

## The Rain Maker Elisha Goodman

Widely acknowledged as a contemporary classic that has introduced thousands of readers to American literature, *From Puritanism to Postmodernism: A History of American Literature* brilliantly charts the fascinating story of American literature from the Puritan legacy to the advent of postmodernism. From realism and romanticism to modernism and postmodernism it examines and reflects on the work of a rich panoply of writers, including Poe, Melville, Fitzgerald, Pound, Wallace Stevens, Gwendolyn Brooks and Thomas Pynchon. Characterised throughout by a vibrant and engaging style it is a superb introduction to American literature, placing it thoughtfully in its rich social, ideological and historical context. A tour de force of both literary and historical writing, this Routledge Classics edition includes a new preface by co-author Richard Ruland, a new foreword by Linda Wagner-Martin and a fascinating interview with Richard Ruland, in which he reflects on the nature of American fiction and his collaboration with Malclolm Bradbury. It is published here for the first time.

An account of the Flint water crisis shows that Flint's struggle for safe and affordable water is part of a broader struggle for democracy. When Flint, Michigan, changed its source of municipal water from Lake Huron to the Flint River, Flint residents were repeatedly assured that the water was of the highest quality. At the switchover ceremony, the mayor and other officials performed a celebratory toast, declaring "Here's to Flint!" and downing glasses of freshly treated water. But as we now

know, the water coming out of residents' taps harbored a variety of contaminants, including high levels of lead. In *Flint Fights Back*, Benjamin Pauli examines the water crisis and the political activism that it inspired, arguing that Flint's struggle for safe and affordable water was part of a broader struggle for democracy. Pauli connects Flint's water activism with the ongoing movement protesting the state of Michigan's policy of replacing elected officials in financially troubled cities like Flint and Detroit with appointed "emergency managers." Pauli distinguishes the political narrative of the water crisis from the historical and technical narratives, showing that Flint activists' emphasis on democracy helped them to overcome some of the limitations of standard environmental justice frameworks. He discusses the pro-democracy (anti-emergency manager) movement and traces the rise of the "water warriors"; describes the uncompromising activist culture that developed out of the experience of being dismissed and disparaged by officials; and examines the interplay of activism and scientific expertise. Finally, he explores efforts by activists to expand the struggle for water justice and to organize newly mobilized residents into a movement for a radically democratic Flint.

It is possible for you to move from debt into abundance in a short space of time. There are provisions in the scripture to help you do this. In this book you will discover the biblical secret of the jar of oil that never runs dry. After reading this manual and applying the teachings, you will know how to unlock the storehouse of God using debt-free prayers, scriptural giving and other

principles of kingdom economics.

### PASSION PRAYER OF JESUS THE CHRIST The 7 Secret Principles of Jesus

Some people think that dreams mean nothing at all. But we see in the Bible that God sometimes speak to people through dreams. Knowing how to understand your dreams can save your job, your home and even the life of a loved one someday. In this book you will discover the three types of dreams. You will see how to turn your good dreams into reality almost overnight. You will know how to recognize and cancel bad and ugly dreams.

A rainmaker is someone who brings timely solutions to spiritual problems. He or she does this through "targeted" prayers. In the Bible, people like Hannah, Elijah and even our Lord Jesus were rainmakers. Today, 21st century rainmakers are busy using the principles of scripture to pray for healing, deliverance and prosperity, and bringing joy to the lives thousands all over the world. This book reveals their secrets and shows you how you can manifest your daily divine blessings through prayer.

"Magnificent." (Anthony Doerr, author of *All the Light We Cannot See*) From Annie Proulx, the Pulitzer Prize- and National Book Award-winning author of *The Shipping News* and "Brokeback Mountain" comes her masterwork: an epic, dazzling, violent, marvelously dramatic novel about the destruction of the world's forests. In the late seventeenth century, two penniless young Frenchmen, René Sel and Charles Duquet, arrive in Canada, then known as New France. Bound to a feudal lord, a seigneur, for three years in exchange for land, they become woodcutters—barkskins. Sel suffers extraordinary hardship, oppressed by the forest he is charged with clearing. He is forced to marry a Mi'kmaw woman, and their descendants live trapped between two

hostile cultures. Duquet, crafty and ruthless, runs away from the seigneur, becomes a fur trader, then sets up a timber business. Proulx tells the stories of the descendants of Sel and Duquet over three hundred years—their travels across North America, to Europe, China and New Zealand under stunningly brutal conditions—the revenge of rivals, accidents, pestilence and cultural annihilation. Again and again, they seize what they can of a presumed infinite resource, leaving the modern-day characters face-to-face with possible ecological collapse. Proulx's inimitable genius is her creation of characters who are so vivid—in their greed, lust, vengefulness or their compassion and hope—that we follow them with fierce attention. Annie Proulx is one of the most formidable and compelling American writers, and *Barkskins* is her greatest novel, a superb marriage of history and imagination.

An anthology of poetry for children between the ages of six and fourteen encompassing such topics as "Baby-Days," "Animals and Birds," "Trees and Flowers," and "Christmas and New Year."

Published in 1839 and edited by abolitionist Theodore Dwight Weld, this work presents hundreds of primary-source accounts of the reality of slavery in the American South. The book's first section collects vivid first-person accounts by former slaves of their lives in slavery. In the second part, Weld offers page after page of stark quotations—some as short as a single sentence—from various Southern periodicals that illustrate in graphic detail the bondage, floggings, maimings and other horrors endured by slaves. Weld also presents and dissects various pro-slavery arguments. Distributed by the American Anti-Slavery Society, *American Slavery As It Is* was second only to *Uncle Tom's Cabin* for its impact on the anti-slavery movement in the United States.

