The correspondence between one of the most famous couples of twentieth-century literature *The Dolphin Letters* offers an unprecedented portrait of Robert Lowell and Elizabeth Hardwick during the last seven years of Lowell's life (1970 to 1977), a time of personal crisis and creative innovation for both writers. Centered on the letters they exchanged with each other and with other members of their circle—writers, intellectuals, friends, and publishers, including Elizabeth Bishop, Caroline Blackwood, Mary McCarthy, and Adrienne Rich—the book has the narrative sweep of a novel, telling the story of the dramatic breakup of their twenty-one-year marriage and their extraordinary, but late, reconciliation. Lowell's controversial sonnet-sequence *The Dolphin* (for which he used Hardwick's letters as a source) and his last book, *Day by Day*, were written during this period, as were Hardwick's influential books *Seduction and Betrayal: Essays on Women in Literature* and *Sleepless Nights: A Novel*. Lowell and Hardwick are acutely intelligent observers of marriages, children, and friends, and of the feelings that their personal crises gave rise to. *The Dolphin Letters*, masterfully edited by Saskia Hamilton, is a debate about the limits of art—what occasions a work of art, what moral and artistic license artists have to make use of their lives as material, what formal innovations such debates give rise to. The crisis of Lowell's *The Dolphin* was profoundly affecting to everyone surrounding him, and Bishop's warning to Lowell—"art

spoilt grandmother Maureen had made an excellent marriage with the Lord of Dufferin and Avon and was a leader of the fashionable set in her youth. Her mother, the writer Caroline Blackwood, socialised with the most glitteringly bohemian and high-profile figures of New York and London. Caroline had intense love affairs and was married to the painter Lucian Freud and the talented composer Israel Citkowitz before finally settling down with the poet Robert Lowell. However, being born into the Guinness inheritance was not the blessing that it appeared to be. Ivana's life of glamour and high-living has been marked by tragedy and loss. Like her brilliant but troubled mother, she has been plagued by an addiction to alcohol which took root when she was still a self-conscious schoolgirl. Having survived a childhood accident which left her physically scarred and the instability of a frenetic home life, she is also faced with the discovery of a secret which threatens to undermine her entire past. This frank and witty memoir is both vibrant and sad. It is laced with anecdotes and familiar names from the 1940s to the present, but it is ultimately an account of the relationship between mother and daughter, the story of two women whose deep affection for each other withstands everything that life has to throw at them.

said that conversation with Lowell left her feeling "picked up again to the proper table-land of poetry," and she once begged him, "Please never stop writing me letters—they always manage to make me feel like my higher self (I've been re-reading Emerson) for several days." Neither ever stopped writing letters, from their first meeting in 1947 when both were young, newly launched poets until Lowell's death in 1977. The substantial, revealing—and often very funny—interchange that they produced stands as a remarkable collective achievement, notable for its sustained conversational brilliance of style, its wealth of literary history, its incisive snapshots and portraits of people and places, and its delicious literary gossip, as well as for the window it opens into the unfolding human and artistic drama of two of America's most beloved and influential poets.

Dear Reader, Sometimes, if you're very lucky, you can go home again. An earlier version of this book was titled *The Diamond Tiger* and came out in 1993 under the name Ann Maxwell. When my present publisher offered me the opportunity of going back to the novel under the name Elizabeth Lowell, I admit that I hesitated. In the years since first publication, the diamond trade has changed so greatly that it would be impossible to update the facts in the book without destroying the very story that had compelled me to write in the first place. But like the diamond trade, my style of telling a story has also changed over the years. I decided to revisit the novel because I loved it and hoped my new readers would as well. *Death Is Forever* is my favorite kind of story, combining elements of danger, greed, trust,
