Why would two women separated by thousands of miles share a common thread involving alien abduction? Both cases are supported by multiple witnesses and have substantial evidence. Both women experienced missing time while driving with a companion, and were later taken from their homes. Both have been unwilling participants in ongoing experimental procedures that appear to follow family genetic lines. Both witnesses have given detailed descriptions of the crafts' interiors and technology, medical procedures, messages from the visitors, and the types of ETs they have encountered, including their society's hierarchical structure. Even more startling, both have independently described finding themselves on identical huge craft, within the same timeframe. The Alien Abduction Files finally reveals: The little-known details of alien experimental procedures The theoretical science that can explain alien technology The messages conveyed by the ETs to abduction experiencers The vulnerabilities and benefits of living life as an abduction experiencer The evidence that these phenomena are real.

"A chronological collection of CIA documents, spanning the years 1949 to 2000, relevant to UFO research"--

In *Secret Life*, Professor David M. Jacobs of Temple University takes us into the private world of those abducted by aliens, letting them describe in their own words what it is

like to be abducted. Based on interviews with sixty individuals and more than 300 independently corroborated accounts, *Secret Life* presents the most complete and accurate picture of alien abductions ever compiled. Dr. Jacobs takes the reader on a minute-by-minute journey through a typical abduction experience and describes in detail the bizarre physical, mental and reproductive procedures that abductees claim have been administered by small alien beings. Jacobs draws from these interviews a profoundly unsettling reason behind the abductions: aliens are conducting a complex reproductive experiment involving the conception, gestation, or incubation of human and alien hybrid beings.

Unmasking the mysteries of alien life on earth! Make mention of the word “alien” and it conjures images of black-eyed, large-headed, dwarfish beings that have come to be known as the Greys. Indeed, Greys have become a staple part of pop-culture, never mind just the field of UFO research. They’ve appeared in Steven Spielberg’s classic 1977 movie, *Close Encounters of the Third Kind*. They regularly popped up in *The X-Files*. And, of course, there are numerous people – all across the world – who claim to have been abducted by the Greys and subjected to intrusive medical experiments. Yet, before the 1950s, the Greys were nowhere in sight. *The Alien Book: A Guide to Extraterrestrial Beings on Earth* shows that extraterrestrial life comes in all kinds, appearances, sizes, and bodies. They all have one thing in common, however: the human race has encountered them, and we continue to do so today. Not just dozens, or

even hundreds, but thousands of eyewitness experiences have been reported. Covering hundreds of extraterrestrial life forms in more than 40 thematic chapters, this absorbing look at the mysteries of aliens on earth includes ... the Space Brothers: long-haired, very human-looking ETs the fiendish Reptilians: seven-to-eight-foot-tall predatory shapeshifters Men in Black beings: extremely pale-skinned, tall, and with huge eyes Black-eyed Children: anemic-looking kids with solid black eyes that might be ET-human hybrids Bigfoot the werewolf-like Dogmen jellyfish-style aliens that soar around the skies of our world the Shadow People: dangerous humanoids that terrorize people legendary Nephilim space-vampires: insect-like aliens that resemble a giant praying mantis and many, many more! The Alien Book investigates the full range of sentient, alien life forms. Some are benign and others downright deadly. Some are small, like a germ or virus that has NASA, creating guidelines to deal with an outbreak of an extraterrestrial germ. Some are big like a giant praying mantis or the biblical Goliath. They all lurk on Earth and in this chilling book! With more than 120 photos and graphics, this tome is richly illustrated. Its helpful bibliography and extensive index add to its usefulness.

