and instructors in mind. Concepts make sense to students, thanks to vivid straight-from-the-headlines vignettes at the beginning of every chapter. Choosing what's important to remember is a snap with each chapter's numbered objectives, which are reinforced throughout the chapter as well as in the book's supplementary items. Thinking critically and writing aren't so intimidating for students with the guidance of practical new writing activities. Reviewers praise the book's crisp, clear topic coverage as much as its engaging magazine-style design and captivating writing, which combine to draw students--even today's visual learners--into the material. Hunting For A Killer Who Doesn't Play By The Rules. Detective Erin Donovan expects life to settle down after the arrest and conviction of a serial rapist who terrorized her college town last summer. Then two young women are brutally slain and the murders bear all the hallmarks of the campus rapist. Did Erin arrest the wrong man? Her job is at stake and tensions are high. Just when it looks like things can't get worse, the FBI's Behavioral Analysis Unit sends a profiler to assist the investigation—in the form of a man Erin has never been able to forget. Three years ago, former Marine scout sniper Darsh Singh's feelings for Erin had him breaking all his rules. Now his only interest in the former NYPD detective is figuring out if she screwed up an investigation and helped send an innocent man to prison. Being forced to work together rekindles their attraction, and as Darsh and Erin fall for each other, the predator fixates on the female detective hunting him. Can they identify the killer before he makes Erin his final victim? WINNER of the BOOK BUYERS BEST for Romantic Suspense. Finalist in the National Excellence in Romance Fiction Awards, and the Booksellers' Best Award for Romantic Suspense. This edition features a brand-new cover. You'll love Toni Anderson's bestselling Romantic Thrillers. Start reading today the series that's been downloaded more than half-a-million times! A Cold Dark Place, #1 (Read for free!) Unrivaled in its simplicity and skill-building pedagogy, Harr, Hess, Orthmann, and Kingsbury's text thoroughly explains the complexities of the U.S. Constitution and the criminal justice system. The text avoids legalese and is packed with real-world examples. Its pedagogical framework helps readers develop a solid understanding of key issues and concepts, and more than 200 plainly written, summarized cases introduce pertinent cases in a non-intimidating manner. The text devotes considerable time to the Fourth and Fifth Amendments, exploring their application to such issues as reasonable search and seizure, double jeopardy, and testifying against oneself. CONSTITUTIONAL LAW AND THE CRIMINAL JUSTICE SYSTEM, 7th Edition includes expanded discussions of the First and Second Amendments as well as cutting-edge coverage of immigration, terrorism and homeland security, electronic surveillance and the use of drones, use of force, and searches of cell phones and other digital evidence. What's more, the MindTap that accompanies this text helps students practice and master techniques and key concepts while engaging them with career-based decision-making scenarios, visual summaries, and more. Unlike other textbooks on the subject, Criminal Justice Policy and Planning: Planned Change, Fifth Edition, presents a comprehensive and structured account of the process of administering planned change in the criminal justice system. Welsh and Harris detail a simple yet sophisticated seven-stage model, which offers students and practitioners a full account of program and policy development from beginning to end. The authors thoughtfully discuss the steps: analyzing a problem; setting goals and objectives; designing the program or policy; action planning; implementing and monitoring; evaluating outcomes; and reassessing and reviewing. Within these steps, students focus on performing essential procedures, such as conducting a systems analysis, specifying an impact model, identifying target populations, making cost projections, collecting monitoring data, and performing evaluations. In reviewing these steps and procedures, students can develop a full appreciation for the challenges inherent in the process and understand the tools that they require to meet those challenges. To provide for a greater understanding of the material, the text uses a wide array of real-life case studies and examples of programs and policies. Examples include policies such as Restorative Justice, Justice Reinvestment, Stop-and-Frisk, and the Brady Act, and programs such as drug courts,

community-based violence prevention, and halfway houses. By examining the successes and failures of various innovations, the authors demonstrate both the ability of rational planning to make successful improvements and the tendency of unplanned change to result in undesirable outcomes. The result is a powerful argument for the use of logic, deliberation, and collaboration in criminal justice innovations.

Introduction to Criminal Justice: Systems, Diversity, and Change, Second Edition, offers students a brief, yet comprehensive, introduction to Criminal Justice with up-to-date coverage of all aspects of the criminal justice system in succinct and engaging chapters. Authors Callie Marie Rennison and Mary Dodge weave four true criminal case studies throughout the book, capturing students' attention with memorable stories that illustrate the real-life pathways and outcomes of criminal behavior and victimization. Designed to show the connectedness of the criminal justice system, each case study brings the chapter concepts to life. To further captivate and inform students, important and timely topics such as ethics, policy, gender, diversity, victimization, and white-collar crime are discussed throughout.

