B.K.S. Iyengar--hailed as "the Michelangelo of yoga" (BBC) and considered by many to be one of the most important yoga masters--has spent much of his life introducing the modern world to the ancient practice of yoga. Yoga's popularity is soaring, but its widespread acceptance as an exercise for physical fitness and the recognition of its health benefits have not been matched by an understanding of the emotional, intellectual, and spiritual development that the yogic tradition can also offer. In *Light on Life*, B.K.S. Iyengar brings readers this new and more complete understanding of the yogic journey. Here Iyengar explores the yogic goal to integrate the different parts of the self (body, emotions, mind, and soul), the role that the yoga postures and breathing techniques play in our search for wholeness, the external and internal obstacles that keep us from progressing along the path, and how yoga can transform our lives and help us to live in harmony with the world around us. For the first time, Iyengar uses stories from his own life, humor, and examples from modern culture to illustrate the profound gifts that yoga offers. Written with the depth of this sage's great wisdom, *Light on Life* is the culmination of a master's spiritual genius, a treasured companion to his seminal *Light on Yoga*.

The third in Paul Selig's popular "I Am the Word" channeled literature series, this extraordinary psychological-spiritual guide addresses how to overcome low self-worth and claim our true purpose as individuals. Winner of the 2014 Nautilus Award represents "Better Books for a Better World"—the Silver Award in the category of Religion /Spirituality: Other Traditions. In his third channeled text, Paul Selig—acclaimed author of *I Am the Word* and *The Book of Love and Creation*—brings us his most practical message yet. Informing us that “you decide what you are worth,” Selig's spiritual guides take readers through a program to understand our own inherent worth, and beat the fears that drain our inborn spiritual knowing.. Selig reveals that true understanding of our life's purpose can be found through “service”—the practice of the thing that you most love. Readers can discover their own form of service through this powerful mantra: “I know who I am, I know what I am, I know how I serve.”

'Raising your consciousness to the 'God Winks' that often go by unnoticed, and recognising them as tremendously personal, will affirm that your existence is not random and that you have a role to play in life's grand plan' Squire Rushnell Have you ever thought about someone who hasn't crossed your path or mind in years and then bumped into them? Are there such things as coincidences? Do they mean anything? According to Rushnell, 'coincidences, like winks from God, are encouraging signposts along your universal path.' In *WHEN GOD WINKS* he explains that a 'God Wink' is a message of reassurance that comes our way whenever we need it and that coincidences are the best way for God to establish a presence in our lives. Rushnell shows how to retrace crossroads (a new job, a death, change in relationships) that took us in an entirely different direction, showing how to map the turning points made by coincidences that have guided us throughout our lives. Best of all, *WHEN GOD WINKS* shows us how to create our own coincidences and turn wishes into winks. He explains his compelling theory of coincidences through a series of incredible stories and motivational writing on how coincidences play a role in all facets of our life, including career, love, history, medicine, entertainment, sports and politics with telling comments from Oprah Winfrey, Barbara Streisand, Mark Twain, Kevin Costner and other celebrities. *WHEN GOD WINKS* is a fascinating bridge to self-discovery.

Time is a precious gift. When you invest it well, it's marked with meaning and unforgettable moments of joy. But if you're like so many, you feel rushed. Overwhelmed. Pressured by your daily obligations and others' expectations. The need to please, to succeed, and to make a difference wears away at your joy and leaves you feeling empty or exhausted. Elizabeth Grace Saunders, internationally recognized time management expert, has helped everyone from busy moms to small business owners to corporate clients reorder their lives for success. She knows there are endless apps, books, and useful methods for becoming self-disciplined, organized, and more successful, but these tools alone aren't enough to provide true freedom from the stress of how to best manage time. Yet when Elizabeth's longtime faith intersected with her work, it unlocked the power of *Divine Time Management*. After a season of unusually high stress, where traditional time management methods fell short, she found a transformative sense of peace by surrendering her

plans to God. Pursuing God's wisdom in time management, Elizabeth discovered that by trusting Him she could achieve the happy, prosperous, confident life He lovingly planned for her. Now she shares how you can find purpose, joy, and the peace that comes from letting God guide your actions. Divine Time Management offers you: a path to deeper intimacy with God centered on trust in Him; an understanding of what God wants for your life, to inform how you set priorities; biblical and personal encouragement to embrace your God-given desires; effective ways to faithfully navigate major decisions; and proven time-saving methods. God delights in His children experiencing His best. Divine Time Management will help you align your life with God's best for you, for lasting joy with Christ at the center of your world.