In old England, if a king didn't like you, he would cut off your

head. Now, if they don't like you, they'll cut off your project! As the Johnson Administration initiated its war on poverty in the 1960s, the Mingo County Economic Opportunity Commission project was established in southern West Virginia. Huey Perry, a young, local history teacher was named the director of this program and soon he began to promote self-sufficiency among low-income and vulnerable populations. As the poor of Mingo County worked together to improve conditions, the local political infrastructure felt threatened by a shift in power. Bloody Mingo County, known for its violent labor movements, corrupt government, and the infamous Hatfield-McCoy rivalry, met Perry's revolution with opposition and resistance. In *They'll Cut Off Your Project*, Huey Perry reveals his efforts to help the poor of an Appalachian community challenge a local regime. He describes this community's attempts to improve school programs and conditions, establish cooperative grocery stores to bypass inflated prices, and expose electoral fraud. Along the way, Perry unfolds the local authority's hostile backlash to such change and the extreme measures that led to an eventual investigation by the FBI. *They'll Cut Off Your Project* chronicles the triumphs and failures of the war on poverty, illustrating why and how a local government that purports to work for the public's welfare cuts off a project for social reform.

What is an Esther Fast? Why is the midnight prayer so powerful? In this book you will discover these biblical secrets and more. After reading this prayer manual, you will know why a few believers are able to consistently obtain answers to their prayers, no matter how impossible the situation may look. And what you can do to join them today.

There are prayers that can help rekindle the interest of your spouse in your marriage, even if he or she hasn't looked at you in years. In some cases, these prayers can help turn any

troubled relationship to a terrific relationship in as short a time as 21 days.

Evans equips parents to raise their children with a Kingdom perspective and also offers practical how-to advice on providing spiritual training as instructed in Scripture. He begins with an overarching look at the need for Kingdom parenting, our roles and responsibilities in raising God-following children, and how to prepare children to take on the assignments God has for their lives. He then provides specific training for kids in the power of prayer, wisdom, loving God's Word, getting through trials, controlling their tongues, developing patience, the surrender of service, and much more.

This authoritative catalogue of the Corcoran Gallery of Art's renowned collection of pre-1945 American paintings will greatly enhance scholarly and public understanding of one of the finest and most important collections of historic American art in the world. Composed of more than 600 objects dating from 1740 to 1945.

Deeply researched and beautifully written, this fascinating and accessible study of one of our most common, disabling—and yet often dismissed—disorders will appeal to physicians, historians, scholars in medical humanities, and people living with migraine alike.

This first verse-by-verse commentary on the Greek text of the Testament of Abraham places the work within the history of both Jewish and Christian literature. It emphasizes the literary artistry and comedic nature of the Testament, brings to the task of interpretation a mass of comparative material, and establishes that, although the Testament goes back to a Jewish tale of the first or second century CE, the

Christian elements are much more extensive than has previously been realized. The commentary further highlights the dependence of the Testament upon both Greco-Roman mythology and the Jewish Bible. This should be the standard commentary for years to come.

Unknown to most of us what happens in the marine kingdom goes a long way in affecting human existence on earth. The marine kingdom has been used by satan to challenge the purposes of God on earth. Marine spirits are found in oceans, rivers, streams, pools of water and in the human body, etc. These are tough demons that always resist deliverance. They are highly deceptive and possess spiritual capacity to ruin human lives and nations.

ABOUT THE BOOK Stepping High is a 21-day personal prayer and fasting programme designed to help participants seek the face of God for MARITAL BREAKTHROUGH. The prayer points assigned for each day are heaven-provoking and testimony-bringing. It is also an opportunity to discipline and rid yourself of any bad habits. By the end of these 21 days, we expect your testimony. For this 21-day endeavor to be successful, you must have faith and determination. Therefore, prepare your heart and devote yourself to this spiritual retreat.

From the day you invited the Lord Jesus Christ into your life, there are certain prayers you should have been praying, in order to recover all that the enemy

had stolen from you in the days of ignorance without Christ. This book reveals the secret of breakthrough prayers that will help to smash through spiritual obstacles that are impossible for others.

This book is a product of divine revelation. It has been offered to the body of Christ to help the reader to come up with an understanding of the activities of the power of darkness that have been ignored due to ignorance. The devices of darkness are exposed.

The weapons of dark powers are brought to the open in order to help battle-ready warriors learn what it takes to destroy such weapons. The book contains acidic prayer points which will enable the readers to deal decisively with the powers that attack when men sleep. This book affords you the opportunity to uproot the plantations of darkness and fulfil your destiny.

Shortlisted for the Financial Times and McKinsey Best Book of the Year Award in 2011 “A masterpiece.” —Steven D.

Levitt, coauthor of Freakonomics “Bursting with insights.”

—The New York Times Book Review A pioneering urban economist presents a myth-shattering look at the majesty and greatness of cities America is an urban nation, yet cities get a bad rap: they're dirty, poor, unhealthy, environmentally unfriendly . . . or are they? In this revelatory book, Edward Glaeser, a leading urban economist, declares that cities are actually the healthiest, greenest, and richest (in both cultural and economic terms) places to live. He travels through history and around the globe to reveal the hidden workings of cities and how they bring out the best in humankind. Using intrepid reportage, keen analysis, and cogent argument, Glaeser