Dolores has accumulated information about the Death experience and what lies beyond through 16 years of hypnotic research and past-life therapy. While retrieving past-life experiences, hundreds of subjects reported the same memories when experiencing their death, the spirit realm, and their rebirth. This book also explores: * Guides and

guardian angels* Ghosts and poltergeists* Planning your present lifetime and karmic relationships before your birth* The significance of bad lifetimes* Perceptions of God and the Devil* And much more

The third and final book in their series contains 132 additional quatrains written and deciphered by Nostradamus himself, plus the exposure of bogus quatrains erroneously attributed to the great psychic Dolores Cannon has pierced the veil of the space/time continuum by her use of regressive hypnosis, to bring us warnings of events to come. This volume continues to work through various subjects and completes the interpretation of all the known prophecies.

Documents how 12 people, as part of a top-secret U.S. government program, traveled to the planet Serpo and lived there for 13 years • Based on the debriefing of the Serpo team and the diary of the expedition's commander • Explains how the aliens helped us reverse-engineer their antigravity spacecraft and develop technology to solve our planet-wide energy problems • Reveals how our government has an ongoing relationship with the Serpo aliens On July 16, 1965, a massive alien spacecraft from the Zeta Reticuli star system landed at the Nevada test site north of Las Vegas. Following a plan set in motion by President Kennedy in 1962, the alien visitors known as the Ebens welcomed 12 astronaut-trained military personnel aboard their craft for the 10-month journey to their home planet, Serpo, 39 light-years away. In November 2005, former and current members of the Defense Intelligence Agency--directed by Kennedy to organize the

Serpo exchange program--came forward to reveal the operation, including details from the 3,000-page debriefing of the 7 members of the Serpo team who returned after 13 years on the planet. Working with the DIA originators of the Serpo project and the diary kept by the expedition's commanding officer, Len Kasten chronicles the complete journey of these cosmic pioneers, including their remarkable stories of life on an alien planet, superluminal space travel, and advanced knowledge of alien technologies. He reveals how the Ebens presented the U.S. with "The Yellow Book"--a complete history of the universe recorded holographically, allowing the reader to view actual scenes from pre-history to the present. He explains how the Ebens helped us reverse-engineer their antigravity spacecraft and develop technology to solve our planet-wide energy problems--knowledge still classified. Exposing the truth of human-alien interaction and interplanetary travel, Kasten reveals not only that the Ebens have returned to Earth eight times but also that our government continues to have an ongoing relationship with them--a relationship with the potential to advance the human race into the future. UFO Sightings and Abductions by aliens were the beginning, the tip of the iceberg. Dolores Cannon's work in hypnosis has taken the study beyond abduction. This accumulation of 12 years of cases includes: * Cases of missing time * Spacecraft from other dimensions and planes of existence * Condensed or distorted time * The differences and functions of various alien races * And much more Dolores traces the phenomenon from the simple to the complex. Exploring areas untouched by other

investigators, she makes the unbelievable become acceptable and understandable. After fifty years of widespread speculation about UFOs and abductions by aliens, a distinguished historian and UFO researcher presents the first evidence-based explanation of alien intentions. Based on over thirty years of personal research, Professor Jacobs exposes the aliens' profoundly alarming agenda: to create a breed of alien-human 'hybrids' who will eventually colonise - and control - Earth. He explains why aliens are here, what they want and why their agenda has been kept secret. In doing so he presents a disturbing picture of a profoundly changed future in which humans will be relegated to inferior status. This incredible story is all the more remarkable because every account of an alien abduction is thoroughly documented and is corroborated by independent testimony. This book answers in astonishing depth some of the most important questions about the UFO phenomenon that researchers have been asking since the beginning of the controversy.

