The Raven by Edgar Allan Poe Influenced by the English Romantic poets Samuel Taylor Coleridge, "Lord" George Gordon Byron, and Percy Shelley, Edgar Allan Poe represents one of the essential American Romantic poets of the 19th century. Romanticism here refers to a literary movement in the late 1700s and 1800s that focused on the emotional life of the individual and curiosity about oneself. This move complimented a broader geopolitical and ideological shift in the United States. Just as a young nation made its way to the West, its writers and philosophers explored the unknown territory of the human mind. Some romantic poets, such as the transcendentalist Ralph Waldo Emerson, saw the potential for positive revelations within the self. Reflecting his belief in the inherent goodness of people, Emerson's poetry highlights enchanting elements such as natural features, water, and light. Poe, on the other hand, was interested in probing the darkest depths of the human psyche. It uses gloomy gothic scenes and nightmare sequences to suggest that self-reliance and turning inward does not result in enlightenment, but rather in terror and anxiety. The human mind, Poe argues, does not need help from lurid exteriors: it is fully capable of creating horror from within. This theme of

self-generated inner torment plays a prominent role in "The Raven." Poe's works defy categorization. They contain elements of detective fiction, gothic thrillers, Victorian love poetry, and even comedy. He is sometimes credited with being the creator of the modern tale, and his stories, including "The Tell-Tale Heart," "The Fall of the House of Usher" and "The Cask of Amontillado" are among the best known in the world. literary. His critical views were also influenced, especially the idea that poetry should be musical, that it should focus on beauty over truth, and that it should uplift the soul. Poe especially wished to be known as a poet, although he only wrote about fifty poems in all. His narrative poem "The Raven" is his most popular work, although others such as "Annabel Lee" and "Ulalume" are also widely read. Poe's poetry features rigid rhyming schemes and stanza patterns. Its speakers are always unnamed males; Although it is tempting to read his poems as autobiographical, they are more likely to represent an exercise in subjective exploration of emotion, as did the works of other Romantic poets of his time. Poe speakers often embark on a literal journey or a journey of the mind. Starting from a place of rational credibility, they are gradually superseded and their emotions make them unreliable. "The Raven" fits this mold. The poem became so powerfully associated with Poe that the author himself is sometimes referred to as "the

The third in the Modern Library's series of original compilations, *The Raven and the Monkey's Paw* is a collection of classic tales and poems to engage our fear-seeking senses. The beauty of these stories and poems lies in their readability: ideal for sharing aloud around the campfire or for a quick, thrilling dip . . . under the covers with a flashlight. The writing itself sends as many awe-inspired shivers down the spine as do the ghosts and goblins on these pages. Edgar Allan Poe, the master of the horror story and the chiming lyric poem, opens the volume with his best-loved stories: "The Murders in the Rue Morgue," "The Black Cat," "The Fall of the House of Usher," "The Pit and the Pendulum," "The Premature Burial," "The Tell-Tale Heart," "Berenice," and "Ligeia." Every bit as chilling now as on the day they were written, these tales retain their power to stir the reader again and again. Poe, who was as well known for his poems as for his stories, is also represented by such verse standards as "The Raven," "Lenore," "To Helen," "Ulalume," and "Annabel Lee," among others. Numerous other practitioners of the supernatural story are included: Edith Wharton, with her gripping "Afterward"; Charles Dickens and his famed ghost story "The Signalman"; W. W. Jacobs, with this compilation's inspiration, "The Monkey's Paw." Also here are