Introduction to Criminology, Why Do They Do It?, Second Edition, by Pamela J. Schram and Stephen G. Tibbetts, offers a contemporary and integrated discussion of the key theories that help us understand crime in the 21st century. With a focus on why offenders commit crimes, this bestseller skillfully engages students with real-world cases and examples to help students explore the fundamentals of criminology. To better align with how instructors actually teach this course, coverage of violent and property crimes has been integrated into the theory chapters, so students can clearly understand the application of theory to criminal behavior. Unlike other introductory criminology textbooks, the Second Edition discusses issues of diversity in each chapter and covers many contemporary topics that are not well represented in other texts, such as feminist criminology, cybercrime, hate crimes, white-collar crime, homeland security, and identity theft. Transnational comparisons regarding crime rates and the methods other countries use to deal with crime make this edition the most universal to date and a perfect companion for those wanting to learn about criminology in context.

This handbook addresses the problems confronting criminal justice practitioners and their agencies due to the increased number of civil liability lawsuits. It introduces the reader to civil liability generally and the federal law specifically, while indicating steps that can be taken to minimize risks.

Critically acclaimed author and psychoanalyst Mikita Brottman offers literary true crime writing at its best, taking us into the life of a murderer after his conviction—when most stories end but the defendant's life goes on. On February 21, 1992, 22-year-old Brian Bechtold walked into a police station in Port St. Joe, Florida and confessed that he'd shot and killed his parents in their family home in Silver Spring, Maryland. He said he'd been possessed by the devil. He was eventually diagnosed with schizophrenia and ruled "not criminally responsible" for the murders on grounds of insanity. But after the trial, where do the "criminally insane" go? Brottman reveals Brian's inner life leading up to the murder, as well as his complicated afterlife in a maximum security psychiatric hospital, where he is neither imprisoned nor free. During his 27 years at the hospital, Brian has tried to escape and been shot by police, and has witnessed three patient-on-patient murders. He's experienced the drugging of patients beyond recognition, a sadistic system of rewards and punishments, and the short-lived reign of a crazed psychiatrist-turned-stalker. In the tradition of *One Flew Over the Cuckoo's Nest*, *Couple Found Slain* is an insider's account of life in the underworld of forensic psych wards in America and the forgotten lives of those held there, often indefinitely.

For courses in criminal procedure. *From arrest to sentencing: A comprehensive guide to criminal procedure* Procedures in the Justice System presents the judicial procedures of criminal cases in plain language and a concise format suitable for a one-semester course. In addition to detailing legal rules, it considers why we have laws and why those laws are broken, the constitutional rights of the accused, and the philosophy of correctional endeavors. The 12th edition has new content on victim impact statements and expanded discussion of legal procedures, while continuing to use actual court cases to show the real implications of the judicial process for enforcers and offenders alike.

This work addresses perspectives on the judicial, correctional and law enforcement components of the criminal justice system, including history, ethics, prevention, intervention, due process, marginalized populations, international consequences and demands for professionalism. It also examines critical variations in the criminal justice systems of countries worldwide.

Understanding case law in high-liability areas and performing the job within a legal framework places a criminal justice agency in the best position to defend against a lawsuit. This handbook addresses the problems confronting criminal justice practitioners and their agencies due to the ever-increasing number of civil liability lawsuits. It introduces the reader to civil liability generally and the federal law specifically, while indicating the steps that can be taken to minimize the risk of litigation. *Civil Liability in Criminal Justice* is one of very few texts on the subject that combines applicable case law and related liability research, a valuable feature for current and future policy makers and managers. Ross also provides an overview of current case law in high-liability areas, enhancing student knowledge and practitioner job performance.

Empower your students to become part of the solution. With a clear and upbeat voice, author Anna Leon-Guerrero's thought-provoking overview of social problems challenges readers to understand and recognize social problems in their communities and inspires them to become part of the solution. The Fifth Edition of *Social Problems: Community, Policy, and Social Action* goes beyond the typical presentation of contemporary social problems and their consequences by emphasizing the importance and effectiveness of community involvement to achieve real solutions. With an overarching focus on social inequalities and policy, this proven text provides a platform for discussion that encourages critical thinking and inspires hope. "The extra emphasis on social action and movements is a real strength...I like that the three major perspectives are used in each chapter as I feel many texts just put that in the first chapter and then forget about it."