We are children of the stars. This is our legacy and our heritage. In the history of the cosmos, Earth is a young planet. Our souls, on the other hand, have been around forever and will continue to be around forever. Thus Earth is not our only home. We have lived many lives in unusual environments before deciding to journey here and learn the lessons of Earth. After our schooling is completed on this planet, we will journey onward to discover new worlds to explore. The memories of these soul journeys are recorded in our subconscious, and in Legacy from the Stars hypnotherapist Dolores Cannon shows that they can be retrieved through regressive hypnosis. She reports dramatic cases where the subjects relived other lifetimes in strange environments -- inhabitants of other

planets. After reading her latest book, you may agree that "we are all extraterrestrials," and Earth is merely a stop-over in our long adventure. Through regressive hypnosis a lost legend of the history of mankind has been retrieved from the recesses of time. Did the American Indians descend from the inhabitants of an alien spacecraft that crashed in the Alaska-Canada region thousands of years ago? Starcrash indicates that aliens continued to come to Earth, some intentionally and by accident, throughout our history. In order to adjust to harsh conditions they were forced to interbreed with the local aborigines. This was the only way to insure the survival of their race. Does their blood still flow in the veins of certain American Indian tribes?

This book is about the connection to aliens/extraterrestrials through the means of channeling and their messages for us.

An in-depth study of humanity's Anunnaki origins and the Anunnaki battle for an intelligent versus enslaved humanity • Explains the genetic engineering of humanity by an Anunnaki scientist Ninmah • Shows how the concepts of sin and the inferiority of women arose from Enlil's will to keep humanity underdeveloped, clashing with Enki's and Ninmah's plan to make us equal in intelligence • Reveals how humanity's long history of conflict was shaped by the battle

between Enki and his brother Enlil Further developing the revolutionary work of Zecharia Sitchin, Chris Hardy shows that the “gods” of ancient myth, visitors from the planet Nibiru, created us using their own “divine” DNA--first through DNA extraction from their own ribs’ marrow and later by direct relations with early human females. Drawing upon multiple sacred texts, Hardy details the genetic engineering of humanity by Anunnaki scientist Ninmah, with the help of Enki and Hermes. She reveals how Ninmah’s first female human creation, Tiamat/Eve, contained more alien DNA than the earlier male one, Adamu, and how the biblical Noah represents the perfection of her work. Examining the war between Anunnaki brothers Enki and Enlil, Hardy reveals how the concepts of sin and the inferiority of women were born out of Enlil’s attempts to enslave and then wipe out humanity, repeatedly thwarted by Enki and Ninmah. The author further explains how the sacred sexuality taught to humans--still seen in Tantric practice--became suppressed millennia later by the patriarchal concept of original sin and how innocent Eve took the blame for the expulsion from Eden and fall from Grace. Showing that the god who created us was not the same god who expelled us from Eden, Hardy explains that there will be no apocalypse because the Good/Evil duality has never truly existed--it has been only enemy gods fighting and implicating humanity in the wake of their own competition for power.

With a full psychological understanding of how the ancient “gods” have shaped humanity’s ongoing history of conflict, we can move beyond the framework of “(my) Good versus (your) Evil” imposed by Enlil and begin to steer our own planetary destiny.

New proof of a nuclear catastrophe on Mars! In an epic story of discovery, strong evidence is presented for a dead civilization on Mars and the shocking reason for its demise: an ancient planetary-scale nuclear massacre leaving isotopic traces of vast explosions that endure to our present age. The story told by a wide range of Mars data is now clear. Mars was once Earth-like in climate, with an ocean and rivers, and for a long period became home to both plant and animal life, including a humanoid civilization. Then, for unfathomable reasons, a massive thermo-nuclear explosion ravaged the centers of the Martian civilization and destroyed the biosphere of the planet. But the story does not end there. This tragedy may explain Fermi's Paradox, the fact that the cosmos, seemingly so fertile and with so many planets suitable for life, is as silent as a graveyard. We must immediately send astronauts to Mars to maximize our knowledge of what happened there, and learn how to avoid Mars’ fate. Includes an 8-page color section.

