Three haunted young men. A terrible curse. One girl who could break it... if this place doesn't break her first. My foster brother took me under his wing and sheltered me from the worst of the crap thrown at us. So when he heads off on an exclusive scholarship and everyone around me starts denying he ever existed, Roseborne College has some explaining to do. I'm not leaving until I get answers. The school I barge into isn't what I pictured. The staff claim Cade's never been here. The students glare like just looking at me offends them. The classes involve more torment than teaching, while sobs and howls fill the night. And three very different, unnervingly appealing guys--one of them a teacher--act way too invested in my arrival. Some unnatural power holds this place in its grip. The more I dig, the more horrors I uncover. Finding Cade might not be my biggest problem after all. It's looking like none of us, me included, will escape this place alive.

In the last few generations, only one in a hundred female witches are born with power. So when I came into mine, my grandmother helped me hide it so I wouldn't be swept away by the ISC, our magical government. The price of discovery was steep; becoming an ISC drone and being paired with their choice of mate for my coven. So I hid in plain sight working days at Maggie's Pet Wash, and nights piecing together the mythical Words of Power. The only thought that keeps me going is figuring out a way to beat the ISC and hopefully fall in love with a coven of my own... maybe even raise a few little witchlings. So when my familiar, a pug named Mrs. Pig,

screws up my one shot at obtaining the Words of Power, I figure everything is ruined. That is until Pierce, Sam, and their own talking dogs walk into my life. Now that I have them, can I give them up? Even to save magic? The ISC is coming for me. What they don't know is: I'M COMING FOR THEM, TOO.

When I arrived at Roseborne College searching for my foster brother, I had no idea what I was in for. In the past few weeks, I've endured torments both physical and emotional. I've looked death in the face. And I've made an unnerving discovery that's left me scrambling to pick up the pieces of the quest I started out on. But the supernatural beings who run this school haven't conquered me yet. I'll turn the tables on them with my newfound knowledge--and maybe with the help of three temptingly screwed-up guys I never expected to count on. At least, that's the plan. Everyone in this place is keeping secrets: me, the guys I might be falling for, and my brother. Secrets big enough to bring us together... or to tear us completely apart. How will I find the strength to continue the fight if it turns out I can't trust anyone--not even myself?

Tornados, sinkholes, lightning strikes, explosions, a drain pipe full of bees... I've been there though them all. But it's not my fault! My "Dizzy, time to get the heck out of dodge" senses are well-honed, so can you blame a gal for pounding pavement when a herd of hunks are hot on her trail? Okay, maybe you can. Maybe it's your dream to get tackled by a heaping helping of beefcake; hopelessly pinned beneath them, at the mercy of multiple sets of hands and lips and eyes trapping you and demanding attention. Me? I just want to make it through the day without doing too much damage. Seriously, it's not my fault! You see, I'm cursed to always be cursed. Somebody wants to get revenge on you when I'm in town? Well TOUGH LUCK because they're getting revenge on me instead! Thank you for that weekend of all-foods-are-extra-spicy, unknown stranger. No, that's okay, person-who-tried-to-make-someone-else-unable-to-wear-clothes-ever-again, I don't mind a fine breeze between my lady bits. And to you, asshole casserole who tried to literally kill me last week? Well... you can get bent. That's honestly just rude. Usually my curse comes with a side of disaster, and after really, really hurting more than one person... well... I've been on a never-ending, cross-country, don't-look-back-just-keep-on-running-away tour for pretty much forever. Sure, it's lonely, but never setting down roots means never getting caught, or killed. At least I've got my furry best friend Aria--don't know what I'd do without her. Per usual, my hotel just happened to burn down this morning so it looks like I'd best get to gettin' while the gettin's still good, ya get it? Just one itsy-bitsy-teensie-weensie-purple-haired-and-no-bikini problem.... I may have accidentally sort of kind of tied myself to those hunks I mentioned earlier and may or may not literally be unable to go anywhere without at least one of them. Oops! And maybe I sort of kind of like them enough to not want them to get murdered in my superstorm of chaos. Double oops. Sigh. Friggin' Tuesdays, am I right? I thought I'd found a way to destroy the malicious power Roseborne College held over all its students-but I seem to have unleashed a host of fresh horrors instead. The school's ruling spirits are flying free, even more intent on tormenting us. Visions from the worst moments of our pasts are stalking us like ghosts, and my foster brother may have fallen too far into his monstrous nature to be saved. It's all I can do to try to protect myself and the three guys I've fallen for here, let alone the rest of the school's inhabitants. On top of that, the supernatural energies I've just discovered in myself have desires all of their own. As our most awful mistakes consume us, can we hold onto enough faith to keep up the struggle? And how much of myself will I have to sacrifice for a single chance at freedom?

My name is Ace Bissett, and I used to think magic was a hoax. Now I've got four dark, sexy gargoyles at my beck and call, magic bursting from my fingertips, and a curse that's proving ridiculously hard to break. Juggling all of that would be a challenge on its own, but when you add in my day job as a detective? It's almost impossible. But all of that stuff is the least of my worries. A new threat has risen in my city, and it looks like the murderer is going after anyone with an interest in the occult. That makes me the perfect person to stop him...but also the perfect target. And the deeper I dig, the more I realize that this isn't an accident. The murderer is trying to get my attention, and if I don't unmask him soon, this could be the end for not just me, but the four gargoyles who have become more important to me than life itself...

Beautiful. Gorgeous. Slut. Whore. I've been called all of these, except my true name--a secret I've never learned. I was groomed for a life of captivity; brought up as a slave for the exclusive club, Exotique. I'm desired for my body and thirsted after for my addictive blood. I'm stripped and restrained while male after male acts out his twisted desires. I'm constantly at war with myself while my inner beasts battle for dominance. The succubus half of me craves these sessions. She longs for the toxic mix of pleasure and pain, feasting on the release of others. My phoenix half lies dormant. She's a silent presence who shudders at the crack of a whip, and shies away from the cruel hands of my handlers. While I suffer through countless degrading sessions, somewhere far away a trio of Phoenix warriors are sanctioned by their King to find and rescue me. Will they succeed? Or will one of my handlers finally take a session too far? Their race is
