

Ego Is The Enemy

"Don't read this book," your Ego says. "Your life could change. And that scares me." Sometimes our worst failures lead to our greatest transformation. In 2012, James McCrae left behind a comfortable life in Minnesota and a successful career in advertising to move to New York City and pursue his dreams of being a writer. Soon after he arrived, Hurricane Sandy ripped through the eastern seaboard. New York City was underwater, and James—jobless and running out of money—was suddenly homeless. Fleeing to the island of Culebra for refuge, James sat alone on Flamenco Beach while his greatest doubts and insecurities rose to the surface. What he discovered was his Ego—and it had a lot of sh#t to say. This story of adventure, redemption, and transformation reminds us that we all have two voices inside us: the Ego and the Higher Self. The Ego is our reactive, attached mind that tells us we're victims of circumstance. The Higher Self is our source of intuition and imagination that reminds us we're the creators of our reality. Sh#t Your Ego Says exposes the battle between these voices. With arresting honesty and candid, compelling prose, James takes you through practical strategies for overthrowing your Ego and reclaiming a life of creativity and freedom. Whether you're looking to achieve meaningful career success, improve your relationships, or unlock your imagination, this book provides a no-nonsense roadmap to living with purpose.

2017 Silver Nautilus Winner 2018 Indie Book Award Finalist ? Take your ego out of the equation, and watch your company thrive! "I've got a solution," Encore's CFO tells Brandon, "but it's unorthodox." It's 2005 and Brandon Black has just been promoted to CEO of Encore Capital, a company struggling to navigate an increasingly difficult business environment. Faced with a rapidly declining stock price and low workplace morale, Brandon knows he needs change—and fast. Following his CFO's advice, he and his executive team start working with Learning as Leadership (LaL) and its president, Shayne Hughes. Through their partnership, Encore's executive team learns to root out the unproductive ego habits that undermine collaboration and performance. As they instill these more effective behaviors throughout the organization, Encore begins to solve problems collectively, prioritize resources without infighting, and focus on the initiatives with the greatest strategic value. When the financial crisis of 2008–09 forces 90 percent of its competitors out of business, Encore thrives, with its profits increasing by 300 percent and its stock price by 1200 percent. Told from two lively first-person perspectives, Ego Free Leadership brings readers along for Encore's incredible success story. They'll see a CEO overcome his unconscious resistance to modeling the change he wants in his team and discover a time-tested roadmap for eliminating the destructive effects of the ego in teams and organizations.

Ego is the Enemy Penguin

AT A TIME WHEN MANY ARE SEEKING INSTANT GRATIFICATION, A SHORTCUT TO SUCCESS, A PROVEN HACK TO MASTERY, OR A COMFORTABLE WAY THROUGH PERSONAL TRANSFORMATION, RICH ROLL HAS MADE HIS PROCESS PUBLIC-AN EXERCISE IN COUNTER-PROGRAMMING THAT HAS RESONATED WITH A GLOBAL AUDIENCE. Each conversation is a long-form deep dive shepherded by Rich's insatiable curiosity and earnest quest for universal truths, life lessons, and the enduring inspiration that we can all benefit from. Voicing Change is a highlight reel of some of the weekly magic that transpires between one of the podcast medium's most influential hosts and today's most accomplished-or sometimes most cutting edge-minds and personalities.

A timeless trilogy of the extraordinary bestsellers *The Obstacle is the Way*, *Ego is the Enemy*, and *Stillness is the Key* by Ryan Holiday, now available for the first time ever in a beautiful boxed set edition. For more than two thousand years, Stoic philosophy has been the secret operating system of wise leaders, artists, athletes, brilliant thinkers, and ordinary citizens. With his acclaimed, bestselling books *The Obstacle is the Way*, *Ego is the Enemy*, and *Stillness is the Key*, Ryan Holiday has helped bring the Stoicism of Marcus Aurelius, Seneca, and Epictetus to hundreds of thousands of new readers all over the world. *The Obstacle is the Way* teaches you how to let go of the things you can't control and turn every new obstacle into an opportunity to get better, stronger, and tougher. *Ego is the Enemy* teaches you how to overcome and master the greatest obstacle in life--our insatiable ego. *Stillness is the Key* teaches you why slowing down is essential to charging ahead. This boxed set offers the Stoic insights and exercises from all three books featuring a vast array of stories and examples, from literature to philosophy to history. If you or anyone you know are seeking inner peace, clarity, and effectiveness in our crazy world, this collection will help immensely and makes a great gift. It will help you find the serenity, self-knowledge, and resilience you need to live well. Start your journey in the art of living.