—Todd Michael Callais, University of Cincinnati-Blue Ash

Rule of law has vanished in America's criminal justice system. Prosecutors decide whom to punish; most accused never face a jury; policing is inconsistent; plea bargaining is rampant; and draconian sentencing fills prisons with mostly minority defendants. A leading criminal law scholar looks to history for the roots of these problems—and solutions. Named one of the most important nonfiction books of the 21st century by *Entertainment Weekly*, *Slate*, *Chronicle of*

Higher Education, Literary Hub, Book Riot, and Zora A tenth-anniversary edition of the iconic bestseller—“one of the most influential books of the past 20 years,” according to the Chronicle of Higher Education—with a new preface by the author “It is in no small part thanks to Alexander’s account that civil rights organizations such as Black Lives Matter have focused so much of their energy on the criminal justice system.” —Adam Shatz, London Review of Books Seldom does a book have the impact of Michelle Alexander’s *The New Jim Crow*. Since it was first published in 2010, it has been cited in judicial decisions and has been adopted in campus-wide and community-wide reads; it helped inspire the creation of the Marshall Project and the new \$100 million Art for Justice Fund; it has been the winner of numerous prizes, including the prestigious NAACP Image Award; and it has spent nearly 250 weeks on the New York Times bestseller list. Most important of all, it has spawned a whole generation of criminal justice reform activists and organizations motivated by Michelle Alexander’s unforgettable argument that “we have not ended racial caste in America; we have merely redesigned it.” As the Birmingham News proclaimed, it is “undoubtedly the most important book published in this century about the U.S.” Now, ten years after it was first published, The New Press is proud to issue a tenth-anniversary edition with a new preface by Michelle Alexander that discusses the impact the book has had and the state of the criminal justice reform movement today.

A flexible and cost-effective alternative to larger, overwhelming texts, *Criminal Justice: The Essentials, Third Edition*, covers all the fundamental issues faced by law enforcement, the courts, corrections, and juvenile justice, leaving detailed specifics and tangential topics to the discretion of instructors to cover in class.

An engaging text/CD-ROM package with many features designed to spark student interest. Coverage progresses from measuring and explaining crime through policing, prisons, and the juvenile justice system. Boxed readings deal with criminal justice in action, criminal justice and technology, and popular culture, and offer first-person accounts of crimi

First published in 2004. Routledge is an imprint of Taylor & Francis, an informa company.

This trusted book provides a focused, practical introduction to the key principles and practices guiding the operations of modern police departments. While maintaining its proven instructional approach and strong focus on community- and problem-oriented policing, the sixth edition of *POLICE OPERATIONS: THEORY AND PRACTICE* reflects the latest trends and research shaping the day-to-day operations of progressive police departments. A new Perspectives from a First-Line Supervisor feature shares practical, applied information. Highlights include new and revised information on evolving technology, the police officer hiring process, how police use websites and social media to communicate with the public, patrol techniques, cultural diversity, cell phone use and laws, hazardous materials response, federal emergency response agencies, and cyberterrorism. The authors complement this wealth of information with an appealing writing style, numerous photos and illustrations, and real-life examples to engage your interest, enhance learning, and demonstrate the professional relevance of chapter material. Now better than ever, this convenient book is an ideal resource for law enforcement students and professionals who want an accessible, up-to-date guide to essential principles and current trends and practices in police operations. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

With gripping photos, an engaging magazine-like format, and riveting examples straight from today’s headlines, *CRIMINAL JUSTICE IN ACTION: THE CORE, 6e* puts you in the center of real-world CJ action. Providing just the right depth of coverage, this succinct book uses vivid cases and current events to demonstrate the core principles of the American justice system at work. An expanded emphasis on careers illustrates the many opportunities available in the current market. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The authors are proud sponsors of the 2020 SAGE Keith Roberts Teaching Innovations Award—enabling graduate students and early career faculty to attend the annual ASA pre-conference teaching and learning workshop. "Very practical approach to teaching research methods and very student friendly. This text "breathes life" into the research process. —Sherill Morris-Francis, Mississippi Valley State University *The Practice of Research in Criminology and Criminal Justice, Seventh Edition* demonstrates the vital role research plays in criminology and criminal justice by integrating in-depth, real-world case studies with a comprehensive discussion of research methods. By pairing research techniques with practical examples from the field, Ronet D. Bachman and Russell K. Schutt equip students to critically evaluate and confidently conduct research. The Seventh Edition of this best-selling text retains the strengths of previous editions while breaking ground with emergent research methods, enhanced tools for learning in the text and online, and contemporary, fascinating research findings. This edition incorporates new topics like intelligence-led policing, social network analysis (SNA), the evolution of cybercrime, and more. Students engage with the wide realm of research methods available to them, delve deeper into topics relevant to their field of study, and benefit from the wide variety of new exercises to help them practice as they learn. Give your students the SAGE edge! SAGE edge offers a robust online environment featuring an impressive array of free tools and resources for review, study, and further exploration, keeping both instructors and students on the cutting edge of teaching and learning.
