Civil engineers, mechanical engineers, structural engineers, marine engineers, chemical engineers, systems engineers, and engineering support personnel have a lot in common when they want to create a resume, and this book shows resumes and cover letters of individuals who want to work in the field. For those who seek federal employment, there's a special section showing how to create federal resumes and government applications. Since many technical types aren't writers, this comes as a special gift: select a winning format, plug in your background specs, and away you go. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for "mayor" or "chief magistrate"; the nickname of the governor who signed UT into existence was "The Old Alcalde."