What keeps so many of us from doing what we long to do? Why is there a naysayer within? How can we avoid the roadblocks of any creative endeavor—be it starting up a dream business venture, writing a novel, or painting a masterpiece? *The War of Art* identifies the enemy that every one of us must face, outlines a battle plan to conquer this internal foe, then pinpoints just how to achieve the greatest success. *The War of Art* emphasizes the resolve needed to recognize and overcome the obstacles of ambition and then effectively shows how to reach the highest level of creative discipline. Think of it as tough love . . . for yourself.

You don't need to be a genius, you just need to be yourself. That's the message from Austin Kleon, a young writer and artist who knows that creativity is everywhere, creativity is for everyone. A manifesto for the digital age, *Steal Like an Artist* is a guide whose positive message, graphic look and illustrations, exercises, and examples will put readers directly in touch with their artistic side. When Mr. Kleon was asked to address college students in upstate New York, he shaped his speech around the ten things he wished someone had told him when he was starting out. The talk went viral, and its author dug deeper into his own ideas to create *Steal Like an Artist*, the book. The result is inspiring, hip, original, practical, and entertaining. And filled with new truths about creativity: Nothing is original, so embrace influence, collect ideas, and remix and re-imagine to discover your own path. Follow your interests wherever they take you. Stay smart, stay out of debt, and risk being boring—the creative you will need to make room to be wild and daring in your imagination.

"You are not born an entrepreneur. It's a skill that you learn along the way." When the skincare company Rodial launched its cult 'snake' serum, the press quickly called the business an 'overnight success'. However, Rodial's founder Maria Hatzistefanis had been toiling for 18 years, building the company from scratch in her bedroom. Now, the beauty boss sets out to

demonstrate in this very accessible book that its success stemmed from sheer hard work, tireless efforts and a lot of patience. Fashion-loving Maria set out with a dream to build a beauty business and - despite not excelling at school, and being fired from her first job - she has achieved it. She did it by dreaming big, working hard, surrounding herself with the best, taking risks, creating buzz and building her own personal brand, which is now a favourite with high-profile models and media personalities including Poppy Delevingne, Daisy Lowe and Kylie Jenner. Crucially, she believes anyone can do this and her book, brimming with good sense, great advice, tips and secrets - all presented in an easy, friendly style - shows how.

A transformative guide to building more fulfilling relationships with colleagues, friends, partners, and family, based on the landmark Interpersonal Dynamics (“Touchy-Feely”) course at Stanford’s Graduate School of Business “Carole Robin and David Bradford are masters at helping people bring IQ and EQ together to satisfy both and be successful.”—Ray Dalio, founder of Bridgewater and author of Principles: Life and Work The ability to create strong relationships with others is crucial to living a full life and becoming more effective at work. Yet many of us find ourselves struggling to build solid personal and professional connections or unable to handle challenges that inevitably arise when we grow closer to others. When we find ourselves in an exceptional relationship—the kind of relationship in which we feel fully understood and supported for who we are—it can seem like magic. But the truth is that the process of building and sustaining these relationships can be described, learned, and applied. David Bradford and Carole Robin taught interpersonal skills to MBA candidates for a combined seventy-five years in their legendary Stanford Graduate School of Business course Interpersonal Dynamics (affectionately known to generations of students as “Touchy-Feely”) and have coached and consulted hundreds of executives for decades. In Connect, they show readers how to take their relationships from shallow to exceptional by cultivating authenticity, vulnerability, and honesty, while being willing to ask for and offer help, share a commitment to growth, and deal productively with conflict. Filled with relatable scenarios and research-backed insights, Connect is an important resource for anyone hoping to improve existing relationships and build new ones at any stage of life.

