

Dream A Little Dream

Mysterious doors with lizard-head knobs. Talking stone statues. A crazy girl with a hatchet. Yes, Liv's dreams have been pretty weird lately. Especially the one where she's in a graveyard at night, watching four boys conduct dark magic rituals. The strangest part is that Liv recognizes the boys in her dream. They're classmates from her new school in London, the school where she's starting over because her mom has moved them to a new country (again). But what's really scaring Liv is that the dream boys seem to know things about her in real life, things they couldn't possibly know—unless they actually are in her dreams? Luckily, Liv never could resist a good mystery, and all four of those boys are pretty cute....

“[A] fantasy adventure that uses the quixotic nature of dreams as a background for a modern-day pilgrimage of hope.” —Library Journal Nola and Tina are both girls with problems. They don't know each other yet, but they will, because each is a Creator, with the magical ability to turn dreams into reality. It would be a great gift and a great power—if either knew she had it. But this world is hard on dreamers, whether they dream true or not. Nola is trapped in a terrible, abusive relationship with a man she once loved; Tina is an orphan who makes her living on the street. All their dreams are slowly being ground into dust. It's a common enough tragedy, a sorrow and a grief and a shame upon the world, no matter whom it happens to. But when dreams themselves die, when the great dreamers stop dreaming, whole universes of imagination are lost. And the land of Nola and Tina's dreams is fighting back. Into their miserable everyday world soars Esprit, a winged unicorn dark as the space between the stars. He is the vessel of Nola's dreams, come to aid her in her battle with sordid reality. Following after him comes Prince Michael, whose quest it is to find the human dreamers who can save his land from ruin.

Pursued by nightmares he can't remember and haunted by his inability to sleep, Timothy Hunter heads to the one place he knows he'll definitely find answers: the Dreaming. But the cost of such knowledge may be more than he bargained for.

'The greatest white female singer ever' is how Boy George described pop icon Cass Elliot, the sixties diva who was at the epicentre of US popular culture and music during the Californian hippy movement. Hailed as America's answer to the Beatles, the Mamas and the Papas' hits such as 'California Dreamin' and 'Monday Monday' became the soundtrack of a generation. Cass's uniquely emotive voice, charismatic wit and outsized multicoloured kaftans singled her out as a popstar who refused to conform to traditional female stereotypes. When she left the Mamas and the Papas, she immediately had a top ten hit with her debut single, 'Dream a Little Dream of Me' and became the queen on Los Angeles society. Her Beverly Hills villa was the scene of legenday parties, becoming the second home of stars such as Jack Nicholson and Grace Slick, but there was a

darker side to her fame - after years of continuous dieting and drug addiction, she died mysteriously in London at the age of 33. Including interviews with Cass's friends and family, co-band members Michelle Phillips and Denny Doherty, and many of the famous names who knew her, this is both an insightful biography of an extraordinary singer, and a fascinating glimpse into free-living, free-loving ideals of the sixties as the optimism of the flower-child generation was crushed by the Vietnam War. 'The product of over 100 interviews and four years of research across three continents, it's a fantastic read that goes way beyond thorough . . . Fiegel's fine, all-encompassing tome restores much of the great woman's dignity' - Mojo

This cult classic of gonzo journalism is the best chronicle of drug-soaked, addle-brained, rollicking good times ever committed to the printed page. It is also the tale of a long weekend road trip that has gone down in the annals of American pop culture as one of the strangest journeys ever undertaken. Now a major motion picture from Universal, directed by Terry Gilliam and starring Johnny Depp and Benicio del Toro.

THREE GENERATIONS UNDER ONE TURRET: from bestselling author Antoinette Stockenberg comes a witty, modern fairy tale of romance and family and ghostly star-crossed lovers. For centuries, Fair Castle stood peaceably enough in the north country of England, until its suddenly impoverished owners were forced to sell it—to a suddenly wealthy American couple who had the castle moved, stone by stone, to a knoll overlooking the Hudson River in New York. There they've lived happily, though not very lavishly, with their daughter and granddaughters, all of them chipping in to give tours of the castle while still nurturing their artistic sides. And then one day, when no one is looking, a tall, dark, and very handsome stranger appears—along with the usual tourists—in the Great Hall of Fair Castle. Wildly rich from the sale of a software company he founded and then sold, William Braddock, Baron of Norwood, is on a mission to conquer all within Fair Castle and then move the thing back to England. Why not? It's his family's castle. It's his beloved grandmother's fond dream, and Will will do anything to make it come true for her. But a fiery opponent stands in his way: Elinor MacLeish, the owners' granddaughter and a successful writer of children's books that are set in a castle very much like the one she lives in. Will finds himself jousting repeatedly with Elinor, except when he's crossing swords with another who also has an agenda. And then there is the pair whose ties to Fair Castle are far, far more ancient than those of anyone else Reviews "This humorous, well-crafted and inventive novel is certain to establish Stockenberg as a major voice in women's fiction." —Publishers Weekly "A delightful blend of goosebumps, passion and treachery that makes this novel a truly exhilarating read. An incredible memoir from Sharon Robinson about one of the most important years of the civil rights movement.

An example of Poe's melancholic and morbid poetic pieces, "A Dream Within a Dream" is a

poem that pitifully mourns the passing of time. The poet's own life, teeming with depression, alcoholism, and misery, cannot but exemplify the subject matter and tone of the poem. The constant dilution of reality and fantasy is detrimental to the poetic speaker's ability to hold reality in his hands. The quiet contemplation of the speaker is contrasted with thunderous passing of time that waits for no man. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1845), "The Black Cat" (1843), and "The Gold-Bug" (1843).