This sequel to *The Convolved Universe - Book One* provides metaphysical information obtained through numerous subjects by hypnotic past-life regression. *The Classic Case of Alien Abduction Rereleased with a New Afterword for a New Generation* The Andreasson Affair is more than just a classic example of a close encounter. It is—to use the jargon of ufologists—a case of such “high strangeness” that even the most open-minded investigators were at first inclined to dismiss it out of hand. Yet it has become probably the best documented case of its kind to date, the subject of an intensive 12-month investigation conducted for the Center for UFO Studies (CUFOS) that involved, among other things, the recording of large quantities of testimony given under hypnosis, extensive lie detector testing of witnesses, detailed analysis of corroborative circumstantial evidence, exhaustive comparison with other such accounts, and much more. The Andreasson Affair includes: The most detailed description of any UFO abduction experience. Betty’s precise drawings of her experience. A

supporting foreword to the book by astronomer Dr. J. Allen Hynek. Verification of all events associated with Betty's experience.

In 1945 when the atomic bombs were dropped in WWII, our "protectors" and "watchers" in outer space saw that Earth was on a collision course with disaster. The prime directive of non-interference prevented them from taking any action, but then they came up with a brilliant plan to save Earth and assist her in her ascension. They couldn't interfere from the "outside", but maybe they could influence from the "inside". So the call went out for volunteers to come and help. "Earth is in trouble - who wants to volunteer?" The native souls living on Earth were too caught up on the wheel of karma. The only hope was to ask for pure souls to come who had never been trapped on the karmic cycle. Dolores in her hypnosis work has discovered three waves of these volunteers. Some have come direct from the "Source" and have never lived in any type of physical body before. Others have lived as space beings on other planets or other dimensions. Because all memory is erased upon entry to the Earth dimension, they do not remember their assignment. Thus these beautiful souls have a difficult time adjusting to our chaotic world. These souls have a vital role to play as they help all of the rest of us ascend to the New Earth. * Characteristics of the Three Waves of Volunteers * The Difficulties being Experienced by First-Timers * How the Shift is affecting the Physical Body * The Roles of ETs and Light Beings in the Shift * Keepers of the Grid * The Separation of the Old and New Earth * What is the New Earth? * What is the Significance of 2012?

Unearthly Disclosure is a story of alien bases, alien contacts and abductions, genetic mutants, animal mutilations, and government paranoia. Here, Timothy Good, one of the world's most respected authorities on the alien phenomenon, reveals for the first time sensational

information provided to him by high-level military and scientific sources, who confirm that aliens have established subterranean and submarine bases on Earth and that extra-terrestrial contact has been made with a select group in the US military and scientific intelligence community. Among numerous revelations in this book are those involving the alien creature photographed by Filiberto Caponi in Italy. The author spent several years investigating this controversial case and commissioned an Expert Witness checked by the Law Society to analyse Caponi's astonishing photographs. Published for the first time, this unique story forms the central section of *Unearthly Disclosure*.

“The famous 1961 Betty and Barney Hill abduction by non-humans is taken apart, meticulously re-examined by Betty’s niece Kathleen Marden and nuclear physicist Stanton T. Friedman, and reinforced by the pressure of facts.” —Linda Moulton Howe, Emmy award-winning TV producer, reporter, and editor, *Earthfiles.com Today*, 60 years after the UFO abduction of Betty and Barney Hill, more and more people are convinced that UFOs are real and their existence is being covered up by the government. If you have doubts or questions about the Hill case or alien experiences in general, *Captured!* will give you the answers you’re searching for. The 1961 abduction of the Hills stirred worldwide interest and enthralled the public and media for decades. The case is mentioned in almost all UFO abduction books. It also became a target for debunkers, who still attack it today. But the complete story of what really happened that day, its effect on the participants, and the findings of investigators has never been told—until now. In *Captured!* you’ll get an insider’s look at the alien abduction, previously unpublished information about the lives of the Hills before and after Barney’s death in 1969, their status as celebrities, Betty’s experiences as a UFO investigator, and other activities before her death in

2004. Kathleen Marden, Betty Hill's niece, shares details from her discussions with Betty and from the evidence of the UFO abduction. She also looks at the Hills' riveting hypnosis sessions about their time onboard the spacecraft. The results of a new chemical analysis of the dress Betty was abducted in is shared, which found unusual and rare elements on it Newly discovered letters at the American Philosophical Society by debunker Philip Klass, regarding an orchestrated plot to paint Betty as delusional reveal what early detractors tried to do. In addition, coauthor, physicist, and ufologist Stanton T. Friedman reviews and refutes the arguments of those who have attacked the Hill case, including the star map Betty Hill saw inside the craft and later recreated.