The instant Wall Street Journal, USA Today, and international bestseller "While the history books are filled with tales of obsessive visionary geniuses who remade the world in their image with sheer, almost irrational force, I've found that history is also made by individuals who fought their egos at every turn, who eschewed the spotlight, and who put their higher goals above their desire for recognition." --from the prologue Many of us insist the main impediment to a full, successful life is the outside world. In fact, the most common enemy lies within: our ego. Early in our careers, it impedes learning and the cultivation of talent. With success, it can blind us to our faults and sow future problems. In failure, it magnifies each blow and makes recovery more difficult. At every stage, ego holds us back. Ego Is the Enemy draws on a vast array of stories and examples, from literature to philosophy to history. We meet fascinating figures such as George Marshall, Jackie Robinson, Katharine Graham, Bill Belichick, and Eleanor Roosevelt, who all reached the highest levels of power and success by conquering their own egos. Their strategies and tactics can be ours as well. In an era that glorifies social media, reality TV, and other forms of shameless self-promotion, the battle against ego must be fought on many fronts. Armed with the lessons in this book, as Holiday writes, "you will be less invested in the story you tell about your own specialness, and as a result, you will be liberated to accomplish the world-changing work you've set out to achieve."

Now a New York Times bestseller and from the author of The Psychopath Test, a captivating and brilliant exploration of one of our world's most underappreciated forces: shame. 'It's about the terror, isn't it?' 'The terror of what?' I said. 'The terror of being found out.' For the past three years, Jon Ronson has travelled the world meeting recipients of high-profile public shamings. The shamed are people like us - people who, say, made a joke on social media that came out badly, or made a mistake at work. Once their transgression is revealed, collective outrage circles with the force of a hurricane and the next thing they know they're being torn apart by an angry mob, jeered at, demonized, sometimes even fired from their job. A great renaissance of public shaming is sweeping our land. Justice has been democratized. The silent majority are getting a voice. But what are we doing with our voice? We are mercilessly finding people's faults. We are defining the boundaries of normality by ruining the lives of those outside it. We are using shame as a form of social control. Simultaneously powerful and hilarious in the way only Jon Ronson can be, So You've Been Publicly Shamed is a deeply honest book about modern life, full of eye-opening truths about the escalating war on human flaws - and the very scary part we all play in it.

No, this book doesn't advocate suicide--it teaches something that takes a lot more courage: that we are always enlightened, and must take responsibility for realizing our enlightenment. It invites us to meet life on its own terms, wherever we are, whoever we are, right now, killing our false sense of self by seeing through it to our true nature. This is Zen for real life, in the world of relationships, jobs, dirty dishes, teacups and toilets. Zen master Dogo Barry Graham eschews traditional institutions and dogmas and insists instead that we trust in ourselves. Zen is not a system of belief, or a theory about the meaning of life. It is beyond philosophy, beyond religion. It is the gateless gate to freedom from suffering.

This book contains proven steps and strategies on how to identify which ways your ego is harming you in life, and take control back. We will go over multiple areas of your life that could use improvement and simple, easy to understand ways to fix them. Many people are going through life struggling unnecessarily, all because they don't realize what the ego is, how to recognize it, and how to get it under control. Academy Award-winning producer Brian Grazer and an acclaimed business journalist examine the weekly “curiosity conversations” that have inspired Grazer to create some of America's favorite and iconic movies and television shows—from 24 to A Beautiful Mind.

365-day devotional based on the modern classic Experiencing God by Henry Blackaby.

Ego Is the Enemy by Ryan Holiday | Book Summary This book is written in 3 different parts, namely Aspire, Success and Failure. This is to remind the reader to be:- Humble in aspirations- Gracious in success- Resilient in failure This is attributed to the belief that everyone's life has cycles of 3 stages and at any one point we are either aspiring to something, succeeding at something, or failing at something. This book will not only teach you some invaluable skills, but it will make you consider your moral fiber. It will motivate you improve yourself in every way, starting by conquering your ego. A light and easy read that will make you think and ask questions and surely grow from the experience. Here Is A Preview Of What You'll Learn... ASPIRE Talk, Talk, Talk To Be or to Do? An NPR Book Concierge Best Book of 2018! A Sunday Times of London Pick of the Paperbacks A stunning story about how power works in the modern age--the book the New York Times called "one helluva page-turner" and The Sunday Times of London celebrated as "riveting...an astonishing modern media conspiracy that is a fantastic read." Pick up the book everyone is talking about. In 2007, a short blogpost on Valleywag, the Silicon Valley-vertical of Gawker Media, outed PayPal founder and billionaire investor Peter Thiel as gay. Thiel's sexuality had been

