Are you ready to spend some great funny time with your kids and family? Do you want to test and challenge your children to improve their concentration and thinking skills? Are you searching for a creative and humorous way to boost your party or event at home?! Children are like sponges, especially at a very young age - absorbing anything and everything they hear and see around them. This creates a very big responsibility for parents to feed their children with the best information possible. The problem though is that sometimes the intellectual information does not interest the child even slightly. This has created a need for parents to have material that will both stimulate their children, while keeping them entertained. This riddle book does precisely that. Filled with simple riddles and rhymes that will entice young children between the ages of 4 and 8 to listen and keep listening. The riddles encourage children to think outside the box - a skill that will no doubt help them in the distant future. As children, their ability to think lineally is still developing. In this developing stage, it is vital to train them to really use their thinking faculties to the best of their ability. The riddles are divided into different sections to make it easier for them to identify the solutions, and if they still get stuck, all the answers are only a click away. This book offers over 300 riddles to challenge and encourage

system will also change accordingly. Following is a brief explanation of the three types of levels of difficulty: 1. Easy riddles: These riddles are labeled as 1 star (*). When children select a low difficulty level riddle and solve it, they will be awarded 1 point. This type of riddles will include two hints to help and encourage the children. 2. Medium riddles: These riddles are labeled as two stars (**). When children select a medium difficulty level riddle and solve it, they will be awarded 2 points. This type of riddles will include one hint to make it easier for the children. 3. Hard riddles: These riddles are labeled as three stars (***). When children select a hard difficulty level riddle and solve it, they will be awarded 3 points. This type of riddles will include no hints and challenge the children a bit harder. When a child cannot solve a riddle, the score will be zero. The person asking the riddle can and will read the hints, and he can deliver the hints to the children in any way according to their understanding level.
