An exploration of the relationship between cinema and existentialism, in terms of their mutual ability to describe the human condition, this book combines analyses of topics in the philosophy of film with an exploration of specific existentialist themes expressed in the films of Fellini, Bergman and Woody Allen, among others.

Are you or someone you know in the midst of grief? When I was dealing with the death of my wife I found it difficult to read narrative. Books and study guides on grief seemed difficult and impersonal. Most days I barely had enough energy to function. I desired encouragement and found it in daily devotions or personal accounts of how others dealt with this journey. I chose poems for this book because they can be digested in small bites and hopefully are helpful for the hurting heart.

“The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational.” —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan’s beloved, *New York Times* bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

A landmark in the conversation about race and religion in America. "They put him to death by hanging him on a tree." Acts 10:39 The cross and the lynching tree

are the two most emotionally charged symbols in the history of the African American community. In this powerful new work, theologian James H. Cone explores these symbols and their interconnection in the history and souls of black folk. Both the cross and the lynching tree represent the worst in human beings and at the same time a thirst for life that refuses to let the worst determine our final meaning. While the lynching tree symbolized white power and "black death," the cross symbolizes divine power and "black life" God overcoming the power of sin and death. For African Americans, the image of Jesus, hung on a tree to die, powerfully grounded their faith that God was with them, even in the suffering of the lynching era. In a work that spans social history, theology, and cultural studies, Cone explores the message of the spirituals and the power of the blues; the passion and of Emmet Till and the engaged vision of Martin Luther King, Jr.; he invokes the spirits of Billie Holliday and Langston Hughes, Fannie Lou Hamer and Ida B. Well, and the witness of black artists, writers, preachers, and fighters for justice. And he remembers the victims, especially the 5,000 who perished during the lynching period. Through their witness he contemplates the greatest challenge of any Christian theology to explain how life can be made meaningful in the face of death and injustice.

Poet Glyn Maxwell wakes up in a mysterious village one autumn day. He has no idea how he got there but he has a strange feeling there's a class to teach. And isn't that Keats wandering down the lane? Why not ask him to give a reading, do a Q and A, hit the pub with the students afterwards? Soon the whole of the autumn term stretches ahead, with Byron, the Brontës, the War Poets and many more all on their way to give readings in the humble village hall. In this one-of-a-kind novel, Maxwell takes writing exercises that he's used in real classes, and explores them with fictional students and major poets.

ROBERT HERRICK: SELECTED POEMS

ROBERT HERRICK (1591-1674) was one of the Cavalier poets (other Cavalier poets included Suckling, Carew and Lovelace). He was born in London and lived much of his life in the rough remoteness of a parish in Devonshire. He studied at Cambridge (St John's College and Trinity Hall). His law studies were dropped in 1623, and he was ordained as a deacon and priest in 1624. Herrick's major work, *Hesperides or The Works Both Humane and Divine of Robert Herrick Esq.*, was published in 1648. There are some 1130 poems in the first, secular part, *Hesperides*, and 272 in *Noble Numbers*, the religious pieces. Herrick's poetry (his *Hesperides*) followed the plan outlined the poem 'The Argument of His Book', with its lyrical evocation of the natural world. Herrick was particularly well situated, geographically, to write nature poetry. Like Coleridge, Wordsworth and Brontë, Herrick lived in the midst of the countryside, in the relative isolation of Dean Prior, on the edge of Dartmoor in Devon. There are many poems in Robert Herrick's work of love - about love desired, lost and mourned. Herrick is very definitely a 'Muse poet', to use Robert Graves's term. There are many poems about various mistresses, 'my dearest Beauties' he calls them in 'To My Lovely Mistresses' (Anthea, Perilla, Electra, Blanch, Judith, Silvia, and the most beloved of all, Julia). There are many poems to certain 'muses' or 'maidens'. The sheer number (and quality) of Herrick's poems to Julia attests to his deep passion for the friendship and strength of women: 'To Julia', 'To Roses in Julia's Bosom', 'To Julia, Her Dawn, or Daybreak', 'The Parliament of Roses to Julia', 'Upon Julia's Recovery', 'On Julia's Fall', 'His Sailing From Julia', 'Her Legs', 'Her Bed', 'On Julia's Picture', 'The Bracelet to Julia', 'To Julia in the Temple' and so on. Apart from poems addressed 'To His Book', there are more poems in Robert Herrick's output 'To Julia' than to anything else. Julia is 'the prime of Paradise' ('To Julia, in Her Dawn, or Day-broke'). She is utterly adored, often erotically. There are poems which eulogize her breasts and nipples, for instance: 'Display thy breasts.../ Between whose glories, there my lips I'll lay, / Ravisht', he writes (in 'Upon Julia's Breasts'); other paeans to Julia's breasts include 'Upon the Roses in Julia's Bosom', and 'Upon the Nipples of Julia's Breast'. Herrick makes the age-old connections between the fertility of nature outside (the rain, the lush vegetation, the rivers of the Paradisal Earth) and the bounty of women inside (Julia's breasts form a valley of abundance, as in William Shakespeare's 'Venus and Adonis', in which the poet would like to languish). Women in Herrick's poetry are seen as the givers of pleasure (expressed as sex), nurturance (breast milk), and all things worthy in the world (love). 'All Pleasures meet in Woman-kind', he writes in 'On Himself'. They are just as important in his poetry as God, the King or Christianity.

