presented here by the authors. Outlining significant developments in different aspects of consumer credit from the Hammurabi Code through to current questions such as household overindebtedness, they shed some historical light on modern debates.

"Two young women are found dead on the Chicago lakefront in as many weeks, each murdered in the same fashion. Detective Sergeant Grayson MacCarthaigh is at her wit's end trying to solve the grisly mess before the murderer claims another victim. Her only common thread is Dr. Neala Rourke, the curator of the famous National Museum in Dublin, Ireland. With a strange and eerie turn of events, things start unraveling. Grayson now is compelled to return to her birthplace and follows Dr. Rourke back to Ireland where ancient Celtic beliefs and mythology are thrown into the mix, turning the detective's logical world upside-down"--P. Once a pristine, natural paradise, CHIMA has become a battle ground for eight animal tribes. Best friends are now enemies. The animals fight for control of a natural resource called CHI, a powerful element that is both a source of life and potential destruction. Only a few brave heroes in CHIMA understand the true nature of CHI, and the possible downfall of CHIMA that will result from its misuse. Their stories, and the stories of those who seek to destroy them, are known as... THE LEGENDS OF CHIMA. The third volume in the hit series continues the adventures of Laval and his fellow members of the Lion tribe as they fight against Prince Cragger & the Crocodile tribe to preserve the balance of the mysterious force known as Chi.

Depression is a multi-faceted disorder with symptom clusters that are highly variable between individuals. In spite of efforts utilizing neuroscientific and genetic techniques in research to determine its etiology, practical clinical settings still rely on traditional verbal consultation method to devise treatment for the depressed. This book discusses the importance of focus on causality and the need to discuss issues which lead to depressive symptom manifestation and

progress.

Watching the kite ascend higher into the sky, ten-year-old Raghav felt butterflies run deep down his gut, inflating his desire to fly high in a supersonic jet. His kite, entangled with another, crashed onto the ground. The flight took off smoothly from the runway of her heart, only to be hit by turbulence and thunderstorms smashing the plane into an abandoned sea full of gloominess. There he saw a lighthouse, a ray of hope. She became his lifeguard and taught him to swim through the storm. Like a guiding angel, she enlightened him towards the path of self-discovery leading to his journey to the island called 'Bollywood.' Raghav rode on a roller coaster encompassing love, passion, and conflicts. Hopping from one town to another in search of his purpose, he landed in the city of love and lights, Paris, where he saw the horizon, an illusion of his world merging with hers. But just like the two poles on Earth never meet, so was his destiny. On one side, he had Diya whom he could never get, and on the other side was Niharika whom he could never lose, and in the midst of all the chaos, he found his treasure. Come along with him to discover his hidden treasure. Who knows! You might find

yours too.