aesthetic issues, and the astonishing power and imagination with which he probed the darkest corners of the human mind. 'The Fall of the House of Usher' is a slow-burning Gothic horror, describing the final hours of a family tormented by tragedy and the legacy of the past. In 'The Tell-Tale Heart', a murderer's insane delusions threaten to betray him, while stories such as 'The Pit and the Pendulum', 'The Raven' and 'The Cask of Amontillado' explore extreme states of decadence, fear and hate. In his introduction David Galloway re-examines the myths surrounding Poe's life and reputation. This edition includes a new chronology and suggestions for further reading. American writer Edgar Allan Poe. First published in January 1845, the poem is often noted for its musicality, stylized language, and supernatural atmosphere. It tells of a talking raven's mysterious visit to a distraught lover, tracing the man's slow fall into madness. The lover, often identified as being a student, is lamenting the loss of his love, Lenore. Sitting on a bust of Pallas, the raven seems to further instigate his distress with its constant repetition of the word "Nevermore". The poem makes use of a number of folk, mythological, religious, and classical references. Poe claimed to have written the poem very logically and methodically, intending to create a poem that would appeal to both critical and popular tastes, as he explained in his 1846 follow-up essay, "The Philosophy of Composition". The poem was inspired in part by a talking raven in the novel *Barnaby Rudge: A Tale of the Riots of 'Eighty* by Charles Dickens. Poe borrows the complex rhythm and meter of Elizabeth Barrett's poem "Lady Geraldine's Courtship", and makes use of internal rhyme as well as alliteration throughout. "The Raven" was first attributed to Poe in print in the *New York Evening Mirror* on January 29, 1845. Its publication made Poe widely popular in his lifetime, although it did not bring him much financial success. The poem was soon reprinted, parodied, and illustrated. Critical opinion is divided as to the poem's literary status, but

it nevertheless remains one of the most famous poems ever written. "The Raven" follows an unnamed narrator on a dreary night in December who sits reading "forgotten lore" by a dying fire as a way to forget the death of his beloved Lenore. A "tapping at [his] chamber door" reveals nothing, but excites his soul to "burning". The tapping is repeated, slightly louder, and he realizes it is coming from his window. When he goes to investigate, a raven flutters into his chamber. Paying no attention to the man, the raven perches on a bust of Pallas above the door. Amused by the raven's comically serious disposition, the man asks that the bird tell him its name. The raven's only answer is "Nevermore". The narrator is surprised that the raven can talk, though at this point it has said nothing further. The narrator remarks to himself that his "friend" the raven will soon fly out of his life, just as "other friends have flown before" along with his previous hopes. As if answering, the raven responds again with "Nevermore". The narrator reasons that the bird learned the word "Nevermore" from some "unhappy master" and that it is the only word it knows.

Though it did not bring him much in the way of money, this piece was, as per the author's statements, composed quite methodically, with an aim to appeal to the masses. And appeal it did, making Poe an overnight sensation, a household name almost the moment it began to circulate. knowledge. Even as he composed dazzling works of fiction, he remained an avid and often combative commentator on new discoveries, publishing and hustling in literary scenes that also hosted the era's most prominent scientists, semi-scientists, and pseudo-intellectual rogues. As one newspaper put it, "Mr. Poe is not merely a man of science—not merely a poet—not merely a man of letters. He is all combined; and perhaps he is something more." Taking us through his early training in mathematics and engineering at West Point and the tumultuous years that followed, Tresch shows that Poe lived, thought, and suffered surrounded by science—and that many of his most renowned and imaginative works can best be understood in its company. He cast doubt on perceived certainties even as he hungered for knowledge, and at the end of his life delivered a mind-bending lecture on the origins of the universe that would win the admiration of twentieth-century physicists. Pursuing extraordinary conjectures and a unique aesthetic vision, he remained a figure of explosive contradiction: he gleefully exposed the hoaxes of the era's scientific fraudsters even as he perpetrated hoaxes himself. Tracing Poe's hard and brilliant journey, *The Reason for the Darkness of the Night* is an essential new portrait of a writer whose life is synonymous with mystery and imagination—and an entertaining, erudite tour of the world of American science just as

because of the extraordinary usage of refrain, alliteration, assonance and the complex structure of this poem. In this term paper I am going to concentrate on the structure of the poem. First I will give a general overview of the structure and then will give a more detailed appreciation of the poem. I have chosen two contrasting aspects which I will analyze in more detail: the contrast in the course of the conversation between the raven and the speaker and the contrast between heaven and hell. Then I will make a short sidestep to discuss the credibility of the raven. This is necessary for the confirmation of some elements of the contrast between heaven and hell. Finally I will examine the elements of and the ideas presented by lost love. The individual elements of this poem can not be separated totally from each other, as these said elements often overlap. Sometimes, I feel that it is not possible to discuss something in full detail in one part of this work, as the same elements appear later again in another context, where the discussion can assume new and different aspects."
