Eva Destruction is Back! Eva is an MI6 agent who wakes to find armed men in her apartment hell-bent on revenge. The only problem is, she has no idea what they're talking about.

Someone has stolen the last sixth months' worth of her memories and the fate of the world rides on getting them back. On the eve of the G8 summit, Eva is thrown headlong into globe-trotting assassinations and gun battles on the trail of the mysterious plan known only as Halcyon. Together with a besotted CIA agent and a misogynistic MI6 operative, Eva races across the world to retrace her steps in the hopes of finding answers. With the clock ticking, Eva must track down those behind her memory loss, as well as battle a foe she can't remember. The globetrotting takes her from London, to exotic Macau casinos, to Hong Kong hydrofoils, to French castles, to English mansions, to a car chase between an ice-cream van containing a nuclear weapon and black SUVs through the streets of London. With betrayal at every turn, Eva discovers she can't trust anyone, including her own organisation. Eva must face down nuclear annihilation alone and she hasn't even had her coffee yet.

This accessible, practice-oriented and compact text provides a hands-on introduction to the principles of market research. Using the market research process as a framework, the authors explain how to collect and describe the necessary data and present the most important and frequently used quantitative analysis techniques, such as ANOVA, regression analysis, factor analysis, and cluster analysis. An explanation is provided of the theoretical choices a market researcher has to make with regard to each technique, as well as how these are translated into actions in IBM SPSS Statistics. This includes a discussion of what the outputs mean and how they should be interpreted from a market research perspective. Each chapter concludes with a case study that illustrates the process based on real-world data. A comprehensive web

A revolutionary philosophy for rookie and veteran travelers alike, Rediscovering Travel “gets to the heart of why we travel” (Matt Kepnes, “Nomadic Matt”). Having captivated millions during his tenure as the New York Times’s “Frugal Traveler,” Seth Kugel is one of our most internationally beloved travel writers. With the initial publication of Rediscovering Travel, he took the corporate modern travel industry to task, determined to reignite an age- old sense of adventure that has virtually been vanquished by the spontaneity- obliterating likes of Google Maps, TripAdvisor, and Starwood points. Now in travel- friendly paperback, this “funny, inspiring and well- crafted” companion (Associated Press) reveals how to make the most of new apps and other digital technologies without being shackled to them. Writing for the tight- belted tourists and the fi rst- class fl yer, the eager student and the comfort- seeking retiree, Kugel shows all readers “not only where to look, but how” (Samantha Brown), and promises that we too can rediscover the joy of discovery. “Travel is not about the destination but the experience. . . . That’s what makes [it] so appealing, so addictive, and that’s what makes Rediscovering Travel so necessary.” — Peter Greenberg