known to close friends and family, but he didn't consider himself a public figure, and believed the information was private. This post would be the *casus belli* for a meticulously plotted conspiracy that would end nearly a decade later with a \$140 million dollar judgment against Gawker, its bankruptcy and with Nick Denton, Gawker's CEO and founder, out of a job. Only later would the world learn that Gawker's demise was not incidental--it had been masterminded by Thiel. For years, Thiel had searched endlessly for a solution to what he'd come to call the "Gawker Problem." When an unmarked envelope delivered an illegally recorded sex tape of Hogan with his best friend's wife, Gawker had seen the chance for millions of pageviews and to say the things that others were afraid to say. Thiel saw their publication of the tape as the opportunity he was looking for. He would come to pit Hogan against Gawker in a multi-year proxy war through the Florida legal system, while Gawker remained confidently convinced they would prevail as they had over so many other lawsuits--until it was too late. The verdict would stun the world and so would Peter's ultimate unmasking as the man who had set it all in motion. Why had he done this? How had no one discovered it? What would this mean--for the First Amendment? For privacy? For culture? In Holiday's masterful telling of this nearly unbelievable conspiracy, informed by interviews with all the key players, this case transcends the narrative of how one billionaire took down a media empire or the current state of the free press. It's a study in power, strategy, and one of the most wildly ambitious--and successful--secret plots in recent memory. Some will cheer Gawker's destruction and others will lament it, but after reading these pages--and seeing the access the author was given--no one will deny that there is something ruthless and brilliant about Peter Thiel's shocking attempt to shake up the world.

Ryan Holiday has led the popular revival of stoicism since 2014, with his acclaimed bestsellers *The Obstacle is the Way*, *Ego is the Enemy*, and in partnership with Stephen Hanselman-*The Daily Stoic*. The latter offered powerful quotations, fresh anecdotes, and insightful commentary about the wisdom of Epictetus, Seneca, and Marcus Aurelius. Now Holiday and Hanselman are back with *The Daily Stoic Journal*, an interactive guide to integrating this ancient philosophy into our 21st century lives. Readers will find weekly explanations and quotations to inspire deeper reflection on Stoic practices, daily prompts, and a helpful introduction explaining the various Stoic tools of self-management. This beautifully designed hardcover journal features space for morning and evening notes, along with advice to encourage ongoing writing and insights, day by day through the year. This is the perfect companion volume for people who already love *The Daily Stoic*, but it can also be used as a stand-alone journal. It will help anyone seeking inner peace and clarity in our crazy world, even those who have never previously encountered Stoicism.

Did you know that a compulsive entity might be running your life and your decisions? Discover how to take your life back. How many times have you tried to take control of your behavior and the way you interact with others and with yourself, it doesn't matter how good you can be doing, you always go back to your old ways. You always thought that as you get older, you'll be able to take control of your behavior and the way others think about you affect you. The ego is a complex part of your life, is the main reason humanity had to come up with multiple religions and medical solutions. How can you control something that you can't see or understand? Is the ego bad or good? Does it want to hurt me or help me? Before you can start changing your behavior you need to start understanding the complexity of the ego. It sounds more complex than it is but once you know what the ego really wants and how you can work around it you can see the results in as little as 12 days. Controlling your emotions and having control of all your decisions shouldn't be a mystery but your birth right. This is only a select sample of the amazing inside you'll discover in *The Ego Is Your Enemy: How the ego is being tricking you for most of your life without you even realizing it. The essential techniques on how to spot the ego in all aspects of your life. The main thing the ego hates the most (this can change your life) The 8 habits that will guarantee total control of your life (and how to apply it) How helping others is one of the best kept secrets ever. The 4 pillars to keep the ego in balance. The horrible habits of people who mistakes the ego with something is not. A powerful inside that will help you discover your true self giving you back the freedom you have been looking for all your life. You don't have to keep living your life in fear, pain and anger while not knowing how to control those emotions, is time to live a life of authentic peace and freedom. Do you want to stay the same way and live your life full of negative emotions, if the answer is yes then this book is not for you. If you want to control your compulsive self and change your life as well of the people around you, scroll up and click the "Add to Cart" button right now.*

'A timely and cogent reminder that history never ends and is about to be made' - Tim Marshall, author of *Prisoners of Geography* With the world already struggling to contain conflicts on several continents, with security and defence expenditure under huge pressure, it's time to think the unthinkable and explore what might happen. As former soldiers now working in defence strategy and conflict resolution, Paul Cornish and Kingsley Donaldson are perfectly qualified to guide us through a credible and utterly convincing 20/20 vision of the year 2020, from cyber security to weapons technology, from geopolitics to undercover operations. This book is of global importance, offering both analysis and creative solutions - essential reading both for decision-makers and everyone who simply wants to understand our future.

