To seek, pursue, and fall in love with Jesus with radical abandon. Single Woman Mandy Hale shares with readers what can happen in their lives by praying this powerful prayer. She has shown women how important it is to be secure in singleness by being smart, strong, and independent. In this all new book, she will prompt readers to never settle and not miss out on the beauty that can be found in times of "waiting." The Single Woman Says: "Whether you're idling in stubborn sinfulness or walking in seeming never-ending singleness or living with any sort of waiting: Waiting for love, waiting for babies, waiting for marriage, waiting for a cure, or a miracle, or a sign, or for GOD . . . I hope my journey will make the wait a little easier and the uncertainty a little bit more beautiful." Starting with relationships, but going beyond into areas like career, friendships, and life, Mandy will guide readers through what you can achieve if you look beyond your current circumstances, never settle for less than what God has for you, and find beauty in the waiting.

Recalls how Jesus taught people to love, how he was crucified for his teachings, and how his resurrection brought hope to the world.

Did Jesus of Nazareth really rise from the dead? Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross. Conflicting accounts make the empty tomb seem suspect. And post-crucifixion sightings of Jesus have been explained in psychological terms. How credible is the evidence for—and against—the resurrection? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. Drawing on expert testimony first shared in his blockbuster book *The Case for Christ*, Strobel examines: The Medical Evidence—Was Jesus' death a sham and his resurrection a hoax? The Evidence of the Missing Body—Was Jesus' body really absent from his tomb? The Evidence of Appearances—Was Jesus seen alive after his death on the cross? Written in a hard-hitting journalistic style, *The Case for Easter* probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you.

"Leah Darrow uses her experience in the beauty industry to help the women of our culture see what true beauty looks like." —Jennifer Fulwiler, host of *The Jennifer Fulwiler Show* and author of *Something Other than God* Do you feel like you're never good enough? Like you should be living a more Instagram-worthy life? Are you exhausted by the impossible quest for physical beauty but still yearn for the validation of being chosen, valued, and deemed beautiful? Drawing on her experience on *America's Next Top Model* and her work as a fashion model, Leah Darrow exposes the lies we are told about our worth being tied to our appearance and instead invites us to look again at the real meaning of beauty. She shows how we can reclaim true and lasting beauty—the kind that doesn't depend on self-doubt, exploitation, or comparison—when we reflect God's glory and embrace our value as he made us to be: strong, brave, and free. Issues of gender and sexuality are intrinsic to people's experience: their sense of identity, their lives and the loving relationships that shape and sustain them. The life and mission of the Church of England – and of the worldwide Anglican Communion – are affected by the deep, and sometimes painful, disagreements about these matters, divisions brought into sharper focus because of society's changing perspectives and practices, especially in relation to LGTBI+ people. *Living in Love and Faith* sets out to inspire people to think more deeply both about what it means to be human, and to live in love and faith with one another. It tackles the tough questions and the divisions among Christians about what it means to be holy in a society in which understandings and practices of gender, sexuality and marriage continue to change. Commissioned and led by the Bishops of the Church of England, the *Living in Love and Faith* project has involved many people across the Church and beyond, bringing together a great diversity and depth of expertise, conviction and experience to explore these matters by studying what the Bible, theology, history and the social and biological sciences have to say. After a Foreword from the Archbishops of Canterbury and York, the book opens with an invitation from the Bishops of the Church of England to embark on a learning journey in five parts: Part One sets current questions about human identity, sexuality, relationships and marriage in the context of God's gift of life. Part Two takes a careful and dispassionate look at what is happening in the world with regard to identity, sexuality, relationships and marriage. Part Three explores current Christian thinking and discussions about human identity, sexuality, and marriage. In the light of the good news of Jesus Christ, how do Christians understand and respond to the trends observed in Part Two? Part Four considers what it means for us as individuals and as a church to be Christ-like when it comes to matters of identity, sexuality, relationships and marriage. Part Five invites the reader into a conversation between some of the people who have been involved in writing this book who, having engaged with and written Parts One to Four, nevertheless come to different conclusions. Amid the biblical, theological, historical and scientific exploration, each part includes Encounters with real, contemporary disciples of Christ whose stories raise questions which ask us to discern where God is active in human lives. The book ends with an appeal from the Bishops to join them in a period of discernment and decision-making following the publication of *Living in Love and Faith*. The *Living in Love and Faith* book is accompanied by a range of free digital resources including films, podcasts and an online library, together with *Living in Love and Faith: The Course*, a 5-session course which is designed to help local groups engage with the resources, also published by Church House Publishing.