Evelyn Barish began this book partly to inquire into a silence--Ralph Waldo Emerson's failure to discuss or mourn his father, who died when the boy was seven years old. As she probed the meaning of this loss, she found herself tracing the development of an American prophet, producing a detailed intellectual biography of Emerson's early years up to the writing of *Nature*. In the process she has painted a vivid picture of American society of the period and of Emerson's unusual family--including his aunt, Mary Moody Emerson, a brilliant and eccentric woman, who was described by Emerson as spinning at a higher velocity than all the other tops but who also rode around Concord in her shroud!

In the years after the death of William Emerson, Mary Moody Emerson came to help her widowed sister-in-law, Ruth, rear her five sons and thus became a deep influence on the young Ralph Waldo. Barish reveals the complexities of the Emersons' family life, the preoccupations with death and questions of sexual identity in the Romantic fantasies that Emerson wrote as a youth, the emotional struggles of his student years at Harvard, and his private study of the unsettling ideas of the skeptical philosopher David Hume. Pursuing a series of small clues, she clears up the obscurity surrounding the crucial breakdown of his health during the vocational crisis of his twenties. Finally, she traces his path out of fear and self-doubt into autonomy, as he overcame crippling grief after the death of his first wife. Barish makes it clear how Emerson the American classic thinker emerged from a welter of conflicts and handicaps previously obscure to us. How did he free himself from the rigor mortis of his own cultural and personal past--from what he called the "corpse-cold Unitarianism of Brattle Street and Harvard College"--to become the liberator of America from the intellectual shackles of its colonial experience? Her answer redefines Emerson's "self-reliance" not in traditional transcendent or idealistic terms but as the result of real life and hard struggle--experience "passed through the fire of thought." Renowned scholar George Steiner explores the power and presence of the unseen in art. "It takes someone of [his] stature to tackle this theme head-on" (The New York Times). There is a philosophical school of thought that believes the presence of God in art, literature, and music—in creativity in general—is a vacant metaphor, an eroded figure of speech, a ghost in humanity's common parlance. George Steiner posits the opposite—that any coherent understanding of language and art, any capacity to communicate meaning and feeling, is premised on God. In doing so, he argues against the kind of criticism that obscures, instead of elucidates, meaning. From the power of language to vital philosophical tenets, *Real Presences* examines the role of meaning and of the spiritual in art throughout history and across cultures.

#1 NEW YORK TIMES BESTSELLER • The twentieth anniversary edition of the classic story of an incredible group of students and the teacher who inspired them, featuring updates on the students' lives, new journal entries, and an introduction by Erin Gruwell Now a public television documentary, *Freedom Writers: Stories from the Heart* In 1994, an idealistic first-year teacher in Long Beach, California, named Erin Gruwell confronted a room of "unteachable, at-risk" students. She had intercepted a note with an ugly racial caricature and angrily declared that this was precisely the sort of thing that led to the Holocaust. She was met by uncomprehending looks—none of her students had heard of one of the defining moments of the twentieth century. So she rebooted her entire curriculum, using treasured books such as Anne Frank's diary as her guide to combat intolerance and misunderstanding. Her students began recording their thoughts and feelings in their own diaries, eventually dubbing themselves the "Freedom Writers." Consisting of powerful entries from the students' diaries and narrative text by Erin Gruwell, *The Freedom Writers Diary* is an unforgettable story of how hard work, courage, and determination changed the lives of a teacher and her students. In the two decades since its original publication, the book has sold more than one million copies and inspired a major motion picture *Freedom Writers*. And now, with this twentieth-anniversary edition, readers are brought up to date on the lives of the Freedom Writers, as they blend indispensable takes on social issues with uplifting stories of attending college—and watch their own children follow in their footsteps. *The Freedom Writers Diary* remains a vital read for anyone who believes in second chances. Henry David Thoreau dropped the gauntlet with *Walden* in 1854, and it is more relevant than ever. *To Live Deliberately* is our visual reimagining of Thoreau's most well-known essay, *Where I Lived and What I Lived For*. Accompanied by 30 illustrations, the essay challenges the trappings of modern living and embraces an ascetic rejection of the material and the trivial in exchange for a reconnection with nature as a path toward self-discovery. We judiciously edited Thoreau's essay to avoid any unnecessarily confusing news references, and were amazed to discover that not only does this manifesto otherwise hold up, but it also feels surprisingly modern and more relevant than ever. Thoreau's rejection of news as largely gossip, and the obsession with travel and railroads as idle self-indulgence, bear a sobering resemblance to our modern preoccupation with social media and internet surfing. In both instances, the impulse to seek distraction is the same. The Obvious State Classics Collection is an evolving series of visually reimagined beloved works that speaks to contemporary readers. The pocket-sized, collectable editions feature the selected works of celebrated authors such as T. S. Eliot, Edgar Allan Poe, Walt Whitman, Sara Teasdale and Henry David Thoreau.

Set in 1959 New England, Robin Williams stars in this story of an unorthodox English teacher's struggle to inspire independent thought and a passion for life in his class of young boys. 1989 Academy Award, Best Original Screenplay; WGA and Golden Globe Nominations.
