FUN FACT: "Becoming Zara" is a standalone novella, but if you're following the character of Samantha Bradford as she crosses off the items of her bucket list (the Single Wide Female Series), this is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book). Note: You can download #1 Learn Pole Dancing of that series for free. *** Hi, I'm Zara...warrior princess. I don't usually tell that last bit to strangers, but I say it in my head all the time. It's one of the many mantras that have helped me to get to where I am today. And believe me when I say that I've come a long way. Besides, if you're a woman and you happen to have ever struggled with issues of self-esteem, we're probably gonna be fast friends anyway, so I won't hold anything (much) back. Oh, and Zara wasn't the name I was born with-but you'll find out more about that in the book. I don't know about you, but my own struggle with my weight has held me back a bit in life. And my self-esteem took a real nose dive after my fiance dumped me-via text, no less. (I know, right? Jerk!...but I don't usually dwell on things in the past, so let's just move right along from that, shall we?) So, I'm still a work-in-progress for sure, but I'm really starting to figure it all out-how to be more of who I'm meant to be every day-including the bumps, the lumps, and my bruised ego along the way. Oh and I love my sisterhood (more about that later) - the women who join me in believing that we are all capable of being strong, amazing, warrior princesses-just the way we are right now."

I have never been one for history. It was the past. But history was dropped in my lap the day two dusty, dirty boxes were discovered in the old farmhouse where my mother was born. As I opened the lids, I was immediately thrown back in time. I was now in the 1940's and caught in the realms of WWII. From the air over the Pacific to the cold harsh winter of the Ardennes in Europe, this is a daughter's story as told to her by her fathers.

Jess has been in love with her best friend, Kate, for seven years, but her feelings have never been returned. One night they sleep together, and Jess finds out how much it is possible to be hurt by someone close. Jess and Kate struggle to

redefine their friendship. They spend a week at Jess's family holiday house in a small seaside town, Awatangi, intending to make the time to talk things through, but the conversations never happen. Kate makes vague promises, but begins to have second thoughts. Jess wants Kate, and nothing else, and is heartbroken that isn't enough. Jess decides – while everything is changing in her life – that she doesn't want to go on living in the city, that she wants to return to Awatangi. Part of her hopes some physical distance between them may help things with Kate, and part of her – frustrated and upset – simply wants to leave Kate behind. In Awatangi, Jess meets Keri, a local lawyer who has also recently returned home. Like Jess, Keri surfs, and like Jess, she seems to feel some attachment to her family roots in Awatangi. Jess is drawn to Keri, but forces herself not to let anything happen. Despite everything, Kate is still Jess's closest friend, and she has loved Kate all her life. She feels she has to give the situation with Kate as long as she can to work itself out. Awatangi is about coping with feelings for a close friend that are not returned, set in a small holiday township on the West Coast of the South Island of New Zealand. It is an exploration of getting what you've always wanted and it not being enough, of being in love with one person and wanting another, and of finding out that life doesn't always turn out as expected.

Every field has its "bossman"--the one who sets the style and makes the rules. In bluegrass and early country music the man was Bill Monroe. In the world of urban blues, the man was Muddy Waters. Using their own words and dozens of remarkable photographs by David Gahr, Carl Fleischhauer and John Byrne Cooke, the author compares and contrasts the careers of these two bossmen. Both grew up in remote rural areas. Muddy Waters heard field hollers, church music, jubilees, shouts, string band music, and the raw sound of the delta blues; for Bill Monroe it was square dance music, hymns, old country ballads and the fiddling of his Uncle Pen Vandiver. Both brought their music to the big cities: Bill to Nashville, Muddy to Chicago. Musicians who passed through their bands went on to form bands of their own, giving rise to the worlds of Bluegrass and Chicago Blues. But this is more than a book about music; it is a book about black and white America. In microcosm, it is almost a history of this country; and it sets up striking comparisons that cut deep into our heritage and ways. In the words of Pete Seeger: "Anyone in the world wanting to understand American music could well start right here."

Is it a mirage, dream or desperate hope? She likes you. You ask and she comes with you. Her mind sees only sunlight. You see dark shadowed edges. Can you remake your life with a person who holds no memory of you? An unknown girl appears on an aboriginal community in far north Queensland. She has no memory of any life before, no one knows her. The people in the community say she just arrived one day. Who is she? Where has she come from? She looks like a missing backpacker, Susan, but her name is Jane. Her past life is an unknown place from where she knows no one. She is

