

The Study Guide Color Purple

THE SUNDAY TIMES BESTSELLER 'A mind-expanding tour of the world without leaving your paintbox. Every colour has a story, and here are some of the most alluring, alarming, and thought-provoking. Very hard painting the hallway magnolia after this inspiring primer.' Simon Garfield *The Secret Lives of Colour* tells the unusual stories of the 75 most fascinating shades, dyes and hues. From blonde to ginger, the brown that changed the way battles were fought to the white that protected against the plague, Picasso's blue period to the charcoal on the cave walls at Lascaux, acid yellow to kelly green, and from scarlet women to imperial purple, these surprising stories run like a bright thread throughout history. In this book Kassia St Clair has turned her lifelong obsession with colours and where they come from (whether Van Gogh's chrome yellow sunflowers or punk's fluorescent pink) into a unique study of human civilisation. Across fashion and politics, art and war, *The Secret Lives of Colour* tell the vivid story of our culture.

In today's uncertain world, storms will arise that test your faith in a loving heavenly Father. At times, the winds and waves of the world's deceptions will roll in and seek to erode your confidence in God. Without a firm foundation in the truth of God's Word, you may be tempted to go off course and accept less than God's best for you. However, when you hear Jesus' words, receive them, and put them into practice, you will construct a life the torrents cannot shake, "because it was well built" (Luke 6:48). *The Purple Book* will help you understand foundational truths that God wants you to hear on topics such as sin, salvation, spiritual gifts, prayer, worship, generosity, and evangelism. It will show you how the Bible is "God-breathed and is useful for teaching, rebuking, correcting and training in righteousness" (2 Timothy 3:16). It will help you understand that the faith you hold has true power to change lives and transform nations. It will give you a solid foundation the enemy cannot dismantle—and a heart shaped by knowledge of God's Word.

Mixing cultural criticism, literary history, biography, and memoir, an exploration of Alice Walker's critically acclaimed and controversial novel, *The Color Purple* Alice Walker made history in 1982 when she became the first black woman to win the Pulitzer Prize and the National Book Award for *The Color Purple*.

Published in the Reagan era amid a severe backlash to civil rights, the Jazz Age novel tells the story of racial and gender inequality through the life of a 14-year-old girl from Georgia who is haunted by domestic and sexual violence. Prominent academic and activist Salamishah Tillet combines cultural criticism, history, and

memoir to explore Walker's epistolary novel and shows how it has influenced and been informed by the zeitgeist. The *Color Purple* received both praise and criticism upon publication, and the conversation it sparked around race and gender still continues today. It has been adapted for an Oscar-nominated film and a hit Broadway musical. Through archival research and interviews with Walker, Oprah Winfrey, and Quincy Jones (among others), Tillet studies Walker's life and how themes of violence emerged in her earlier work. Reading *The Color Purple* at age 15 was a groundbreaking experience for Tillet. It continues to resonate with her—as a sexual violence survivor, as a teacher of the novel, and as an accomplished academic. Provocative and personal, *In Search of The Color Purple* is a bold work from an important public intellectual, and captures Alice Walker's seminal role in rethinking sexuality, intersectional feminism, and racial and gender politics.

The Pulitzer Prize–winning author of *The Color Purple*, *Possessing the Secret of Joy*, and *The Temple of My Familiar* now gives us a beautiful new novel that is at once a deeply moving personal story and a powerful spiritual journey. In *Now Is the Time to Open Your Heart*, Alice Walker has created a work that ranks among her finest achievements: the story of a woman's spiritual adventure that becomes a passage through time, a quest for self, and a collision with love. Kate has always been a wanderer. A well-published author, married many times, she has lived a life rich with explorations of the natural world and the human soul. Now, at fifty-seven, she leaves her lover, Yolo, to embark on a new excursion, one that begins on the Colorado River, proceeds through the past, and flows, inexorably, into the future. As Yolo begins his own parallel voyage, Kate encounters celibates and lovers, shamans and snakes, memories of family disaster and marital discord, and emerges at a place where nothing remains but love. Told with the accessible style and deep feeling that are its author's hallmarks, *Now Is the Time to Open Your Heart* is Alice Walker's most surprising achievement.