Analyzes the seasons to discuss how God works in a person's life giving them good times and difficult times.

"10-Minute Toughness is a solid mental training program. In fact I feel it is the best of its kind. . . . [It's] what the title says: ten minutes a day that connects your talents and abilities to the outcome you're seeking. As a retired NFL player looking forward, I can see as many applications for the toughness Jason Selk's program brought out of me in the business world as there were on the football field." --Jeff Wilkins, Former NFL Pro Bowl Kicker "The mental side of the game is extremely important. 10-Minute Toughness helps the players develop the mental toughness needed for success; it really makes a difference." --Walt Jocketty, General Manager of the 2006 World Champion St. Louis Cardinals "Jason Selk has spent a tremendous amount of time and energy developing effective mental-training programs and coaches workshops. He is truly committed to helping individuals and teams to perform at their very best, when it really counts."

--Peter Vidmar, Olympic Gold Medalist Mental training is a must for high performance both on the field and off. But simply hoping for mental toughness isn't going to build any mind muscles. You need a proven routine of daily exercises to get you where you want to go. 10-Minute Toughness is your personal coach for boosting brainpower and achieving a competitive edge in whatever game you play. With quickness and ease, you'll learn how to master your own mind and psych out your opponents using personalized techniques from one of America's most successful sport psychology consultants. Like no other program available, the 10-Minute Toughness (10-MT) routine gets you ready for the competition in just ten minutes a day.

From the team that brought you *The Obstacle Is the Way* and *Ego Is the Enemy*, a beautiful daily devotional of Stoic meditations—an instant Wall Street Journal and USA Today Bestseller.

Why have history's greatest minds—from George Washington to Frederick the Great to Ralph Waldo Emerson, along with today's top performers from Super Bowl-winning football coaches to CEOs and celebrities—embraced the wisdom of the ancient Stoics? Because they realize that the most valuable wisdom is timeless and that philosophy is for living a better life, not a classroom exercise. The Daily Stoic offers 366 days of Stoic insights and exercises, featuring all-new translations from the Emperor Marcus Aurelius, the playwright Seneca, or slave-turned-philosopher Epictetus, as well as lesser-known luminaries like Zeno, Cleanthes, and Musonius Rufus. Every day of the year you'll find one of their pithy, powerful quotations, as well as historical anecdotes, provocative commentary, and a helpful glossary of Greek terms. By following these teachings over the course of a year (and, indeed, for years to come) you'll find the serenity, self-knowledge, and resilience you need to live well.

This book teaches the difference between ego and self-esteem and gives people the tools they need to raise their self-esteem and get rid of their ego.

A top performance expert reveals the secret behind many top athletes and executives: creating a heroic alter ego to activate when the chips are down. There's only one person in the way of you untapping your potential: You. There's also one person who can move you out of the way so you can perform at your peak. That person is already inside you. You just need to unlock them. This other part of you is your Alter Ego. After twenty-one years of working with elite athletes, performers and leaders, Todd Herman has discovered how you can use your alter ego to achieve the seemingly impossible. It all clicked for Todd when he met Bo Jackson. When Herman met Bo Jackson, the professional athlete told him, "Bo Jackson never played a down of football in his entire life." Bo explained that when he was young, he'd get into trouble because chaos caused by his anger issues. Then, he saw Friday the 13th and became fascinated by the cold, calculating nature of Jason Vorhees. In that moment, he resolved to stop being Bo Jackson, and start being Jason the moment he stepped on the field. In this transformative guide, Herman teaches you how to create and control an Alter Ego like Bo—and the thousands of other athletes, business leaders, entrepreneurs, and entertainers who have used this simple tool to change their lives. Herman also shares his own story: he knew that inside was a confident, self-assured, intelligent person who could help others get better results in their lives. When he started using superman's classic trick—putting on a pair of glasses—he learned to trigger the specific traits he needed to achieve his goals. The Alter Ego Effect is not about creating a false mask—it's about finding the hero already inside you. It's a proven way of overcoming the self-doubt, negativity, and insecurity that hold you back, and empowering you to ultimately become your best self.

