Here comes the notebook that is truly friendly to your taking notes while drawing and dealing with visuals! This "Dual Notebook Graph & Lined" comes with quad ruled pattern and horizontal lined pattern in one same notebook. The dual format pages leave excellent space for sketching in cool things such as diagrams, charts, graphs, etc. on one side and written notes on the other. There are total 100 non-perforated pages, which consist of 50 quad grid pages on the left and 50 wide ruled pages on the right, plus all these wonderful features! The book size of 8.5 x 11 inches, with 2 x 2 squares per inch on graph pages, and Wide ruled on lined pages, makes the book friendly to even those who have larger handwriting, as well as children and elder writers who have to deal with graphs. [This notebook is also available in 2 other sizes; 5.5 x 8.5 inches Narrow Ruled (ISBN 1979401683) and 7 x 10 inches College Ruled (ISBN 1979394857). You can search the ISBN to find the size you need.] Every lined page comes with its page number, so you can optionally make your own table of contents or index pages, which is great for writing in chapters or taking consequential notes. You can also look up the contents you want to read easily in no time. The book soft cover is laminated with matte finish that helps firm your grips, repels liquid, and also toughens the paperback cover, so your important notes will stay with you longer. The paperback also makes the book flexible, so it can be written on even when you are in a small desk. The book industry standard binding with spine (the same binding as most paperback books in the libraries.) allows the book to be stored neatly on shelf, possibly alongside other books that you have, so you can not only organize your notes, but also the places that you keep them. The book weight is light enough for your carrying along, so it can be an on-the-go companion for your studies, travelings, as well as any reading endeavors anywhere. The grids and lines are in light grey so they are less distracting when you read or write, while they can guide your writing and sketching perfectly. The combination of square grid and horizontal lines pages makes the book great for any types of chart drawing and writing related pursuits. All grids and lines are printed on white paper that is thicker than general notebooks, so this book can be used with more variety of pens, giving you the ability to design your note-taking with your own taste. (Extra blank sheets may still be required in case of using it with some marker pens.) Now available in 4 colors that you can choose from; Grey (197940187X) Blue (1979401888) Pink (1979401896), which is this book Red (1979401918) [Simply copy and paste a line in the search box to find the one you need.] If you are looking for a tool to help your learning and get your visions realized, let "Dual Notebook Graph & Lined" helps you sketch & take notes all in one place, then experience the flexible potential of pen to paper that no technology can match!!