A deep dive into the world of Ufology--the study and search for extraterrestrial life--with a fun, informative, humorous look at the history of this strange world of conspiracy. Throughout history people have witnessed a dizzying show of mysterious lights in the sky. Whether they are the devices of alien interlopers or more mundane weather phenomena, they have spawned a legacy of government inquiries, secretive societies, and countless dedicated investigators. We call them "Unidentified Flying Objects," and they have claimed a prominent position in popular culture, enduring in part thanks to the legacy of researchers and persistently peculiar mysteries.

Based on forty-five years of hypnotic research and past-life therapy, provides information about the death and rebirth experiences as reported during conversations between the author and hundreds of deceased subjects.

Dolores Cannon uses information obtained from regressive hypnosis to formulate a provocative viewpoint on the ancient astronaut theory of human origins. Her findings indicate

that the earth was seeded eons ago by travellers from outer space. These visits by ancient extraterrestrials did not end with their intervention in human evolution. They have continued up to the present day resulting in a whole class of contemporary humans who have been subject to alien abduction.

* Is it possible that you are living in other universes simultaneously with this one? * Do you travel back and forth between other dimensions without your conscious knowledge? * Could it be possible that you are only a splinter or fragment of a much larger soul? * Do parallel universes exist side-by-side with this one? * Are you living all your past and future lives at the same time? * What is the God Source? These questions and many more are explored in this long-awaited sequel to The Custodians. This information proceeded beyond abduction into complicated metaphysics, creating the need to explore more mind-expanding

This book tells the story of the authors personal encounters with blue-skinned beings from the Pleiades as well as other amazing encounters with strange people, places and Beings. It also tells of the ancient extraterrestrial War between the Pleiades and the subterranean serpent race, the destruction of a civilization on Mars and a Planet called Phaeton and how our Secret History is taught in ancient Mythology around the globe. You will learn how to discern between

astral entities, extraterrestrials and angelic Beings. Lessons are given on how to travel and explore the Universe with consciousness alone so that you can verify things for yourself. Finally you learn why our History and Destiny are hidden from mainstream culture. For thousands of years Planet Earth has been surrounded by a fog of ignorance, but the veils of reality are set to be lifted as we ourselves ascend in levels of consciousness rather than waiting for some outside force to fix things for us. While the authors previous books provided exercises in raising your level of consciousness, this book allows you to enter the perspective of a higher level of consciousness.

Many of us lived previous lives as keepers of sacred knowledge that was taught in the ancient mystery schools. Much of this knowledge was lost through time due to disasters and destruction or death. The knowledge was reserved for a select few who devoted their lives to understanding and teaching it.

A Consortium book.

Through a million-to-one-chance contact through hypnosis, Nostradamus has broken through to our time period to reveal the events he foresaw rushing toward humankind. The master himself explains the puzzles he carefully concealed in code within his famous quatrains or prophecies. By speaking from his time to our time, he warns us so we can use our free will to help change the future. These three volumes contain the quatrains that pertained to our present and future. Their accuracy has been astonishing. They have been coming true at an alarming rate. There was an addendum added to volume one showing some of these.

