The author of *AlterKnits Felt* shows knitters how to turn a little yarn into fun projects and gifts—including baby clothes, bags, and household items. “Two needles and one (or one more) skein of yarn—the possibilities never cease to amaze me,” writes Leigh Radford in the introduction to her new book. Radford’s fascination with the creative potential of these raw materials is evident throughout *One More Skein*, where she melds the alternative approach to knitting and felting she introduced in *AlterKnits* and *AlterKnits Felt* with the magic she worked with a single skein of yarn in the bestselling *One Skein*. *One More Skein* features 30 diverse projects that can be completed with one or two average-sized skeins of yarn or multiple bits of leftover yarn. Projects include an earflap hat sized for the whole family; fingerless mitts; sweaters, britches, and capelets for baby; hemp jewelry embellished with jump ring “beads”; a felted, pleated sleeve to dress up a vase; and a multicolored blanket worked from assorted stash yarn. All of them are quick and relatively easy to make, without sacrificing beauty or ingenuity.

Custom-fit for comfort, custom-designed to suit personal taste, and stylish and satisfyingly DIY? Shoemaking checks all the boxes! Making shoes is a surprisingly accessible and increasingly popular craft, and with this photo-rich guide, even a beginner can make a comfortable pair of sandals in the course of a day with just a few simple tools and materials. From setting up a workshop and refining a design to making uppers,

attaching soles, and adding finishing touches like buckles or studs, *The Sandalmaking Workshop* takes readers step by step through the process of creating modern leather sandals that are stylish and comfortable. The book includes traceable patterns for 14 of author Rachel Corry's original sandal designs—both open- and closed-toe styles, including mules and slides—and covers a range of techniques so readers can build their skills and stretch the creative possibilities with each new pair they make. This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA.

These knitted and crocheted fashion accessories and decorative accents for the home vary in their required levels of skill, but all can be completed quickly and require only one skein of yarn. The stitch patterns and clear instructions make it easy for even procrastinators and the less-than-diligent to create a ruffled cravat, a drawstring bag, a tank top, cozy scarves, arm and leg warmers, lace wristlets, fingerless gloves, a mohair pillow, and even a sweater for a baby. Several projects do not require any new yarn at all—instead projects such as the Felted Striped Tote or the Labyrinth Circle Rug are designed using up a skein's worth of leftovers from other projects. A guide to terms and techniques, a resource directory, and a bibliography are also included. A popular instructor and designer outlines a variety of imaginative projects that use yarn odds and ends, explaining how to use specific yarn weights and techniques ranging from lace and cables to colorblocking and fair-isle to make creative wearables for every member of the family.