In *Never Enough*, Mike Hayes—former Commander of SEAL Team TWO—helps readers apply high-stakes lessons about excellence, agility, and meaning across their personal and professional lives. Mike Hayes has lived a lifetime of once-in-a-lifetime experiences. He has been held at gunpoint and threatened with execution. He's jumped out of a building rigged to explode, helped amputate a teammate's leg, and made countless split-second life-and-death decisions. He's written countless emails to his family, telling them how much he loves them, just in case those were the last words of his they'd ever read. Outside of the SEALs, he's run meetings in the White House Situation Room, negotiated international arms treaties, and developed high-impact corporate strategies. Over his many years of leadership, he has always strived to be better, to contribute more, and to put others first. That's what makes him an effective leader, and it's the quality that he's identified in all of the great leaders he's encountered. That continual striving to lift those around him has filled Mike's life with meaning and purpose, has made him secure in the knowledge that he brings his best to everything he does, and has made him someone others can rely on. In *Never Enough*, Mike Hayes recounts dramatic stories and offers battle- and boardroom-tested advice that will motivate readers to do work of value, live lives of purpose, and stretch themselves to reach their highest potential.

NEW YORK TIMES BESTSELLER "Compelling... this book couldn't be more timely." – Jill Abramson, New York Times Book Review From the Recipient of the 2017 Walter Cronkite Award for Excellence in Journalism Called "disgraceful," "third-rate," and "not nice" by Donald Trump, NBC News correspondent Katy Tur reported on—and took flak from—the most captivating and volatile presidential candidate in American history. Katy Tur lived out of a suitcase for a year and a half, following Trump around the country, powered by packets of peanut butter and kept clean with dry shampoo. She visited forty states with the candidate, made more than 3,800 live television reports, and tried to endure a gazillion loops of Elton John's "Tiny Dancer"—a Trump rally playlist staple. From day 1 to day 500, Tur documented Trump's inconsistencies, fact-checked his falsities, and called him out on his lies. In return, Trump repeatedly singled Tur out. He tried to charm her, intimidate her, and shame her. At one point, he got a crowd so riled up against Tur, Secret Service agents had to walk her to her car. None of it worked. Facts are stubborn. So was Tur. She was part of the first women-led politics team in the history of network news. The Boys on the Bus became the Girls on the Plane. But the circus remained. Through all the long nights, wild scoops, naked chauvinism, dodgy staffers, and fevered debates, no one had a better view than Tur. Unbelievable is her darkly comic, fascinatingly bizarre, and often scary story of how America sent a former reality show host to the White House. It's also the story of what it was like for Tur to be there as it happened, inside a no-rules world where reporters were spat on, demeaned, and discredited. Tur was a foreign correspondent who came home to her most foreign story of all. Unbelievable is a must-read for anyone who still wakes up and wonders, Is this real life? Reframing advice from icons throughout history, including Ulysses S. Grant, Amelia Earhart and Steve Jobs, for today's world, this motivational guide shows readers how to overcome obstacles and turn them into advantages.

"Cato, history's most famous foe of authoritarian power, was the pivotal political man of Rome; an inspiration to our Founding Fathers; and a cautionary figure for our times. He loved Roman republicanism, but saw himself as too principled for the mere politics that might have saved it. His life and lessons are urgently relevant in the harshly divided America—and world—of today. With erudition and verve, Rob Goodman and Jimmy Soni turn their life of Cato into the most modern of biographies, a blend of *The Decline and Fall*

of the Roman Empire and Game Change."—Howard Fineman, Editorial Director of The Huffington Post Media Group, NBC and MSNBC News Analyst, and New York Times bestselling author of *The Thirteen American Arguments* "A truly outstanding piece of work. What most impresses me is the book's ability to reach through the confusing dynastic politics of the late Roman Republic to present social realities in a way intelligible to the modern reader. *Rome's Last Citizen* entertainingly restores to life the stoic Roman who inspired George Washington, Patrick Henry and Nathan Hale. This is more than a biography: it is a study of how a reputation lasted through the centuries from the end of one republic to the start of another."—David Frum, DailyBeast columnist, former White House speech writer, and New York Times bestselling author of *The Right Man* Marcus Porcius Cato: aristocrat who walked barefoot and slept on the ground with his troops, political heavyweight who cultivated the image of a Stoic philosopher, a hardnosed defender of tradition who presented himself as a man out of the sacred Roman past—and the last man standing when Rome's Republic fell to tyranny. His blood feud with Caesar began in the chamber of the Senate, played out on the battlefields of a world war, and ended when he took his own life rather than live under a dictator. Centuries of thinkers, writers, and artists have drawn inspiration from Cato's Stoic courage. Saint Augustine and the early Christians were moved and challenged by his example. Dante, in his *Divine Comedy*, chose Cato to preside over the souls who arrive in Purgatory. George Washington so revered him that he staged a play on Cato's life to revive the spirit of his troops at Valley Forge. Now, in *Rome's Last Citizen*, Rob Goodman and Jimmy Soni deliver the first modern biography of this stirring figure. Cato's life is a gripping tale that resonates deeply with our own turbulent times. He grappled with terrorists, a debt crisis, endemic political corruption, and a huge gulf between the elites and those they governed. In many ways, Cato was the ultimate man of principle—he even chose suicide rather than be used by Caesar as a political pawn. But Cato was also a political failure: his stubbornness sealed his and Rome's defeat, and his lonely end casts a shadow on the recurring hope that a singular leader can transcend the dirty business of politics. *Rome's Last Citizen* is a timeless story of an uncompromising man in a time of crisis and his lifelong battle to save the Republic.

