Each spiral-bound companion manual works hand-in-glove with the text. Step-by-step keystroke level instructions, with screen captures, provide detailed help for using the technology to work pertinent examples and all of the technology projects in the text. A cross-reference chart indicates which text examples are included and the exact page reference in both the text and the technology manual. Output with brief instruction is provided for selected odd-numbered exercises to reinforce the examples.

This manual contains worked-out solutions for all the odd-numbered exercises in the text. **ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. Statistics opens a window to the modern world, and this market-leading text makes it easy to understand! Larson and Farber's Elementary Statistics: Picturing the World, Sixth Edition, provides stepped out instruction, real-life examples and exercises, and the use of technology to offer the most accessible approach. The authors carefully develop theory through strong pedagogy, and examples show how statistics is used to picture and describe the world. In keeping with the premise that students learn best by doing, it includes more than 210 examples and more than 2300 exercises, to make the concepts of statistics a part of students' everyday lives. 0133864995/9780133864991 - Elementary Statistics Plus NEW MyStatLab with Pearson eText -- Access Card Package, 6/ePackage consists of 0321847997/ 9780321847997 - My StatLab Glue-in Access Card 032184839X/ 9780321848390 - MyStatLab Inside Sticker for Glue-In Packages 0321911210/ 9780321911216 - Elementary Statistics: Picturing the World, 6/e