trying to make a new life without any connections to her past. This is the final book of the Crocodile Spirit Dreaming Series. It tells the story of an English backpacker who went travelling in Outback Australia with a man who loved crocodiles, and how her life turned into a horror nightmare. She finally gets her freedom only to disappear. Her name was Susan. She was on trial for murder when she vanished. She had been just released on bail, despite pleading guilty, when new evidence indicating self-defense was found. She was also pregnant and expecting twins. Since she disappeared only a pair of shoes she was wearing have been found. They were next to a waterhole full of crocodiles. It is feared that she and her unborn children are dead, taken by crocodiles. More than a year has passed without any other trace of her. An inquest has made an open finding on her disappearance. Is there a link between missing Susan and this girl, Jane, who turns up out of nowhere, knowing no one, remembering nothing? Can this girl, Jane, build a new and happy life with her two small children. Can whatever tragedy haunted her past be overcome? This is the story of the remaking of a new life from the broken shell of the old - and how memories of the old threaten to tear apart the new. And at the dark edge lurks an ancient creature of the deep, a being whose lineage is the long lost Australian Aboriginal Dreamtime, the time when the spirits made this land. Yet beyond this dark is a new place where sunlit shadows dance.

Set in Provincetown, Palm Beach, Boston, Maine, Carnegie Hall, and the Caribbean, these memorable stories span not just distance but the range of life's experiences.

Life is indeed a game that we all play to pass time; simply a series of days strung

together, made up of how you planned or decided to spend the moments. Like any game how well it is played or whether life's circumstances are interpreted accurately, then used to the best advantage, makes losers and winners to varying degrees. Senseless insanity is alive and well within the world. The world is awash with unruly forces, that if not intent upon harming you do desire to become a destabilising force, either temporarily or over the long term. We are all participants in a charade, how life evolves and turns out all depend on how well the game is played. It is not wise or ideal to treat life like a game of chance, a random roll of the dice that can determine unpredictable outcomes. The cost of success is the careful application of well thought out concepts and ideas. Like any game preparation is critical; understanding the rules, knowing how to manipulate the dynamics at play efficiently to ones own advantage, understanding the intricacies of the rules and how to capitalise upon or create opportunities, pursuing whatever circumstances are present to maximise whatever potential exists to the best advantage. The potential opportunities in life are only limited by the inability to firstly comprehend them and secondly to fully utilise personal abilities to maximise the potential that is available. Don't wait for special times to evolve, rather create them in accordance with your true desires to experience what you wish to make real. Much like any game, the game of life has things that can be obtained, or things that can be lost. How the game is played, the value of the stakes, the opposing factions all come to dictate an outcome, be that favourable or lacking any resemblance of being lucky. A life lived based upon any reliance on luck or fate being favourable is tempting only to the over optimistic, or those extremely lucky ones or who were fortunate in the past and believe that good fortune will continue in the future. While it takes resources to control the world, the control of your own specific world environment is really within your potential to achieve. How you choose to control your world, as well as to what extent your desires are put into action, determine whether your life will meet your wishes or not. The amount of thought and energy you exhort, the persistence of that effort, all comes to determine whether and to what degree what you want is what you actually get. In life you may win or loose at times, it's basically just like playing a game; the right mentality is chancing the wheel of life by trusting and ensuring you will win just the same.

Fabulous piece of writing. It is really quite astounding that Machen is largely forgotten as a writer. In *The Secret Glory*, I particularly loved Machen's satirical social comments about the class system, Christian hypocrisy and the sadistic puritanism of English Public Schools. This isn't always an easy book to read but it is very rewarding, and after reading, like the best literary works, carves out a place for itself in one's psyche. (M.J. Johnson)

A "tremendous," "intrepid" history of the devastating war in the heart of Africa's Congo, with first-hand accounts of the continent's worst conflict in modern times. At the heart of Africa is the Congo, a country the size of Western Europe, bordering nine other nations, that since 1996 has been wracked by a brutal war in which millions have died. In *Dancing in the Glory of Monsters*, renowned political activist and researcher Jason K. Stearns has written a compelling and deeply-reported narrative of how Congo became a failed state that collapsed into a war of retaliatory massacres. Stearns brilliantly describes the key perpetrators, many of whom he met personally, and highlights the nature of the political system that brought these people to power, as well as the moral decisions with which the war confronted them. Now updated with a new introduction, *Dancing in the Glory of Monsters* tells the full story of Africa's Great War.

"Knowledge held within is dead knowledge. Share it with others, and then it is resurrected." These are words that Apostle Dr. Muriel Avant Fuqua lives by. Though, throughout her life, there have been plenty of things she'd rather have kept silent about, she has learned, firsthand, that it is these very traumas that must be brought into the light so their power can be broken and healing can begin. A shining example of the necessity to speak out—and a cautionary tale about the harm and dysfunction that results from silence—this empowering memoir is about overcoming the debilitating pain of abuse and infidelity through the healing power of a loving God. At the same time, Dr. Fuqua's debut book serves as an excellent educational source on the challenging issues of women in ministry and church hurt. Over the years, Dr. Fuqua has experienced more than her fair share of pain, but she has also discovered the amazing truth that God can truly renew brokenness. And her life, her marriage, and her church all declare the good news. Discover for yourself the peace of Christ, as you learn from her story how you, too, can step into the light and wrap your pain in the glory of God.