Mastering one specific skill set might have been the key to success 20 years ago . . . but being the best at a single thing just doesn't cut it in today's global economy. Think about those people who somehow manage to be amazing at everything they do—the multimillionaire CEO with the bodybuilder physique or the rock star with legions of adoring fans. How do they manage to be so great at life? By acquiring and applying multiple skills to make themselves more valuable to others, they've become generalists, able to "stack" their varied skills for a unique competitive edge. In *How to Be Better at Almost Everything*, bestselling author, fitness expert, entrepreneur, and professional business coach Pat Flynn shares the secrets to learning (almost) every skill, from marketing and music to relationships and martial arts, teaching how to combine interests to achieve greatness in any field. Discover how to:

- Learn any skill with only an hour of practice a day through repetition and resistance
- Package all your passions into a single tool kit for success with skill stacking
- Turn those passions into paychecks by transforming yourself into a person of interest

To really get ahead in today's fast-paced, constantly evolving world, you need a diverse portfolio of hidden talents you can pull from your back pocket at a moment's notice. The good news? You don't need to be a genius or a prodigy to get there—you just have to be willing to learn. *How to Be Better at Almost Everything* will teach you how to make your personal and professional goals a reality, starting today.

Something is living inside each of us, but it is not our true selves. It is a version of us we created in our youth to protect our vulnerable inner beings from the threats of the outside world. It is a version of us we are feeding and strengthening every single day... but we don't realize we are doing it. It spends all its time and energy creating a world of deception around us. A world so authentic and addicting that we have forgotten how to find our way back home. A world where we move mountains to keep this being alive while we willingly neglect our true inner selves, leaving them to starve. Our egos are arguably the most destructive forces on the planet. If we look at many of the major issues that are plaguing us in our modern context, you can most certainly trace their roots back to peoples' egos and our blind obedience to this internal master driving our behavior. Our egos limit us in so many ways. They distract us from enjoying the present moment by ensuring we are always ruminating on the past or anxiously fearing the future. They limit our performance by injecting fear into our thoughts at the moments we need a clear head. They decimate our relationships by seeking self-aggrandizement instead of authentic connections. Therefore, we must ask ourselves the following questions: 1. Am I awake to the deceptions of my self-generated ego? 2. Do I recognize the reality I am experiencing is a fictional world created to ensure my ego survives and thrives? I have been on a 11-year journey to confront my ego and remove its stranglehold over my life. This book reveals major pieces of that journey in a unique way. We will start by attaching a 365-pound bundle to me and jumping it out of a plane at 13,000 feet; we will discover hidden signposts that nudged me towards the path that leads back home; we will uncover the brutal 2200-mile Appalachian Trail arena that pitted me against my ego for hours, days, weeks, and months on end, showcasing just how intertwined and deceptive my ego was inside my life; and much, much, more. I created this book to help shake more humans awake and rob more egos of the power they hold over the world we are living in. This book is for those who realize something is hiding underneath the surface of their everyday experience. It is a book for those desiring to find their path back home.

