

English 5th Grade Workbook Houghton Mifflin

Teacher's key to practice exercises in Houghton Mifflin English workbook plus for grade 5.

It's 1965, Los Angeles. All twelve-year-old Sophie wants to do is write her book, star in the community play, and hang out with her friend Jennifer. But she's the new black kid in a nearly all-white neighborhood; her beloved sister, Lily, is going away to college soon; and her parents' marriage is rocky. There's also her family's new, disapproving housekeeper to deal with. When riots erupt in nearby Watts and a friend is unfairly arrested, Sophie learns that life—and her own place in it—is even more complicated than she'd once thought. Leavened with gentle humor, this story is perfect for fans of Rita Williams-Garcia.

English 3D was designed to accelerate language development for English learners who have agility with social interactional English while lacking the advanced linguistic knowledge and skills required by complex coursework in school. English 3D propels students to higher language proficiency through a consistent series of lessons derived from research-based principles and classroom-tested practices that maximize students' verbal and written engagement with conceptually rigorous content.--Teaching Guide
