fresh patterns and projects that are perfect for new and advanced crocheters as they start out beginner-friendly and become more complex, allowing a crocheter to build skills and confidence. Designers at any level will enjoy:

- A detailed technique's workshop in every chapter including cables, motifs, color, lace, and Tunisian crochet.
- Helpful tips from designers for working through each afghan project.
- Easy-to-follow charts and diagrams.

Along with tons of beautiful afghan projects for all skill levels, you'll find many of your favorite designer's biographies--giving you an exploration into their inspiration.

Robyn Chachula's first book, *Blueprint Crochet*, introduced American readers to crochet stitch diagrams used by crocheters throughout the world, demonstrated on contemporary designs for women. Although written-out directions are more common to American readers, diagrams are the standard in international crochet patterns. Once crocheters understand the symbols, the diagrams are often easier to follow than written directions. Now with *Baby Blueprint Crochet*, Robyn offers the opportunity to practice these new skills and techniques on smaller, less daunting projects. The modern baby garment and accessory patterns in *Baby Blueprint Crochet* are designed to appeal to moms and kids as well as crocheters: no frilly stuff, no scratchy yarns that make the baby red, and no heirloom afghans to keep out of baby's hands. Instead, the projects are contemporary and bright, fun, fashionable, useful, and launder easily. The nineteen projects include girls' garments, such as a jumper and tunic; boys' garments, including a jacket and a vests; accessories from hats to slippers and even diaper covers; and home items including blankets and toys.

The *Railway Knitting Workbook* encourages you to enjoy the journey as you learn new stitches and methods in Tunisian crochet. The workbook begins with the basics and then invites you to

experiment with techniques such as Tunisian Mobius, Tunisian Delink and Tunisian Wobbel. The clear instructions will provide crocheters and knitters of all skill levels the opportunity to imagine and create. Explore and discover for yourself how much fun Railway Knitting can be. This excellent turn-of-the-century introduction to Irish crochet is a well-planned guide to all levels of skill and experience. The work includes step-by-step, illustrated directions for dozens of classic motifs, borders, and medallions — plus ways to combine them into bonnets, purses, gowns, and other clothing and accessories. 117 black-and-white illustrations.

This vintage book contains a complete guide to crochet, with instructions and patterns for items ranging from bags to blouses. With varying degrees of difficulty and a wealth of helpful tips, this volume is appropriate for all levels of skill, and would make for a worthy addition to collections of allied literature. Contents include: “History of Crochet”, “Threads and Hooks”, “‘Learn How’ Steps for Basic Stitches”, “Accessories that make Good Company”, “Fashion Stars and Bags”, “Blouses and Sweaters are Bright Topics”, “Finish it Off with a Lovely Edging”, “Hot Stuff...Pot Holder and Hot Plate Mats”, etc. Many vintage books such as this are becoming increasingly scarce and expensive. We are republishing this book now in an affordable, high-quality edition complete with a specially commissioned new introduction on crochet.

& Answers Tips & Tricks Dictionary of Terms Historical Background Alternate Stitch Names & Terms Bibliography This book includes everything needed to get started and master Tunisian Crochet! I received the Encyclopedia of Tunisian Crochet yesterday and all I can say is WOWOWOWOWOWOW. I mean it. Without a doubt, it is the most comprehensive book Ive ever seen on Tunisian crochet and I cant wait to show it off to my crochet group. Its excellent quality, well worth the asking price and very easy to understand. Barblf you want more than the basics, Id recommend [the] Encyclopedia of Tunisian Crochet. This book has all those basic stitches, numerous variations on the basics, historic stitches; history of crochet, knit and Tunisian; actual photos of stitch swatches and photos of how to make the stitches. The detailed photos of where to insert your hook are extremely clear. Over 400 stitches! Photos included stitches, stitch details and some color photos of completed projects. Definitely worth the cost! JaneThe research, the writing, the pictures, all of it is the ticket I looked for over the last 25 years [or maybe more]! LindaThis definitely is the most comprehensive book on Tunisian/Afghan stitch I have ever seen. Great illustrations and written instructions. Even the novice can follow this. JudySo far I have one word for your book... PHENOMENAL! I cant wait to sit down with it and really look it over. Please, if you are maintaining a list of those who would like to purchase your next Tunisian book, put my name down and let me know when it is ready to purchase. PeggyI havent yet had the time to really sit down and read it, but OMG [Oh my God!] Im already absolutely in love

with it! I honestly never knew that there is so much that can be done with Tunisian crochet. Anyway, I'm looking forward to spending a lot of time with your book [and will whole-heartedly recommend it to my friends] and will excitedly await your second one.

In Crochet Every Way Stitch Dictionary, designer Dora Ohrenstein does what no crochet author has done before: She offers detailed instructions for how to create 125 stitch patterns, plus she explains how to increase and decrease each stitch pattern in three different ways—without shaping, with shaping at the edges, and with internal shaping. This hefty collection, ranging from lace and filigree to shells and textured stitches, is loaded with beautifully photographed swatches of each pattern, plus charted and text instructions. A focus on the ins and outs of shaping makes working stitch patterns far more accessible and allows the creative crocheter to make many items without a pattern. Crochet Every Way Stitch Dictionary will become an invaluable go-to resource that's sure to inspire legions of crocheters to use stitch patterns in new and exciting ways.

Includes 20 pillow patters in a variety of contemporary styles, half using Tunisian crochet and half using traditional techniques. Some projects incorporate extra techniques such as weaving, crocheting with beads, felting and cross-stitch. Now available in paperback, this best-selling title is THE essential guide to

crochet. Ultimate Crochet Bible is a definitive reference for all aspects of crochet – from the first chain to the care and maintenance of your projects. The first two chapters are packed with useful information such as choosing and using a hook, how to read a pattern, holding the yarn and basic stitches. Once you are armed with the basics, you can go on to learn about a wide range of techniques. Traditional, lace-weight crochet is covered in the Thread Crochet section. The yarn used tends to be fine and the hooks are small, but this allows you to put more detail into a piece of work. Filet and Irish crochet are covered here. The section on Tunisian and Entrelac Crochet shows how elements of crochet and knitting can be combined. Entrelac is a method of creating square shapes in order to make a textured fabric that resembles basket weave. In Working with Colour, the two main techniques of adding colour to a piece of crochet – Intarsia and Jacquard – are explained. And to create some really exciting effects, you can add beads and sequins to your crochet. It's a relatively easy technique. In addition, there are techniques for edgings, braids, fringes and tassels. Professional Finishing Techniques provides all the know-how you need to take your crochet to a whole new level. But whatever your level of experience, this book will be an invaluable treasure trove of crochet techniques that you will turn to time and time again. Over 35,000 copies sold worldwide.

Oh-so-Lovely crochet lace designs! Enjoy 21 beautiful crochet patterns that you will wear again and again in Crochet So Lovely. Author Kristin Omdahl offers a collection of crochet lace patterns along specific themes--creating interesting lace by playing with gauge; creating allover lace; keeping lace as the focal point; and working motifs such as well as the time-honored techniques of broomstick lace, Tunisian crochet, and Bruges lace. Wrap yourself up in crochet accessories like shawls and cowls, along with sweaters, cardigans, and tunics. Show off your shaping techniques in fitted and flattering garments. You will find a veritable orchestra of crochet ideas to choose from, even felting, in the form of a sumptuous felted handbag.
