

Enid Blyton The Island Of Adventure

Dinah, Philip, Jack, and Lucy-Ann get on the wrong plane at an airport, and are embarked on another adventure, in a deserted valley surrounded by high mountains, where the men from the plane seem to be hunting a treasure.

Jack and Jessica find an old rocking chair in the shed of their new house. Suddenly, a pixie called Wishler appears and says he was trapped in the chair. He wants to go home, so soon they're off to the Island of Surprises on the magical wishing-chair.

Brother and sister teams join together to foil dangerous criminals in this series of adventures. Dinah, Philip, Jack, and Lucy-Ann take a trip on a ship cruising the Greek islands and become involved in trying to find the lost treasure of the Andra, as they encounter a group of villainous men also searching for the treasure.

Peggy, Mike and Nora long to run away from their unkind uncle and aunt. But when they escape to live on a secret island with their friend Jack, they have no idea that their adventures are only just beginning.

Enid Blyton has been disparaged by her critics since the 1950s and her stock is still low, though this has not deterred readers. New editions of her work have been published regularly since her death in 1968. Recently, there have also been stage and television adaptations of her Malory Towers books, while other authors have continued to write stories based on her characters. There are also Famous Five parodies, which rely on readers' familiarity with the series. A continuing affection for her work is apparent, though it is not always clear whether this comes from parents or their children. Reading Enid Blyton places the author's work in its cultural and historical context. The book examines a sample of her vast output, looking at five recurring themes: a sense of place, a sense of period, a sense of childhood, a sense of class and a sense of fantasy. A survey of changing attitudes towards Blyton reveals contrasting ways of looking at her work and raises the question whether she was as reactionary a writer as she appeared.

In Enid Blyton's classic Secret Stories mystery always leads to adventure. Mike, Peggy, Nora and Jack are having a lovely summer at the Cornish seaside. While out exploring the Spiggy Holes caves, they discover a secret passage leading to the Old House on the cliff. But when they encounter the Old House's horrid new owner, the children are convinced he is hiding some secrets of his own ... First published in 1940, this edition contains the original text and is unillustrated.
