My Overdue Book: Too many stories not to tell: spells out the varied episodes in the life of a man who spent decades working in Hollywood. He began as a little boy in Cincinnati impressed early on by the broadcasting magic of radio and then TV in the middle of twentieth century America. His drive to get into broadcasting culminates in an early success that gets interrupted by an unexpected sidebar in The US Army and a subsequent tour as an Infantryman in Vietnam in the late 1960's. His yearlong excursion in "Fun City East," with its repeated life and death experiences, had lifelong effects on this soldier-of-media. Following his wanderings through the jungles of Vietnam, Bright's interactions with many of America's top public figures throughout his decades in radio and television come to life with intriguing stories that are personal, professional, positive and negative. It's life without a filter! Readers across generations will share and co-experience numerous real life feelings and emotions with writer Bright as his winding trail of life opens in front of them. book endorsement for peter bright; i always thought that peter bright and i had many things in common; we both grew up in ohio, we both had careers in the live event and variety side of television, and the few times we had times to talk i thought we shared a mutual philosophy toward the ups and downs of life. but it wasn't until i read his "overdue" book that i realized just what a rich and storied life peter has had and how much more deeply he had experienced the highs and lows, particularly during his years in the military, than i ever could have imagined. it really amazes me just how little we know about people we think we know, and just how much more we appreciate who they are when we are fortunate enough to have that background filled in by someone as articulate and able to express both facts and feelings as peter has in this book. when i started to read it, i thought all of those common events that we shared would be an interesting parallel track to my life and as such i would have a great frame of reference, but as i read on, i realized just what an amazing story peter has to tell and just how well he tells it. ken ehrlich, executive producer, the grammy awards

Lisa loved shopping, thus the mail-order catalog. Because she's passionate about women making their way in the world, Femail Creations features only items crafted by women artisans. In Dream Big Hammond details how she and her sister entrepreneurs followed their dreams and managed their fears to become happy and successful. Lisa shares the lessons they learned, the mistakes they made, and the fulfillment they attained. Dream Big reflects Lisa's inspirational personality and drive, as well as her belief in the power of women connecting with women -- from the artists whose products appear in Femail Creations to the women who buy those products. Dream Big is a virtual meeting place for women who want to live -- and work -- their dreams. By sharing parts of their stories and tips, the women who've done it lend a hand to those who still dream that "maybe someday..." Readers will find inspiration, as well as hard-nosed advice, about how to pursue their passion -- whether for business, creativity, family, or anything else -- in spite of fear and inevitable missteps. Chapters include: "Permission to Dream," "Facing Fears," "Attempting the Impossible," "Owning Our Power," "Trusting Our Guts," "Persistence is Omnipotent," and "Never Too Late." Dream Big shows women that the first step isn't writing a business plan -- it's listening to yourself and taking your turn; it's managing your life from the heart with a "femail" touch. Hammond, who's known to her thousands of customers, friends, and family as the Barefoot CEO, didn't do things conventionally. That makes for hilarious stories, heart-stopping inspiration, and roll-up-your-sleeves tips -- a blueprint in action for their dreams.

While doing genealogy research, a college professor runs across a true example of that most wayward of American existences-the hobo-in a story of a pair of runaways who hopped the rails, departing for times and places unknown, with only their adventurous spirits to guide them. Near his life's end, Percy B. Gates was a distinguished family man. He'd settled down and leveled out, but his past was full of adventure. At age thirteen, Percy and his best friend, Bill, ran off, whisked away from their homes on railroad tracks. They met a wide cast of characters while traveling the fifty states, from Wyatt Earp in the Old West to Teddy Roosevelt down in San Antonio. Bill fought a war, and Percy barely missed joining Roosevelt's Rough Riders. Eventually, they became boilermakers on that same railroad and found themselves in the middle of more than one outburst of union violence. Their rowdy journey through life ended up as more than those young runaways could have imagined. This expansive adventure portrays a classic American story, based on the author's grandfather's own tales and letters. Leaving a disastrous past behind, the hobo sets off on his own American dream. If you want to go up the ladder of success, if you want to get what you want, if you want to fulfill that "burning desire" that keeps your mind busy all the time and you do not do something about it, if you want to do "that thing" that you wanted to do some day but you never got a chance to do so, you must take your hands out of your pockets, roll up your sleeves, and take action now. You cannot sit still and expect the elevator of success to come down and take you to the peak. It has not happened to anyone. It will not happen to you either, guaranteed! Over the past several years I have helped many people like you to take their hands out of their pockets and climb their ladder of success. I have spent quality time with them, listened to them, felt their pain, assisted them in taking the right path, and made sure they came out of the process successful and fulfilled. I want to help you too. If you are committed to YOUR success and want to get what you truly want, this book is an excellent start. Are you ready for the journey?

"My friend – and now partner – Jorge Paulo and his team are among the best businessmen in the world. He is a fantastic person and his story should be an inspiration to everybody, as it is for me." – Warren Buffett In just over forty years, Jorge Paulo Lemann, Marcel Telles and Beto Sicupira built the biggest empire in the history of Brazilian capitalism and launched themselves onto the world stage in an unprecedented way. Over the past five years, they have acquired no fewer than three globally-recognized American brands: Budweiser, Burger King and Heinz. This has been achieved as discreetly as possible and they have shunned any personal publicity. The management method they developed, which has been zealously followed by their employees, is based on meritocracy, simplicity and constant cost cutting. Their culture is as efficient as it is merciless and leaves no room for mediocre performances. On the other hand, those who bring in exceptional results have the chance to become company partners and make a fortune. Dream Big presents a detailed behind-the-scenes portrait of the meteoric rise of these three businessmen, from the founding of Banco Garantia in the 1970s to the present day. In 1971, when the Brazilian stock market was going through an euphoria, Harvard graduate, tennis champion and underwater fishing enthusiast from Rio de Janeiro Jorge Paulo Lemann decided to start a new business. He assembled some partners and put out a newspaper ad: "Brokerage wanted." Days later, Lemann began running what would become the cornerstone of his fortune and those of over 200 other people. Its name was Garantia. The "Garantia model" was based on businesses that impressed Lemann, such as Goldman Sachs in finance and Walmart in retail. Its philosophy gave the best workers the opportunity to become shareholders.
