A new edition of the landmark, worldwide bestseller on the life of the famed medical clairvoyant and founding father of the New Age: Edgar Cayce. Edgar Cayce (1877-1945) is known to millions today as the grandfather of the New Age. A medical clairvoyant, psychic, and Christian mystic, Cayce provided medical, psychological, and spiritual advice to thousands of people who swore by the effectiveness of his trance-based readings. But Cayce was not always a household name. When a young, skeptical journalist named Thomas Sugrue first met Cayce in 1927 the world had not yet heard of the "sleeping prophet." During years of unique access, Sugrue completed his landmark biography, which on its publication in 1942 brought national attention to Cayce and stands as the sole record written during the seer's lifetime. This edition includes a new introduction by historian Mitch Horowitz that highlights the enduring significance of Cayce's message and the role this book played in its dissemination.

Science caught up with the psychic readings of Edgar Cayce when it proved that all of materiality - consisting of atoms and therefore protons, neutrons, and electrons - is energy in motion. Everything is a vibration. Even the body's five senses operate

through the use of vibrations. The Cayce readings suggested that vibrations were also associated with healing, consciousness, and even locations. In fact, the Cayce information presents the premise that all of life in every dimension is actually just different manifestations of the One Force - the Force that moved all of Creation into being. Therefore, all vibration is ultimately that One Force manifesting in the material world in a variety of ways. Todeschi's latest title explores how everything from consciousness to the material is connected to vibration, and how we continue to create and shape our world through the vibrations all around us. Vibrations are essentially spirit in motion and our thoughts and actions affect our life and the way we are living.

Edgar Cayce's Twelve Lessons in Personal Spirituality is designed as a tool for personal reflection, as a handbook for small group discussion, and even as a source of encouragement during those moments when the challenges of life seem more overwhelming than the beauty of it. For though we may be separated by language, or religion, or customs, or race, or even vast distances, we all share the earth as our temporal home, we are all Children of the same God, and we are all seekers along the way.

You only need to know how to make it happen. Give the greatest gift of all - the gift of love! TWIN SOULS is the story of the greatest love the world has ever known. The idea that none of us is truly alone, that everyone has a complimentary order of the opposite sex, has been a prevailing belief throughout the ages. souls has always been central in any metaphysical speculation on the evolution of humankind.

I am very ill. I sense my deceased grandfather's presence. He is trying to tell me something. Am I about to die? Has he come for me? I shout into the dark, "I cannot hear you!" He tells me I must write something for my father. Thirty-six hours later, I learn my father just passed away. I am to write his eulogy. That visitation opened wide swaths of understanding for author, Sheryl Glick. She ultimately learned we all have the ability to communicate with our guides spirits of loved ones, guardian angels, saints, or just "coincidences" that show us the way. Life Is No Coincidence relates that journey- you will find it similar to your own. "Sheryl Glick's book will inspire you to go beyond coincidences of your daily life and see the bigger picture of why we all are here." -Dr. Carmen Harra "A generous and healing Spirit herself, Sheryl now shares her journey with all who read this book." -Rev. Robert Brown "Sheryl Glick opens her heart and soul to an extraordinary dimension and enlightens us how every encounter guides us from the start of this life to passing to the next." -Dr. Bea Carson

Combining her extraordinary gift for storytelling with her results-oriented approach to physical, emotional and spiritual health, the author explains how and why the art of letting go is the secret key to manifesting power and success in all areas of life. 75,000 first printing.

The Edgar Cayce story is one of the most compelling in inspirational literature. Edgar Cayce, we can learn how to mine our psychic strengths for happier and healthier lives. Here are the readings of The Sleeping Prophet, condensed and simplified--the wisdom to help us make the right decisions affecting all facets of our lives. Cayce speaks out on: The sources of psychic development, reincarnation, Karma and grace, dreams, meditation, prayer, personal health (including diet and exercises,) holistic healing, sexuality, spirituality, rejuvenation, religion, spiritual psychology, and much more. Cayce offers us the keys to insight, enlightenment, and total fulfillment. For the late psychic Edgar Cayce, the aura provided a pictorial representation of an individual's health, thoughts, talents, and life potentials as well as karmic lessons and even past lives. In a very real sense, the aura functions as a barometer of the whole self—body, mind, and spirit. Psychic Carol Ann Liaros and Cayce expert Kevin J. Todeschi have joined together to present a unique volume that teaches you to access your intuitive self in order to see these auras and colors and then goes on to explain their meaning as based on the well-documented readings of Edgar Cayce. Their work explores colors and the human aura in a way that provides practical tools for understanding that can be applied in your own life right now.

soul and its karmic patterns. He explains soul mates, twin souls, soul groups, and reveals what our souls are doing when they are not incarnating! He revisits passages in the Bible about our origin and true nature, a nature that is not affected by the death of the physical body. Using sources from the Hindu Akashic Records and the Book of Life or Book of Remembrance, as well as Kabbalistic and Gnostic teachings, he gives us examples of how our soul sees life rather than our earthly self's view. He uses Edgar Cayce's discourses to add to our overall understanding of soul life versus personality life. Destiny, fate, and karma are explored as well. Then he has a series of chapters of meditation, dreams, living by ideals rather than allowing circumstances to direct our lives. There's a fascinating chapter telling the lifetimes of one soul's whole series of incarnations, and how each of them contributed who she is today and why specific people are in her life today.