THE BEGINNING What do you do when you discover information that is before its time? What do you do when your curiosity takes you on an adventure that is so bizarre that there is nothing "normal" to relate to? This is what happened to Dolores Cannon in 1968, long before she began her career as a past-life hypnotherapist and regressionist. Travel back with us to that time when the words "reincarnation, past-lives, regression, walk-ins, New Age" were unknown to the general population. This is the story of two normal people, who accidentally stumbled across past-lives while working with a doctor to help a patient relax. It began so innocently, yet it crossed the boundaries of the imagination to open up an entirely new way of thinking at a time when such a thing was unheard of. It went totally against the belief systems of the time. It was so startling that they should have stopped, but their curiosity demanded that they continue to explore the unorthodox. The experiment changed the participants and everyone involved, and their beliefs would never be the same. Dolores Cannon is now a world-renowned hypnotherapist who has explored thousands of cases in the forty years since 1968, and has written fifteen books about her discoveries. Her books are translated into more than 20 languages. She is teaching her unique form of hypnosis all over the world. When she lectures people ask, "How did you get started on all of this?" This is the story of her beginnings. The book was written in 1980, her very first book. It has laid dormant, gathering dust, until now, waiting. Now is the time for it to come forth. Enjoy the adventure!

Dolores Cannon has accumulated information about the death experience and what lies beyond, through 16 years of hypnotic research and past-life therapy. While revealing these

experiences hundreds of subjects reported the same memories when experiencing their death, the spirit realm and their rebirth. Recorded and dictated word for word, the subjects reveal enlightening wisdom that is hidden in the subconscious of all humankind.

Psychologist and researcher Don Donderi examines the evidence and research from the past several decades on the changing nature of UFOs. He looks at why the scientific establishment takes a dim view of UFOs and abduction evidence and examines how the US government has collected and suppressed UFO evidence. UFOs, ETs, and Alien Abductions is a wide-ranging examination of all things off-planet that falls into 3 sections. 1. UFOs: evidence and belief between 1947 through 1965 and Cold War mysteries 2. The changing nature of UFO phenomenon from 1965 to the present, which makes the case for the existence of humanoid crew members seen in and around landed UFOs. This section also examines six well-documented abduction cases, and includes the author detailing his own research involvement with the evidence. He refutes the belief that all abductees are mentally disturbed and that a psychological disturbance explains the experience. 3. The third section is devoted to a very meaty and controversial analysis of science, politics, and UFOs.

UFO sightings and abductions by aliens were the beginning, the tip of the iceberg. Dolore Cannon's work in Hypnosis has taken the study beyond abduction. Dolores traces the phenomenon from the simple to the complex. Exploring areas untouched by other investigators, she makes the unbelievable become acceptable and understandable!

In this book you will discover what the messages from the different body systems mean

and how you can heal any situation by understanding the message that is being delivered and acting appropriately on that message. This is a secret language that is now being revealed. It is no longer a mystery. Discover for yourself what YOU are trying to say to YOURSELF.

The bestselling author probes the ultimate significance behind today's increasing reports of UFOs, alien abductions, crop circles, and other unexplained phenomena-and what they mean for humanity's immediate future. In 1987 writer Whitley Strieber exposed the world to the truth about alien abduction in his landmark memoir, *Communion*. For the first time in years, Strieber revisits his encounter with alien intelligences-but now dramatically widens his search to explore how "the visitors" connect with today's persistent and globe-spanning reports of anomalous phenomena, such as crop circles, cattle mutilations, UFO sightings, alien abductions, near-death experiences, close encounters, and unexplained bodily implants. In his magisterial style, Strieber contextualizes these bizarre and unsettling reports with his own childhood memories of strange schools, sinister experiments, and family secrets. In exploring today's most convincing cases of unexplained phenomena, Strieber reasons that they are not unrelated events. Nor are they the result of mass delusion. In some of his most persuasive writing, Strieber argues that the wave of mysterious episodes marks a transition that humanity is undergoing right now. Against all conscious understanding, we are experiencing a broadened awareness of dimensions of reality

that exist beyond our current perceptions.

This is the fifth book in the revolutionary Convolutioned Universe series that begun in 2001.
