With an introduction to electronic die cutting machines and options for cutting the templates out by hand, this book is full of inspiration and expert advice. Includes instructions for downloading 60 SVG cut files compatible with most electronic cutting machines.

The Emily Post Institute, the most trusted brand in etiquette, tackles the latest issues regarding how we interact along with classic etiquette and manners advice in this updated and gorgeously packaged edition. Today's world is in a state of constant change. But one thing remains year after year: the necessity for good etiquette. This 19th edition of Emily Post's Etiquette offers insight and wisdom on a variety of new topics and fresh advice on classic conundrums, including: Social media Living with neighbors Networking and job seeking Office issues Sports and recreation Entertaining at home and celebrations Weddings Invitations Loss, grieving, and condolences Table manners While they offer useful information on the practical—from table settings and introductions to thank-you notes and condolences—the Posts make it clear why good etiquette matters. Etiquette is a sensitive awareness of the feelings of others, they remind us. Ultimately, being considerate, respectful, and honest is what's really important in building positive relationships. "Please" and "thank you" do go a long way, and whether it's a handshake, a hug, or a friend request, it's the underlying sincerity and good intentions behind any action that matter most.

If a hungry little traveler shows up at your house, you might want to give him a cookie. If you give him a cookie, he's going to ask for a glass of milk. He'll want to look in a mirror to make sure he doesn't have a milk mustache, and then he'll ask for a pair of scissors to give himself a trim.... The consequences of giving a cookie to this energetic mouse run the young host ragged, but young readers will come away smiling at the antics that tumble like dominoes through the pages of this delightful picture book.

Mix hundreds of thousands of LEGO bricks with dozens of artists, and what do you get? Beautiful LEGO, a compendium of LEGO artwork that showcases a stunning array of pieces ranging from incredibly lifelike replicas of everyday objects and famous monuments to imaginative renderings of spaceships, mansions, and mythical creatures. You'll also meet the minds behind the art. Interviews with the artists take you inside the creative process that turns simple, plastic bricks into remarkable LEGO masterpieces.

Created by Maker Ed with input from the wider maker education community, the Youth Makerspace Playbook provides context and support for those planning spaces for youth to make. In particular, it offers practical suggestions on finding a space to make, outfitting the space with tools and materials, exploring the possible educational approaches within the space, and sustaining the space in the long-term. With this resource, Maker Ed aims to empower and support educators and community members looking to start a youth-oriented makerspace. Of the Playbook, Warren (Trey) Lathe III, Maker Ed's Executive Director shared, "We know that starting and sustaining youth makerspaces is hard work and can feel overwhelming at times. By offering these resources, we hope to lower the real and perceived barriers for educators and community members to create fun and safe youth-oriented makerspaces, so that young people everywhere have the chance to gain confidence, creativity, and a passion for learning through making." Maker Ed is a non-profit organization that supports and empowers educators and communities - particularly, those in underserved areas - to facilitate meaningful making and learning experiences with youth. Maker Ed's mission is to create more opportunities for all young people to develop confidence, creativity, and interest in science, technology, engineering, math, art, and learning as a whole through making. For more information about Maker Ed, please visit <http://makered.org/>

From the creative parents who brought the world the web sensation "Dinovember" comes photographic proof of what toys get up to when the rest of the house is asleep. You might have noticed weird things happening in your house. Unexplainable messes. Food all over the kitchen floor. Who could the culprits be? Dinosaurs! Boasting bright and hilarious photographs, along with a story written from the point of view of an older, wiser sibling, Refe and Susan Tuma's picture book documents a very messy adventure that shows just what the dinosaurs did last night.

Teaches primary colors, secondary colors and color mixing.

Presents over five hundred sewing hints from viewers of the "Sewing with Nancy" television series; covering organization, notions, sewing techniques, embellishments, specialized sewing, fitting and pressing, and layout and marking.

This book is ideal for pre-service and in-service teachers required to implement effective evidence-based practices for children and youth with

autism, particularly those who also have intellectual disabilities. It provides instructions, sample forms, and other practical tools necessary to improve students' educational outcomes. An overview discusses the educational needs of students with autism as well as key issues including etiological research, behavioral characteristics, diagnostic approaches, and program development and refinement. Subsequent chapters cover teaching methodologies, challenging behavior interventions, curriculum development, and related areas. The book is grounded in the scientifically supported premise that well-planned evidenced-based strategies, accurately implemented, can empower students and help teachers guide students to increasingly independent functioning. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

A list of U.S. importers and the products they import. The main company listing is geographic by state while products are listed by Harmonized Commodity Codes. There are also alphabetical company and product indexes.