In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every chapter, we include Before You Read and After You Read questions. The Before You Read activities prepare students for reading by setting a purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You Read activities check students' comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. About the Novel: *The Color Purple* is the Pulitzer Prize-winning story about female African-Americans in 1930s southern United States. The story follows Celie, a young girl who begins writing letters to God after her father's abuse. She is forced into a marriage with Mr. Johnson after her father impregnates her twice, presumably killing both children. Celie continues living a life of obedience when she is exposed to Sofia's defiance of Mr. Johnson and his son's attempts to submit her. This results in Sofia moving out and taking her children with her. Meanwhile, Celie grows close to her husband's ill mistress, becoming confused over her feelings for the woman. The story progresses with Celie learning the truth about herself and her troubled past. *The Color Purple* is a classic of modern American literature. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.

Three novels by a New York Times–bestselling author—including the Pulitzer Prizewinner *The Color Purple*—that speak to the African experience in America. *The Color Purple* is Alice Walker's stunning, Pulitzer Prize–winning novel of courage in the face of oppression. Celie grows up in rural Georgia, navigating a childhood of ceaseless abuse. Not only is she poor and despised by the society around her, she's badly treated by her family. As a teenager she begins writing letters directly to God in an attempt to transcend a life that often seems too much to bear. Her letters span twenty years and record a journey of self-discovery and empowerment through the guiding light of a few strong women and her own

implacable will to find harmony with herself and her home. In *The Temple of My Familiar*, Celie and Shug from *The Color Purple* follow the lives of a brilliant cast of characters, all dealing in some way with the legacy of the African experience in America. From recent African immigrants, to a woman who grew up in the mixed-race rainforest communities of South America, to Celie's own granddaughter living in modern-day San Francisco, all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives.

Possessing the Secret of Joy portrays Tashi's tribe, the Olinka, where young girls undergo genital mutilation as an initiation into the community. Tashi manages to avoid this fate at first, but when pressed by tribal leaders, she submits. Years later, married and living in America as Evelyn Johnson, Tashi's inner pain emerges. As she questions why such a terrifying, disfiguring sacrifice was required, she sorts through the many levels of subjugation with which she's been burdened over the years. Hailed by the *Washington Post* as "one of the best American writers of today," Alice Walker is a master storyteller and a major voice in modern literary fiction.

Musicals/Movies/Kids Piano Solos

The lives of two sisters--Nettie, a missionary in Africa, and Celie, a southern woman married to a man she hates--are revealed in a series of letters exchanged over thirty years

Women stand their ground in the midst of crisis in this story collection by the New York Times--bestselling author of *The Color Purple*. This collection builds on Alice Walker's earlier work, the much-praised *In Love & Trouble*. But unlike her first collection of stories, the women in these tenderly wrought tales face their problems head on, proving powerful and self-possessed even when degraded by others—sometimes by those closest to them. But even as the female protagonists face exploitation, social asymmetries, and casual cruelties, Walker leavens her stories with ample wit and, as always, an eye for the redemptive power of love. A collection that reveals a master of fiction approaching the fullness of her talent, these are the stories Walker produced while penning *The Color Purple*. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection.

"These are the stories that came to me to be told after the close of a magical marriage to an extraordinary man that ended in a less-than-magical divorce. I

found myself unmoored, unmated, ungrounded in a way that challenged everything I'd ever thought about human relationships. Situated squarely in that terrifying paradise called freedom, precipitously out on so many emotional limbs, it was as if I had been born; and in fact I was being reborn as the woman I was to become." So says Pulitzer Prize-winning author Alice Walker about her beautiful new book, in which "one of the best American writers today" (The Washington Post) gives us superb stories based on rich truths from her own experience. Imbued with Walker's wise philosophy and understanding of people, the spirit, sex and love, *The Way Forward Is with a Broken Heart* begins with a lyrical, autobiographical story of a marriage set in the violent and volatile Deep South during the early years of the civil rights movement. Walker goes on to imagine stories that grew out of the life following that marriage—a life, she writes, that was "marked by deep sea-changes and transitions." These provocative stories showcase Walker's hard-won knowledge of love of many kinds and of the relationships that shape our lives, as well as her infectious sense of humor and joy. Filled with wonder at the power of the life force and of the capacity of human beings to move through love and loss and healing to love again, *The Way Forward Is with a Broken Heart* is an enriching, passionate book by "a lavishly gifted writer" (The New York Times Book Review).

The Pulitzer Prize-winning novel that tells the story of two sisters through their correspondence. With a new Preface by the author.
