The Walkthrough offers a rare peek behind the curtain of the secretive video game industry from an unlikely perspective, that of a career strategy guide writer. For eighteen years, Doug Walsh was one of the most prolific authors of officially licensed video game strategy guides. One part memoir and one part industry tell-all, The Walkthrough takes players on an entertaining march through gaming's recent history, from the dawn of the PlayStation to the Xbox 360 and Nintendo Switch. Follow along as Walsh retraces his career and reveals how the books were made, what it was like writing guides to some of the industry's most celebrated — and derided — titles, and why the biggest publishers of guidebooks are no longer around. Walsh devotes entire chapters to many of gaming's most popular franchises, including Tony Hawk's Pro Skater, Gears of War, and Diablo, among others. From inauspicious beginnings with Daikatana to authoring the books for the entire Bioshock trilogy, with plenty of highs, lows, and Warp Pipes along the way, Walsh delivers a rare treat to twenty-first century gamers. The Walkthrough is sure to satisfy the curiosity of anyone who grew up with the works of BradyGames and Prima Games sprawled across their laps. With over one hundred books to his credit, and countless weeks spent at many of the most famous studios in North America, he is uniquely qualified to give an insider's perspective of a little-known niche within the multi-billion-dollar industry.

Two leading game designers take readers step by step through the entire process of creating a video game, from developing a story and integrating it into a game, to writing the game script, creating the design document, working with intellectual property rights and licensing, and selling an idea to developers and publishers. Original.

Deckard Cain made his way across the floor, following the footprints to an alcove in the far wall. Rotted boards clung to supports, the last remains of an ancient library. This had been a ritual chamber, many centuries before, used to summon things from beyond the human world. A portal to the Burning Hells themselves, perhaps. The shelves were empty now. He saw a speck of yellow underneath a splinter of wood and bent to pick up a corner of parchment paper, curled and speckled with mildew. Something moved in the shadows to his right. He whirled, holding the light up. For a moment it appeared as if the shadows themselves were alive, bunching and swirling like ink in water. At the same time, a voice like the distant moan of wind drifted through the empty room and raised the hairs on the back of his neck. “Deckaaaaarrddddd Caiiiiiinnnn . . .” Cain felt a strange doubling, a memory of a night many years before, when he was just a boy. A whispered voice calling to him, just like this. He backed away, fumbling in his rucksack with one hand, holding the lighted staff with the other against the darkness. Already he was doubting himself: had it just been the wind moving through the broken remains of the building above him, a trick his mind had played after so long in the sun? The voice came again, a sound like bones scraping together in the grave. “Your ghosts are many, old man, and they are active.” A grating of metal over rock seemed to come from everywhere at once. Once again a pool of black smoke thickened and then dissipated, only to reassemble somewhere else: a shape carrying a sword, the form of a man, but with eyes that glowed red with the fires of hell. Cain knew what this was, yanked from the depths of his own mind and used against him: the image of the Dark Wanderer himself, conjured up to weaken his resolve. The smoke-shape swirled and shifted, reforming into two indistinct human shapes, one taller and clearly female, one small and delicate. Shock raced through Cain's limbs as an older, familiar memory fought to surface. He closed his eyes against the darkness as the yawning pit of despair opened within him, threatening to pull him in. You must not listen. \*\*\* Deckard Cain is the last of the Horadrim, the sole surviving member of a mysterious and legendary order. Assembled by the archangel Tyrael, the Horadrim were charged with the sacred duty of seeking out and vanquishing the three Prime Evils: Diablo (the Lord of Terror), Mephisto (the Lord of Hatred), and Baal (the Lord of Destruction). But that was many years ago. As the decades passed, the Horadrim's strength diminished, and they fell into obscurity. Now all of their collected history, tactics, and wisdom lie within the aged hands of one man. A man who is growing concerned. Dark whisperings have begun to fill the air, tales of ancient evil stirring, rumblings of a demonic invasion set to tear the land apart. Amid the mounting dread, Deckard Cain uncovers startling new information that could bring about the salvation—or ruin—of the mortal world: other remnants of the Horadrim still exist. He must unravel where they have been and why they are hiding from one of their own. As Cain searches for the lost members of his order, he is thrust into an alliance with an unlikely ally: Leah, an eight-year-old girl feared by many to carry a diabolical curse. What is her secret? How is it tied to the prophesied End of Days? And if there are other living Horadrim, will they be able to stand against oblivion? These are the questions Deckard Cain must answer . . . . . before it is too late. The largest known meteorite has been discovered, entombed in the earth for millions of years on a frigid, desolate island off the southern tip of Chile. Since the beginning of time, the angelic hosts of the High Heavens and the demonic hordes of the Burning Hells have been locked in a struggle for the fate of all Creation. That struggle has now come to the mortal realm...and neither Man nor Demon nor Angel will be left unscathed.... Legend speaks of a long-dead city known as Ureh, thought by many to have been a gateway to

the High Heavens. It is believed that every two thousand years, when the stars align and the shadow of Mount Nymyr falls upon the ruins, Ureh is reborn -- and all its lost riches are revealed to those brave enough to seek them out. Now, after a lifetime of research and intense calculation, the Vizjerei sorcerer, Quov Tsin, has come to witness Ureh's rebirth for himself.