Bringing what you know inside of yourself into focus and listening to your inner voice.

Sunday Morning Teach is a loud, clear clarion call to repent and align our lives to God through the power of a Rhema Word. As God speaks through this collection, we should approach each lesson with an open mind, an open heart and receptive spirit. It is the will of God that none should perish and that all should come to repentance (2 Peter 3:9). This treasury of messages was delivered to the author through personal visitations from God Himself. Beginning in February 2018 just before daybreak on 1st and 3rd Sunday mornings, God wrote this publication by awakening, teaching and mandating the author to listen and type as He explicitly downloaded his heart toward us. The design of each visitation is to intentionally tug at the heart of mankind, purposefully invoke sharpness in humanity's spiritual hearing and listening skills, and ultimately obeying the unadulterated holy Word of God. The time is now to hear God's voice. And the times of this ignorance God winked at; but now commands all men everywhere to repent: Because he hath appointed a day, in the which he will judge the world in righteousness by that man whom he hath ordained (Acts 17:30-31).

A leadership book by former Navy SEAL and New York Times bestselling author Mark Divine, *Staring Down the Wolf* focuses on harnessing the principles of purpose and discipline in life to achieve success. What does it take to command a team of elite individuals? It requires a commitment to seven key principles: Courage, Trust, Respect, Growth, Excellence, Resiliency, and Alignment. All of these are present in an elite team which commits to them deeply in order to forge the character worthy of uncommon success. Retired Navy SEAL Commander, entrepreneur and New York Times bestselling author Mark Divine (founder of SEALFIT, NavySeal.com, and Unbeatable Mind) reveals what makes the culture of an elite team, and how to get your own team to commit to serve at an elite level. Using principles he learned on the battlefield, training SEALs, and in his own entrepreneurial and growth company ventures, Mark knows what it is to lead elite teams, and how easily the team can fail by breaching these commitments. Elite teams challenge themselves to step up everyday to do the uncommon. Developing the principles yourself and aligning your team around these commitments will allow you to thrive in VUCA (volatility, uncertainty, complexity, ambiguity) environments, no matter your background or leadership experience. Drawing from his twenty years leading SEALs, and twenty five years of success and failure in entrepreneurship and ten years coaching corporate clients, Mark Divine shares a very unique perspective that will allow you to unlock the tremendous power of your team. "Mark Divine has a gift for creating highly effective dynamic teams. Mark interleaves key aspects of leadership, mental toughness, resiliency and cultivating higher plains of existence into a foundational concept of being an authentic 'Leader of leaders.' Scripts Among Her Glass Walls, by author Kyemma V. Campbell, helps people evolve and delve into their souls to find what truly makes them alive. She strives to ensure people

are motivated by what they love and lead from the heart because that's the beginning and ending of life. Scripts Among Her Glass Walls is a complication of odes and an introduction to parables, which invoke truth while honoring the eye of soul. The eye is your heart and any man, who walks in alignment with the eye of his soul knows peace. What you feed consumes your soul. There are people who love you; you have to be willing to give them a chance. Your words become you. When a person doesn't feel loved; it's rare that you'll find them walking within the call of your eye.... Everything begins and ends with love. I fall in love with Spirits; an unconventional woman with an abstract mind. Her soul has been placed here before; many moons ago, beyond time. Kyemma's odes and parables flow within the eye of your soul, helping you to view the many facets and dimensions of life, through the eastern eye of the human soul. For, we are the vessels who carry the souls, which speak. The soul speaks through the eye and the eye's the heart. The heart is meant to transcend the minds of men in the light and dark realms we encompass. We are nothing, but we become who and what we are by aligning our mind with the eye of our soul. This is when a man is most powerful. For, the journey starts within you; you just have to realize how powerful you are.