The instant New York Times, Wall Street Journal, and USA Today Bestseller! Ryan Holiday's bestselling trilogy—*The Obstacle Is the Way*, *Ego is the Enemy*, and *Stillness is the Key*—captivated professional athletes, CEOs, politicians, and entrepreneurs and helped bring Stoicism to millions of readers. Now, in the first book of an exciting new series on the cardinal virtues of ancient philosophy, Holiday explores the most foundational virtue of all: Courage. Almost every religion, spiritual practice, philosophy and person grapples with fear. The most repeated phrase in the Bible is "Be not afraid." The ancient Greeks spoke of phobos, panic and terror. It is natural to feel fear, the Stoics believed, but it cannot rule you. Courage, then, is the ability to rise above fear, to do what's right, to do what's needed, to do what is true. And so it rests at the heart of the works of Marcus

Aurelius, Aristotle, and CS Lewis, alongside temperance, justice, and wisdom. In *Courage Is Calling*, Ryan Holiday breaks down the elements of fear, an expression of cowardice, the elements of courage, an expression of bravery, and lastly, the elements of heroism, an expression of valor. Through engaging stories about historic and contemporary leaders, including Charles De Gaulle, Florence Nightingale, and Dr. Martin Luther King Jr., Holiday shows you how to conquer fear and practice courage in your daily life. You'll also delve deep into the moral dilemmas and courageous acts of lesser-known, but equally as important, figures from ancient and modern history, such as Helvidius Priscus, a Roman Senator who stood his ground against emperor Vespasian, even in the face of death; Frank Serpico, a former New York City Police Department Detective who exposed police corruption; and Frederick Douglass and a slave named Nelly, whose fierce resistance against her captors inspired his own crusade to end slavery. In a world in which fear runs rampant—when people would rather stand on the sidelines than speak out against injustice, go along with convention than bet on themselves, and turn a blind eye to the ugly realities of modern life—we need courage more than ever. We need the courage of whistleblowers and risk takers. We need the courage of activists and adventurers. We need the courage of writers who speak the truth—and the courage of leaders to listen. We need you to step into the arena and fight.

"Holiday and Hanselman present the ... lives of the men and women who strove to live by the timeless Stoic virtues of courage, justice, temperance, [and] wisdom. Organized in digestible, mini-biographies of all the well-known--and not so well-known--Stoics, this book ... brings home what Stoicism was like for the people who loved it and lived it, dusting off powerful lessons to be learned from their struggles and successes. More than a mere history book, every example in these pages, from Epictetus to Marcus Aurelius--slaves to emperors--is designed to help the reader apply philosophy in their own lives"--

Holiday, author of *The Obstacle Is the Way* and *Ego Is the Enemy* draws on timeless Stoic and Buddhist philosophy to show why slowing down is the secret weapon for those charging ahead.

Explores how some works and artists achieve longevity when most disappear after initial success.

An influential media strategist reveals how blogs are controlling the news in the digital age and exposes the ways in which today's marketers are manufacturing news stories, affecting stock prices and shaping elections through fake story planting and misleading marketing tactics. 20,000 first printing.

"Written for the legal community and the general public, this book explains, in practical terms, the perspective behind some of the most newsworthy and sensational cases of the last 20 years. Few, if any, judges have commented on the cases that have appeared before them. Judge Block critiques some of the historical practices of the legislature and the bench; educates readers about the death penalty, racketeering, gun laws, drug laws, discrimination laws, race riots, terrorism, and foreign affairs; and intimates the more humble aspects of being on the bench, e.g. the choice to use humor, death threats against members of the bench, brushes with celebrities, witnessing how popular sentiment can override the facts of a case, racist underpinnings of the drug laws, and more"--Provided by publisher.

A Yale professor and author of *A Jane Austen Education* evaluates the consequences of high-pressure educational and parenting approaches that challenge the mind's ability to think critically and creatively, calling for strategic changes that can offer college students a self-directed sense of purpose.

What stops you performing at your best? Your ego. Your ego is your natural defence system, triggered when strong emotions such as anxiety and fear sweep through you. When you're doing something important - preparing for an exam, taking a driving test, speaking in public, making a business presentation, or striving to improve your performance in sport - your ego is sure to interfere. By enabling you to understand your underlying motivations and anxieties, *DETOX YOUR EGO* helps you improve the way you go about achieving those goals. *DETOX YOUR EGO* takes you on a journey of self-discovery, a process that enables you to master your own ego in order to increase your health, happiness and purpose. Psychologist Steven Sylvester's inspiring and ground-breaking approach focuses on a brand new approach to winning. In *DETOX YOUR EGO*, Sylvester shares for the very first time the seven easy steps to be freer, happier and more successful in your life. *DETOX YOUR EGO* liberates you to be the best that you can be.
